THIS BROADBAND INFRASTRUCTURE GRANT AGREEMENT ("Agreement") is entered into as of the Effective Date (as defined herein) by and between the DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT ("the Department"), a principal department of the State of Maryland ("State") and ______________________________________ ("the Grantee"). The Department and the Grantee are each a “Party” and may collectively be referred to as “the Parties”.

RECITALS

A. This Agreement is issued pursuant to the State’s appropriation in FY21 of funding received from the United States Department of the Treasury’s Coronavirus State Fiscal Recovery Fund created by Section 9901 of the American Rescue Plan Act ("the Act"), to the Office of Statewide Broadband ("the Office") and its Maryland Broadband Infrastructure Program ("the Program").

B. The purpose of the Program is to:

1. Address the deficit of broadband resources available to serve rural residents and businesses in the State; and

2. Provide financial assistance, in the form of grants and loans, to local governments and private providers for necessary improvements to broadband access, and projects aimed at overcoming infrastructure barriers to the expansion and availability of broadband resources in unserved and underserved areas.

C. The purpose of the federal funding referenced above is to address the economic consequences of the COVID-19 pandemic by facilitating, among other things, necessary State investment in broadband infrastructure. The availability of these federal funds allows the Office to aid the Grantee by providing more financial investment than originally announced in the Request for Applications, and allowing the Grantee to provide a more reduced match than originally required in the Request for Applications. This federal funding is subject to any applicable rules, regulations, and guidance issued by the Treasury related thereto ("the Regulations").

D. In reliance upon the representations and certifications contained in Grantee's Fiscal Year 2021 Broadband Grant Application Form and the supporting documents submitted therewith (together “the Application”), the Department has approved an award of funds to Grantee to carry out a necessary Broadband Infrastructure project.

E. The provisions of the Act, the Regulations, and the Office’s Broadband Infrastructure Program Application Guide and Contracting and Procedures Guide, as amended from time to time (the “Program Guides”), are hereby incorporated into this Agreement as if fully restated herein.

F. “Effective Date” means the date that this Agreement has been executed by the Department.
AGREEMENT

IN CONSIDERATION of the Recitals (which are incorporated herein by reference), the mutual promises and covenants contained in this Agreement, and other good and valuable consideration, the receipt, adequacy, and sufficiency of which are hereby acknowledged, the Department and Grantee agree as follows:

1) Rural Area Designation.
   a) The Proposed Funded Service Area is located in an eligible geographic area that meets the definition of Rural Area as defined in Section 2-207(a)(7) of the State Finance and Procurement Article, Maryland Ann. Code.

2) Grant.
   a) In consideration of the various obligations to be undertaken by Grantee pursuant to this Agreement, the Department agrees to provide Grantee with funds in the amount of $____________________ Million Dollars ($X,XXX,XXX.00) ("the Grant") to be used for the purposes of funding the Broadband Infrastructure Project ("the Project") described in Exhibit B hereto ("Broadband Grant Application Form"), as well as in the remainder of the Application, the contents of which are hereby incorporated into Exhibit B by reference, as limited in scope by Exhibit E ("the Project Map").
   b) Grantee shall use the Grant only for the approved Project and only in the approved Area. Grantee agrees that it will use the Grant and construct the Project in accordance with the provisions of the Guides and this Agreement.
   c) Funds provided by the Department under this Agreement shall not be used for operating expenses, including, not limited to: leases of any kind, the provision of customer devices (handsets, laptops, tablets, etc.), bandwidth and spectrum expenses, salaries and overhead not directly related to the construction of the broadband network. Funds also may not be used for the purchase or construction of towers, land, buildings, or for building renovations, tower upgrades, or the acquisition of facilities or companies.
   d) The Application may have referred to proposed projects in other jurisdictions other than the Project. The approval of the Application as to the Project, and the execution of this Agreement, are not to be construed as approval of any other proposals described in the Application.
   e) Grantee acknowledges that the Project must achieve Minimum Network Requirements. “Minimum Network Requirements” means a minimum internet connectivity of 100 Mbps down and 100 Mbps up with a maximum latency of 50 milliseconds measured at the served subscribers' location, unless the ISP submits a Certification as to circumstances preventing the ISP from achieving such speeds. Where the ISP has certified to its need for exemption and said Certification is an Exhibit to this Agreement, Minimum Network Requirements shall mean a minimum internet connectivity that reliably meets or exceeds 100 Mbps download and at least 20 Mbps upload speeds, and be scalable to a minimum of 100 Mbps symmetrical for download and upload speeds based on future technology advances, with a maximum latency of 50 milliseconds measured at the served subscribers’ location.

3) Expenditure of Grant Funds.
   a) All Grant funds shall be expended on or before the Completion Date (as defined in Section 4(b) of this Agreement).
   b) Grantee shall expend the Grant in accordance with the budget set forth in Exhibit C (the "Project Budget") and the “Eligible Grant Purposes” set forth in the Program Guides. Grant eligible expenses are capital expenses defined as expenses that are capitalized. All grant eligible capital expenditures must be for new, non-depreciated items and can include the construction of outside-plant deployment (including last mile and middle mile infrastructure), electronic equipment necessary to deliver service (including equipment shelters, wireless radio, and antenna), and other capital costs that are directly necessary to provide broadband service to the end user.
c.) Grantee may not expend Grant Funds for purposes contrary to this Agreement, or for any purpose described under “Ineligible Grant Purposes” in the Program Guides. Grantee also may not expend more than the amount allocated for any category in the Project Budget without the prior written consent of the Office.

d) Unless otherwise agreed to in writing by the Office, Grantee shall expend at least fifty percent (50%) of the Grant funds for the Project by the second (2nd) anniversary of the Effective Date.

e) All costs incurred by Grantee before the Effective Date and before approval by the Department of the release of Grant funds are incurred voluntarily, at Grantee's risk and upon its own credit and expense, and Grantee's authority to be reimbursed from the Grant funds shall be governed by the provisions of this Agreement.

f) If, upon completion of the Project, there are cost savings that result in unexpended Grant funds, Grantee shall return such Grant funds to the Department. The Department shall have the rights and remedies with respect to unexpended funds as provided by Section 9.

4) **Commencement and Completion of the Project; Inspection during Construction or Rehabilitation; Changes.**

   a) Grantee shall commence the Project on or prior to September 1, 2021 ("Commencement Date").

   b) Grantee shall complete the Project prior to August 31, 2024 ("Completion Date").

   c) If the Project involves capital construction or improvements, the Department, its agents, and its employees shall be allowed to inspect the Project during construction and upon completion.

   d) The Office must approve, in writing, all changes to the Application, Project Map, Project Budget, including modifications to the scope of work of the Project, modifications involving carrying out Project activities in a geographic area other than the Proposed Funded Service Area, and modifications to the Completion Date. Such changes will not require a formal amendment to this Agreement, so long as they are approved in writing by the Office and the total amount of the Grant does not change.

   e) Grantee shall ensure that all necessary approvals for the commencement of the Project have been obtained, including all applicable permits and licenses.

   f) On or before the Completion Date, Grantee shall obtain all certifications, licenses, permits, and approvals necessary to operate the Project, and shall otherwise satisfy all requirements necessary to operate the Project.

5) **Conditions Precedent to Disbursement of the Grant.** The Department shall not disburse the Grant until Grantee has complied with the following conditions:

   a) Grantee has submitted all the Project plans.

   b) Work related to the disbursement has been completed.

   c) Grantee has complied with all other terms and conditions of the Grant as required by the Office to the Office’s satisfaction.

6) **Other Public Funds; Matching Funds Requirement.**

   a) In addition to the Grant, Grantee may (i) be in the process of obtaining written commitments to receive other funds for the Project; (ii) have written commitments to receive other funds for the Project; or (iii) have already received other funds for the Project (collectively, the "Other Public Funds"). As Exhibit D to this Agreement, Grantee shall provide a listing of all such Other Public Funds, which describes the source of said funds, and where the source is other than the Grantee, shall also provide a letter from the
source of funds confirming the availability of the funds and setting forth any special conditions or restrictions on their use.

b) Upon request, Grantee shall provide the Office with information and documentation in forms acceptable to the Office regarding the Other Public Funds. Such information and documentation shall include, but not be limited to, information concerning Grantee's receipt and expenditure of the Other Public Funds.

c) Grantee is required to contribute a match towards the Project that is a minimum of forty percent (40%) of the total construction cost and a 66.67% equivalent of the Grant amount ("the Match"), except as provided below. The match must be available cash and cannot be used to fund operational costs, except as provided in the Guides. Projects that include areas designated as Sustainable Communities and/or Priority Funding Areas are eligible for a reduced match requirement of twenty-five percent (25%) of the total construction cost and one-third (1/3rd) of the Grant amount ("the Reduced Match"). Eligibility for the Reduced Match requirement or any other exception to the Match requirement must be confirmed in writing with the Office prior to disbursement of the Grant.

d) In the event the Office determines, in its sole discretion, that all or any portion of the Other Public Funds are not available, are not going to be disbursed to Grantee for any reason, or that Other Public Funds received by Grantee have not been properly expended, the Department may, in consultation with the Office, declare Grantee in default of this Agreement and exercise its remedies pursuant to this Agreement.

7) Disbursement of the Grant.

a) After the Effective Date, the Department will disburse Grant funds to Grantee on a reimbursement basis as the Project progresses. Grantee shall submit a request for payment consistent with the procedures set forth in the Program Guides. A request for payment shall identify in detail all expenses incurred for which reimbursement is being sought, and shall have attached copies of the supporting invoices and other documentation of such expenses as required by the Office. A request for reimbursement must be based on the actual expenses incurred by Grantee for eligible, approved grant activities, and Grantee’s actual disbursement for eligible, approved grant activities.

b) Requests for payment should be made allowing at minimum thirty (30) calendar days to receive the Grant funds. The request for payment shall not exceed the eligible costs incurred and approved by the Department. The Department, in its sole discretion, may disburse funds for eligible costs anticipated to be incurred or costs incurred prior to the Effective Date.

c) The Department shall have the right at any time to request that Grantee provide additional reasonable supporting documentation with any request for payment.

d) The Department reserves the right not to disburse any Grant funds if, in the Department’s determination:

i) Grantee has failed to supply a material fact in a request for disbursement;

ii) Grantee’s disbursement request, when combined with all prior disbursement requests, exceeds the total amount of the Grant;

iii) Grantee has used any portion of the Grant for uses or activities other than the Project, or in a manner inconsistent with the terms and conditions of this Agreement, the Act, the Regulations, and the Guides;

iv) Grantee is not performing or completing the Project in a manner satisfactory to the Department; or

v) Grantee is in default under any other term or condition contained in this Agreement.

8) Records, Inspections and Reports.

This Section shall survive the term of this Agreement.

a) Records.
i) Grantee shall maintain accurate financial, management, programmatic and other records of the Grantee, of all transactions relating to the receipt and expenditure of the Grant and administration of the Project (collectively, “Records”). The Records shall be in a commercially reasonable form acceptable to the Department. Grantee shall retain the Records for five (5) years following the date the Office approves the Final Report described in Section 8(c) below.

ii) Grantee shall make the Grantee’s administrative offices, its personnel, whether full time, part time, consultants or volunteers, and the Records available to the Department for inspection upon request, during the term of the Agreement and for a period of five (5) years following the date the Office approves the Final Report. The Grantee shall permit the Office to perform program monitoring, evaluation and audit activities as determined to be necessary, at the discretion of the Office provided such activities are limited to Project monitoring, establishing completion of the Project, ensuring proper expenditure of grant funds, and Grantee is provided fifteen (15) calendar days written notice by the Department.

iii) Grantee shall cause to be maintained for the Department’s inspection the books, accounts, and records of contractors in connection with the Project for five (5) years past the date of termination of the contractual relationship between the contractor and Grantee.

b) Inspections. During the term of this Agreement and for a period of up to two (2) years following the Completion Date, Grantee shall permit the Department to monitor the Project to ensure that the Project is being carried out in accordance with the terms of this Agreement.

c) Reports.

i) On January 1, April 1, July 1, and October 1 of each year during the term of this Agreement, Grantee shall provide the Office with interim progress reports in a manner and form to be determined by the Office. The interim progress reports shall contain such information as the Office requests, including, but not limited to, work accomplished and problems encountered, past and projected expenditures made against the Project Budget, and benchmarks reached. Grantee shall ensure that each interim progress report is received by the Office no later than ten (10) working days after the due date.

ii) Within forty-five (45) calendar days after Grantee completes the Project, Grantee shall submit to the Office a final report (the "Final Report") in a manner and form to be determined by the Office that describes the completed Project, the success of the Project, any problems encountered in completing the Project, and such other information as the Office requires. The Final Report shall also contain an expense and revenue summary of the Project including the number of homes and businesses that gained access to broadband facilities, any problems encountered in completing the Project, and such other information as the Department requires. The Final report shall also contain an expense and revenue summary of the Project, certified by the highest fiscal officer of Grantee, that lists all expenditures relating to the Grant. In addition, any completed studies, surveys, reports, or other work products, if applicable, shall be attached to the Final Report. The Grant will not be considered fully closed out until the Final Report has been submitted to, and accepted by, the Office.

iii) In addition to the requirements set forth above, Grantee shall provide the Department with such additional records, reports, and other documentation as may be required by the Department or the U.S. Department of the Treasury.

9) Default and Remedies; Termination.

a) A default shall consist of: (i) the breach by Grantee of any term, condition, covenant, agreement, or certification contained in this Agreement; (ii) the expenditure of Grant funds for any use other than as provided in the Project Budget or in the approved scope of work for the Project; (iii) the failure to commence or complete the Project by the dates set forth in the Agreement, or otherwise unsatisfactory performance or completion of the Project, in the Department’s sole determination; (iv) Grantee’s bankruptcy, insolvency, or the dissolution or liquidation of Grantee’s business organization or assets; (v)
the failure to obtain Other Public Funds if, in the Department’s sole discretion, such failure would significantly impact the Project; (vi) a change in Grantee’s staffing capacity that adversely affects Grantee’s ability to carry out the Project, in the Department’s sole discretion.

b) If a default described in Section 9(a) occurs, the Department shall give Grantee written notice of default, and Grantee shall have thirty (30) calendar days from the date of such notice to cure the default. If Grantee has not cured the default to the satisfaction of the Department by the conclusion of the 30-day period, this Agreement shall terminate at the end of the 30-day period and the Department may demand immediate repayment of the Grant. Notwithstanding the above, upon the occurrence of a default under this Agreement involving Grantee’s bankruptcy, insolvency, or the dissolution or liquidation of Grantee’s business organization or assets, the Department’s right to terminate this Agreement shall be immediate, without a notice and cure period.

c) Notwithstanding the foregoing notice and cure period set forth in Section 9(b), in the event that the Treasury requires the repayment of any Grant funds, Grantee shall immediately return the Grant funds to the Department.

d) In the event of termination of the Agreement, whether due to default or otherwise:

i) The Department may withhold disbursement of Grant funds and Grantee shall have no right, title, or interest in or to any of the undisbursed Grant funds;

ii) The Department may demand repayment from Grantee of any portion of the Grant proceeds that the Department, in its sole discretion, determines were not expended in accordance with this Agreement, plus all costs and reasonable attorneys’ fees incurred by the Department in recovery proceedings; and

iii) The Department, in its sole discretion, may demand repayment of all Grant funds disbursed to Grantee, plus all costs and reasonable attorneys' fees incurred by the Department in recovery proceedings.

e) In addition to exercising any or all of the rights and remedies contained in this Agreement, the Department at any time may proceed to protect and enforce all rights available to the Department by suit in equity, action at law, or by any other appropriate proceedings, all of which shall survive the termination of this Agreement.

f) Grantee agrees to return any remaining proceeds of the Grant to the Department upon termination of the Agreement, whether due to default, completion of the Project, or for any other reason.

   C) Recipients of $10,000 or more (on any level) must include in their contract language the requirements of Sections 503 (language specified) and 504 referenced in item (B). Section 503 of the Rehabilitation Act of 1973, as amended, requires recipients to take affirmative action to employ and advance in employment qualified disabled people. An affirmative action program must be prepared and maintained by all contractors with 50 or more employees and one or more federal contracts of $50,000 or more.

   1) The contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap in regard to any position for which the employee or applicant for employment is qualified. The contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified handicapped individuals without discrimination based upon their physical or mental handicap in all upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

   2) The contractor agrees to comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.

   3) In the event of the contractor’s non-compliance with the requirements of this clause, actions for non-compliance may be taken in accordance with the rules, regulations and relevant orders of the Secretary of Labor issued pursuant to the Act.

   4) The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the

6) The contractor will include the provisions of this clause in every subcontract or purchase order of $10,000 or more unless exempted by rules, regulations, or orders of the [federal] Secretary issued pursuant to Section 503 of the Act, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for non-compliance.

D) All sub-recipients agree to comply with Title VI of the Civil Rights Act of 1964 that they must not discriminate in participation by race, color, or national origin.

E) There may be no discrimination on the basis of age, according to the requirements of the Age Discrimination Act of 1975.
