The provisions of the current tax laws require bondholders to submit their Taxpayer Identification Number, (either their social security or employer identification number, as appropriate) with each bond presented for payment (whether by purchase or redemption). Failure to comply will subject the payment of any principal portion to the withholding of the applicable percentage of such principal portion, in accordance with the current tax laws. To avoid being subject to such withholding, bondholders should submit an IRS Form W-9 at the time the bonds are presented for payment. Form W-9 is available from your local bank or broker and at the IRS website.
