Directive SLP-2018-1

TO: All Participating Local Administering Agencies

SUBJECT: Availability of all program funds

The purpose of this Directive is to notify you that effective 02/02/18 that all of the Special Loan Programs Allocated funds have been exhausted for FY 2018.

We will continue to evaluate the existing applications in our pipeline and will accept any new applications with the understanding that funding will not be available until mid July, 2018. Newly approved projects may be committed but will not be funded until our new FY19 Allocation is made available to the department, around July 15, 2018.

If you have any questions about this directive, please contact me through eMail address or phone 301-429-7799.
