

**ATTACHMENT D-2
POST CONSTRUCTION WASTE MANAGEMENT**

**WASTE MATERIAL DISPOSITION WORKSHEET FOR PARTICIPATING CONTRACTORS
(FOLLOWING COMPLETION OF WORK)**

Be SMART Contractor: _____ **Submitted by:** _____

Date job completed: _____

Address of Job: _____

Name of refuse company: _____ **License #:** _____

Instructions:

- 1) Referring to the materials and estimates provided in Attachment D-1, list each waste material requiring disposal as a result of your Be SMART project.
- 2) For each waste material, indicate how the waste material was disposed (i.e. recycled, landfill), the name of the recycling facility/landfill, and the address of the recycling facility/landfill.
- 3) If you have any questions about the correct procedures for recycling and/or disposing of a particular waste stream, please contact Be SMART program staff before proceeding.

Waste Material	Disposition Method	Recycling Facility/Landfill Name	Recycling Facility/Landfill Address
