THIS BROADBAND INFRASTRUCTURE GRANT AGREEMENT ("Agreement") is entered into as of the Effective Date (as defined herein) by and between the DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT ("the Department"), a principal department of the State of Maryland ("State") and ______________________________________ ("the Grantee"). The Department and the Grantee are each a “Party” and may collectively be referred to as “the Parties”.

RECITALS

A. This Agreement is issued pursuant to the Legislature’s appropriation in the FY2020 Capital Budget Bill ("the Budget") of funds for the Governor’s Office of Rural Broadband ("the Office"). The Budget establishes the Local Government Infrastructure Fund ("the Fund") within funding allocated to the Department. To make use of these funds for the benefit of the citizens of Maryland, the Department and the Office have established the Maryland Broadband Infrastructure Grant Program ("the Program").

B. The purpose of the Program is to:

1. Address the deficit of broadband resources available to serve rural residents and businesses in the State; and

2. Provide financial assistance, in the form of grants and loans, to local governments and private providers for improvements to broadband access, and projects aimed at overcoming infrastructure barriers to the expansion and availability of broadband resources in unserved and underserved areas.

C. The Department supports the mission of the State generally and, in particular, the Office, to deliver broadband internet to rural communities in Maryland, by providing funding to support approved broadband infrastructure projects as described above.

D. In reliance upon the representations and certifications contained in Grantee's Fiscal Year 2020 application ("the Application"), the Department has approved an award of funds to Grantee to carry out a Broadband Infrastructure project, said funds to be expended by Grantee in conformity with the requirements and provisions of the Office's Maryland Broadband Infrastructure Grant Program Application Guide ("the Guide"), and this Agreement.

E. “Effective Date” means the date that this Agreement has (1) been approved by the Board of Public Works, and (2) executed by the Department.
AGREEMENT

IN CONSIDERATION of the Recitals, the mutual promises and covenants contained in this Agreement, and other good and valuable consideration, the receipt, adequacy, and sufficiency of which are hereby acknowledged, the Department and Grantee agree as follows:

1) Rural Area Designation.
   a) The Proposed Funded Service Area is located in an eligible geographic area that meets the definition of Rural Area as defined in Section 2-207(a)(7) of the State Finance and Procurement Article, Maryland Ann. Code.

2) Grant.
   a) In consideration of the various obligations to be undertaken by Grantee pursuant to this Agreement, the Department agrees to provide Grantee with funds in the amount of $________ Million Dollars ($X,XXX,XXX.00) (“the Grant”) to be used for the purposes of funding the Broadband Infrastructure Project (“the Project”) described in Exhibit A hereto (“the Project Application”) and Exhibit C (“the Project Map”).
   b) Grantee agrees to use the Grant only for the approved Project and only in the approved Area. Grantee agrees that it will use the Grant and construct the Project in accordance with the provisions of the Guide and this Agreement.
   c) Funds provided by the Department under this Agreement shall not be used for operating expenses, including, not limited to: leases of any kind, the provision of customer devices (handsets, laptops, tablets, etc.), bandwidth and spectrum expenses, salaries and overhead not directly related to the construction of the broadband network. Funds also may not be used for the purchase or construction of towers, land, buildings, or for building renovations, tower upgrades, or the acquisition of facilities or companies.
   d) The Application may have included proposed projects in other jurisdictions other than the Project. The approval of the Application as to the Project, and the execution of this Agreement, are not to be construed as approval of any other proposals described in the Application.

3) Expenditure of Grant Funds.
   a) All Grant funds shall be expended on or before the Completion Date (as defined in Section 4(b) of this Agreement).
   b) Grantee shall expend the Grant in accordance with the budget set forth in Exhibit B (the "Project Budget") and the “Eligible Grant Purposes” set forth in the Guide. Grant eligible expenses are capital expenses defined as expenses that are capitalized. All grant eligible capital expenditures must be for new, non-depreciated items and can include the construction of outside-plant deployment (including last mile and middle mile infrastructure), electronic equipment necessary to deliver service (including equipment shelters, wireless radio, and antenna), and other capital costs that are directly necessary to provide broadband service to the end user.
   c) Grantee may not expend Grant Funds for purposes contrary to this Agreement, or for any purpose described under “Ineligible Grant Purposes” in the Guide. Grantee also may not expend more than the amount allocated for any category in the Project Budget without the prior written consent of the Office.
   d) Unless otherwise agreed to in writing by the Department, Grantee shall expend at least fifty percent (50%) of the Grant funds for the Project by the second (2nd) anniversary of the Effective Date.

[Grantee]
e) All costs incurred by Grantee before the Effective Date and before approval by the Department of the release of Grant funds are incurred voluntarily, at Grantee's risk and upon its own credit and expense, and Grantee's authority to be reimbursed from the Grant funds shall be governed by the provisions of this Agreement.

f) If, upon completion of the Project, there are cost savings and/or undisbursed funds, Grantee shall return any remaining Grant funds to the Department.

4) Commencement and Completion of the Project; Inspection during Construction or Rehabilitation; Changes.
   a) Grantee shall commence the Project on or prior to September 1, 2020 ("Commencement Date").
   
   b) Grantee shall complete the Project prior to August 31, 2023 ("Completion Date").
   
   c) If the Project involves capital construction or improvements, the Department, its agents, and its employees shall be allowed to inspect the Project during construction and upon completion.
   
   d) The Department must approve all changes to the Project Description, Project Map, Project Budget, or any other term of this Agreement, including modifications to the scope of work of the Project, modifications involving carrying out Project activities in a geographic area other than the Proposed Funded Service Area, and modifications to the Completion Date.
   
   e) Grantee shall ensure that all necessary approvals for the commencement of the Project have been obtained, including all applicable permits and licenses.
   
   f) On or before the Completion Date, Grantee shall obtain all certifications, licenses, permits, and approvals necessary to operate the Project, and shall otherwise satisfy all requirements necessary to operate the Project.

5) Conditions Precedent to Disbursement of the Grant. The Department shall not disburse the Grant until Grantee has complied with the following conditions:

   a) Grantee has submitted, and the Office has approved, all the Project plans and specifications.
   
   b) Work related to the disbursement has been completed.
   
   c) Grantee has complied with all other terms and conditions of the Grant as required by the Department to the Department’s satisfaction.

6) Other Funds; Matching Funds Requirement.

   a) In addition to the Grant, Grantee may (i) be in the process of obtaining written commitments to receive other funds for the Project; (ii) have written commitments to receive other funds for the Project; or (iii) have already received other funds for the Project (collectively, the "Other Funds"). As Exhibit C to this Agreement, Grantee shall provide a listing of all such Other Funds, which describes the source of said funds, and where the source is other than the Grantee, shall also provide a letter from the source of funds confirming the availability of the funds and setting forth any special conditions or restrictions on their use.
   
   b) Upon request, Grantee shall provide the Department with information and documentation in forms acceptable to the Department regarding the Other Funds. Such information and documentation shall include, but not be limited to, information concerning Grantee's receipt and expenditure of the Other Funds.
c) Grantee is required to contribute a match towards the Project that is a minimum of fifty percent (50%) of the total construction cost and a one hundred percent (100%) equivalent of the Grant amount ("the Match"), except as provided below. The match must be available cash and cannot be used to fund operational costs, except as provided in the Guide. Projects that include areas designated as Sustainable Communities and/or Priority Funding Areas are eligible for a reduced match requirement of twenty-five percent (25%) of the total construction cost and one-third (1/3rd) of the Grant amount ("the Reduced Match"). Eligibility for the Reduced Match requirement or any other exception to the Match requirement must be confirmed in writing with the Office prior to disbursement of the Grant.

d) In the event the Department determines, in its sole discretion, that all or any portion of the Other Funds are not available, are not going to be disbursed to Grantee for any reason, or that Other Funds received by Grantee have not been properly expended, the Department may, in its sole discretion, declare Grantee in default of this Agreement and exercise its remedies pursuant to this Agreement.

7) Disbursement of the Grant.

a) After the Effective Date, the Department will disburse Grant funds to Grantee on a reimbursement basis as the Project progresses. Grantee shall submit a request for payment in a manner and form approved by the Department. A request for payment shall identify in detail all expenses incurred for which reimbursement is being sought, and shall have attached copies of the supporting invoices and other documentation of such expenses.

b) Requests for payment should be made allowing at minimum thirty (30) calendar days to receive the Grant funds. The request for payment shall not exceed the eligible costs incurred and approved by the Department. The Department, in its sole discretion, may disburse funds for eligible costs anticipated to be incurred or costs incurred prior to the Effective Date.

c) The Department has the right to withhold disbursement of Grant funds if at any time the Department determines, in its sole discretion, that Grantee is not performing or completing the Project in a manner satisfactory to the Department. The Department shall have the right at any time to request that Grantee provide additional supporting documentation with any request for payment.

8) Records, Inspections and Reports.

Sections 8(a) and 8(b) shall survive the term of this Agreement.

a) Records.

i) Grantee shall maintain accurate financial, management, programmatic and other records of the Grantee, including meeting minutes of Grantee’s governing body, if applicable, for transactions relating to the receipt and expenditure of the Grant and administration of the Project (collectively, “Records”). The Records shall be in a form acceptable to the Department. Grantee shall retain the Records for three (3) years following the date the Department approves the Final Report described in Section 8(c) below.

ii) Grantee shall make the Grantee’s administrative offices, its personnel, whether full time, part time, consultants or volunteers, and the Records available to the Department for inspection upon request, during the term of the Agreement and for a period of three (3) years following the date the Department approves the Final Report. c) Reports.

i) On January 1, April 1, July 1, and October 1 of each year during the term of this Agreement, Grantee shall provide the Office with interim progress reports in a manner and form to be determined by the Office. The interim progress reports shall contain such information as the Office requests, including, but not limited to, work accomplished and problems encountered, past and projected expenditures made against the Project Budget, and benchmarks reached. Grantee shall ensure that each interim progress report is received by the Office no later than ten (10) working days after the due date.

ii) Within forty-five (45) calendar days after Grantee completes the Project, Grantee shall submit to the Office a final report (the "Final Report") in a manner and form to be determined by the Office that describes the completed Project, the success of the Project including the number of homes and businesses that gained access to broadband facilities, any problems encountered in completing the Project, and such other information as the Department requires. The Final Report shall also contain an expense and revenue summary of the Project, certified by the highest fiscal officer of Grantee, that lists all expenditures relating to the Grant. In addition, any completed studies, surveys, reports, or other work products, if applicable, shall be attached to the Final Report. The Grant will not be considered fully closed out until the Final Report has been submitted to, and accepted by, the Office.

iii) In addition to the requirements set forth above, Grantee shall provide the Department with such additional records, reports, and other documentation as may be required by the Department.

9) Default and Remedies; Termination.

a) A default shall consist of: (i) the breach by Grantee of any term, condition, covenant, agreement, or certification contained in this Agreement; (ii) the expenditure of Grant funds for any use other than as provided in the Project Budget or in the approved scope of work for the Project; (iii) the failure to commence or complete the Project by the dates set forth in the Agreement, or otherwise unsatisfactory performance or completion of the Project, in the Department’s sole determination; (iv) Grantee’s bankruptcy, insolvency, or the dissolution or liquidation of Grantee’s business organization or assets; (v) the failure to obtain Other Funds if, in the Department’s sole discretion, such failure would significantly impact the Project; (vi) a change in Grantee’s staffing capacity that adversely affects Grantee’s ability to carry out the Project, in the Department’s sole discretion.

Upon the occurrence of a default that continues beyond the cure period, the Department shall have the right to terminate this Agreement immediately by written notice to Grantee. Notwithstanding the above, upon the occurrence of a default under this Agreement involving Grantee’s bankruptcy, insolvency, or the dissolution or liquidation of Grantee’s business organization or assets, the Department’s right to terminate this Agreement shall be immediate, without a notice and cure period.

c) In the event of termination by the Department following a default:

i) The Department may withhold disbursement of Grant funds and Grantee shall have no right, title, or
interest in or to any of the undisbursed Grant funds;

ii) The Department may demand repayment from Grantee of any portion of the Grant proceeds that the Department, in its sole discretion, determines were not expended in accordance with this Agreement, plus all costs and reasonable attorneys’ fees incurred by the Department in recovery proceedings; and

iii) The Department, in its sole discretion, may demand repayment of all Grant funds disbursed to Grantee, plus all costs and reasonable attorneys’ fees incurred by the Department in recovery proceedings.

d) The Department may also terminate this Agreement for convenience upon sixty (60) days’ notice to the Grantee, whenever the State shall determine that such termination is in the best interest of the State. In the event of an early termination under this subsection, the Grantee will be reimbursed all reasonable costs incurred prior to the date of the notice of termination, pursuant to Section 7.
