Re: ***DRAFT 2019 Qualified Allocation Plan and Multifamily Rental Financing Program Guide Revision -- Update***

The Department is releasing a draft revision of the Qualified Allocation Plan (the “QAP”) and Multifamily Rental Financing Program Guide (the “Guide”) for public comment. Thank you to everyone that participated in the four (4) Listening Sessions held in October. Each session provided us with various perspectives on the current QAP and Guide. The Department also appreciates the written comments we have received to date, and look forward to continued input from our stakeholders as this process continues.

We are committed to finalizing revisions to the QAP and Guide in a timely manner to enable our partners to continue to pursue the development of critically-needed affordable rental housing, while providing meaningful opportunities for stakeholder engagement.

The following is a summary of a few of the proposed changes to the 2019 QAP and Guide. Please note that this list contains some, but not all revisions. Stakeholders are encouraged to review the entire QAP and Guide on the Department’s website. You may find clean and blacklined versions of the Draft revision of the QAP and Guide at:
