Re: 2021 Qualified Allocation Plan and Multifamily Rental Financing Program Guide Revision -- Update and Schedule for Listening Sessions

The Maryland Department of Housing and Community Development is initiating the process to update the Qualified Allocation Plan (QAP) and Multifamily Rental Financing Program Guide (Guide). This notice is an update about upcoming events and opportunities for you to provide feedback to this ongoing process. It is the intention of the Department to have a transparent and open process regarding the changes to the Qualified Allocation Plan and Multifamily Rental Financing Program Guide.

Since the creation of the LIHTC program in 1986, the Department has benefited greatly from the input and participation of our partners, with the end result being the production of thousands of quality affordable rental homes for low-income households across the State. As the Department moves forward in revising the Qualified Allocation Plan and Multifamily Rental Financing Program Guide, we are committed to achieving a final product that balances many competing priorities and benefits from the collective expertise and experience of interested parties.

This notice, as well as other documents and resources associated with the revision of the Qualified Allocation Plan and Multifamily Rental Financing Program Guide will be posted to our website, and I encourage you to visit dhcd.maryland.gov as we continue through this process.

Beginning in the end of August, the Department will hold a series of Virtual Listening Sessions to provide an overview of the last Round and State Housing Needs Assessment, solicit additional comments, and engage in a dialogue regarding revisions to the Qualified Allocation Plan and Multifamily Rental Financing Program Guide. Below are the dates and times of the Regional Listening Sessions. Please feel free to attend as many of the meetings as you wish.
