Eligible Applicants and Use of Funds

Q. Who is eligible to apply?
A. An organization must:
   - Be a nonprofit 501(c)3 organization AND
   - Have 50 or fewer employees (full time equivalent) as of March 1, 2020 AND
   - Have an annual revenue of less than $5 million AND
   - Be in good standing with the Maryland Department of Assessment and Taxation (SDAT) https://egov.maryland.gov/BusinessExpress/EntitySearch
NOTE: If you begin the application and do not meet any of the eligibility requirements, the system will **NOT** let you complete or submit an application.

Additionally, an organization must be:

- based in Maryland and serve Maryland communities and populations (through the focus areas);
- demonstrate the negative financial impact of COVID-19 as represented by reduced operating revenue or increased operating expenses; and
- financially viable nonprofits whose operations will continue forward.

Q. How do I determine if my organization’s employees meet the requirement of 50 or fewer employees (full time equivalent)?

A. FTE stands for full-time equivalent. An organization may have a maximum of 50 FTEs to be eligible to apply for DHCD-NORI funding.

The calculation of full-time equivalent (FTE) is an employee’s scheduled hours divided by the employer’s hours for a full-time workweek. When an employer has a 40-hour workweek, employees who are scheduled to work 40 hours per week are 1.0 FTEs. Employees scheduled to work 20 hours per week are 0.5 FTEs. The staff total will include regular employees (that get W2s) AND contractual staff (that get 1099s).

Q. My organization is an affiliate of a larger, umbrella organization and shares their federal identification number, can I still apply?

A. Your organization can apply using the parent organization’s federal identification number, if you are also able to meet the following requirements:

1. The IRS Letter of Determination lists you as an organization/group under the parent organization’s federal identification number
2. Your organization is in good standing with the Maryland Department of Assessments and Taxation
3. Your organization has 50 or fewer employees (full time equivalent) as of March 1, 2020
4. Your annual operating budget is less than $5 million
5. You upload your organization’s year to date budget, not the parent organization’s budget

Q. If my organization has already received or been notified of funding from other local, state or federal COVID-19 relief programs can I still apply?

A. Yes. You will be asked to provide information on other funds received and how they have addressed the impact of COVID-19 on your organization.

If you were awarded funds from Commerce’s Maryland Small Business COVID-19 Emergency Relief Grant Fund, as part of the DHCD-NORI grant application you will be asked to provide information on the amount of your Commerce award. The amount you will be able to request from DHCD-NORI will be the maximum amount allowable based on your operating budget minus the amount awarded from Commerce.
Q. How can these grant funds be used?
A. Funds can be used towards an organization’s revenue reductions and/or expense increases from March 1, 2020 - Dec. 31, 2020 as a result of the impact of COVID19.

These items may include, but are not limited to, operating expenses such as salary, rent, utilities, professional services, personal protection equipment, and cleaning supplies
