Re: *2023 End of Year (EOY) Reporting –Portal Opens on June 6, 2024.
Data Submission due not later than July 15, 2024.*

As the owner or sponsor of a property receiving an allocation of Low-Income Housing Tax Credits (LIHTC) you are required to upload certain tenant data and project data through a portal provided by the Maryland Department of Housing and Community Development, which data will ultimately be uploaded by the Department to HUD. Our portal's functionality will be the same as you experienced last year. For your convenience, in the event that you desire to revisit the Portal Instructions you will find them at this link:

Properties Subject to EOY Data Submission. Two (2) versions of the same list of all properties subject to 2023 EOY Data Submission are provided under the category of “Low Income Housing Tax Credits Program Compliance Documents” on our website. One version of the list is alphabetized by property name while the other version is organized by the MD number for each such property. Please review each such list so that we can avoid problems with property name changes (AKA's). When using the portal, please use the same property name in the lists. Also, while using the portal, please use the MD number provided in the lists. Here is the link to these lists:

Timing for EOY Data Submission. The portal will be ready to receive your data uploads on June 6, 2024. All uploads must be completed by close of business on July 15, 2024. The following link will take you to the portal, but it will not be accessible for your use until June 6, 2024:

MULTIFAMILY HOUSING UPDATES

Instructions for Use of the Portal

The portal will allow importing of NAHMA XML files version 3.1 or greater. The property name must be included in the file name. NAHMA 1.1 will not be accepted by the system. In lieu of an XML file there is a manual data entry option. The portal will not accept Excel files.

User names or emails provided to you for any previous year's upload are no longer functional. Passwords from previous years are also no longer functional. To get started, click the link to the portal on the page above. The landing page is called "Log In". Click the "Register" link in the header then follow the instructions. The portal will then deliver the user name and password for this year. Each property registered will have its own unique user name and password. Should you receive any error messages, encounter problems or have questions while using our portal please email your concerns to:

lihtc.application@maryland.gov

Please note: An electronic letter will be sent out on or about June 10, 2024, regarding submission of the Owner's Certificate of Continuing Program Compliance (OCCPC) for the period January 1, 2023 through December 31, 2023. That letter will also include the annual monitoring fee invoices for Tax Credit Compliance, and reminders regarding submission of completed 8609's and annual updates of Utility Allowances.

Additional Notices will be circulated on a regular basis regarding Tax Credit Compliance Monitoring. Please make sure appropriate individuals within your organization are signed up to receive Multifamily Notices as outlined below.
