PROJECT RESTORE 2.0 SCORING CRITERIA

Two reviewers score each application; the two scores will be averaged together for a final score.

Reviewer Name:				
1. ORGANIZATIONAL FIT (max 20 points)				
Assess how the applicant answers the following questions from the application related to how well the organization's mission and experience align with the goals of Project Restore 2.0	Points Awarded (up to 4 per)	Reviewer comments: Why did you score this section as you did? Describe areas of strength or weakness.		
1a. What is your organization's official mission statement?				
1b. Describe how you've managed and complied with grants in the past, especially grants for similar projects.				
1c. Describe specific accomplishments your organization has achieved during the past year relating to placemaking, business attraction/retention/expansion and economic/community development.				
1d. Describe your organization's experience completing projects similar to what is planned here if awarded Project Restore funds.				
1e. Describe the current financial condition of your organization generally. Provide key summary stats regarding year over year changes in revenue and expenses and explain the changes.				
Total for Organizational Fit	0			
2. EQUITY FIT (max 25 points)				
Assess how the applicant answers the following questions from the application related to the organization's approach to equity	Points Awarded (up to 5 per)	Reviewer comments: Why did you score this section as you did? Describe areas of strength or weakness.		
2a. Describe how staff and Board demographically represent the community you serve. Consider demographics broadly including race, language, gender identity, age, socioeconomic status, ability/disability, etc.				
2b. If your staff and Board do not demographically represent the community you serve, please describe strategies or initiatives that you plan to implement to ensure your staff and Board reflects the community being served.				
2c. Who has been involved in the creation of the plan, including how you've engaged the community you serve?				
2d. DHCD seeks to make lovable places and right the wrongs of the past through our programs. In that spirit, describe how your organization has demonstrated a commitment to creating a more equitable community.				

3. STRATEGIC FIT (max 25 points)

Total for Equity Fit
