In the opinion of Hawkins, Delafield & Wood, as Bond Counsel, assuming continuing compliance with certain tax covenants described herein, under existing law, interest on the Bonds is excludable from gross income for Federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), except that no opinion is expressed as to such exclusion of interest on any Bond for any period during which such Bond is held by a person who is a "substantial user" of the facilities financed with the Bond proceeds or a "related person", both within the meaning of Section 147(a) of the Code. In addition, interest on the Bonds is treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. In addition, in the opinion of Bond Counsel, under existing law, the Bonds, their transfer, the interest payable thereon, and any income derived therefrom, including any profit realized on the sale or exchange thereof, are exempt from taxation of every kind and nature whatsoever by the State of Maryland, except, that no opinion is expressed with respect to any exemption from Maryland franchise taxes or estate or inheritance taxes. See "Tax Matters" herein.

Official Statement
relating to
Community Development Administration
Maryland Department of Housing and Community Development
\$6,170,000
Multifamily Development Revenue Bonds
(Park Montgomery Apartments Project) Series 2000 C

INTRODUCTION

This Official Statement and the Appendices hereto set forth certain information relating to the issuance by the Maryland Community Development Administration (the "Administration"), an agency in the Division of Development Finance of the Department of Housing and Community Development, a principal department of the government of the State of Maryland, of the above-captioned Series 2000 C Bonds (the "Bonds"). Certain capitalized terms used in this Official Statement are summarized in APPENDIX A—"SUMMARY OF CERTAIN DEFINITIONS" attached hereto.

The Bonds are being issued pursuant to a Trust Indenture (the "Indenture"), dated as of November 1, 2000, between the Administration and Allfirst Bank, as trustee (the "Trustee"), and pursuant to Sections 2-201 through 2-208 of Article 83B of the Annotated Code of Maryland, as amended (the "Act").

The Bonds are special and limited obligations of the Administration issued in connection with the acquisition and rehabilitation by Park Montgomery Limited Partnership, a Maryland limited partnership (the "Borrower") of a multifamily rental housing development known as Park Montgomery Apartments, located in Silver Spring, Maryland (the "Project"). The Mortgage Loan will be made pursuant to a Financing Agreement, dated as of November 1, 2000 (the "Financing Agreement"), among the Administration, the Trustee and the Borrower, and in accordance with the requirements of Fannie Mae. The Mortgage Loan will be evidenced by a Multifamily Note (the "Mortgage Note"), executed by the Borrower. The Mortgage Note will be payable to the Administration and will be secured by, among other things, a Multifamily Deed of Trust, Assignment of Rents and Security Agreement (the "Security Instrument") from the Borrower in favor of the Administration and Fannie Mae. The Security Instrument will encumber the Project. On the date of issuance and delivery of the Bonds (the "Closing Date"), the Mortgage Loan (including the Mortgage Note and Security Instrument) will be assigned by the Administration to the Trustee and Fannie Mae ("Fannie Mae" or the "Credit Provider"), as their interests may appear, and upon such assignment, will be part of the Trust Estate securing the Bonds.

Fannie Mae has agreed to provide credit enhancement for the Mortgage Loan pursuant to, and subject to the limitations of, a Credit Enhancement Instrument (Stand-By) (the "Credit Facility") described herein. Under the Credit Facility, certain payments under the Mortgage Note will be secured by the Credit Facility. The obligation of the Borrower to reimburse Fannie Mae for any funds provided by Fannie Mae under the Credit Facility will be set forth in a Reimbursement Agreement, dated as of November 1, 2000 (the "Reimbursement Agreement"), between the Borrower and Fannie Mae. See "SECURITY FOR THE BONDS — Credit Facility" herein.

Fannie Mae has designated Berkshire Mortgage Finance Limited Partnership ((the "Loan Servicer") to service the Mortgage Loan. Fannie Mae may subsequently designate another eligible servicing institution to service the Mortgage Loan or may elect to service the Mortgage Loan itself.

The Trustee will accumulate and invest the monthly payments on the Mortgage Loan for application semiannually to payments of interest or principal and interest, as due, on the Bonds and for the payment of certain fees. See "APPENDIX B—SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE" attached hereto.

The interest rate on the Mortgage Note (the "Mortgage Note Rate") is to be established at a rate, and the monthly payments under the Mortgage Note are to be scheduled, such that the monthly payments of principal and interest on the Mortgage Note will be sufficient, together with other money on deposit with the Trustee pursuant to the Indenture, and certain Investment Income, to pay, when due, the semiannual interest or principal and interest on the Bonds, the fees of Fannie Mae, the fees of the Loan Servicer and the "Third Party Fees" (which include the Administration's Annual Fee, the Trustee's Annual Fee and the Rebate Analyst's Annual Fee, if any). **Fannie Mae has not prepared, reviewed or verified, makes no representation or warranty with respect to, does not certify to, and assumes no responsibility or liability for, any calculations used to establish such schedule of payments or distributions, the assumptions used in making such calculations, their mathematical accuracy or for the sufficiency of payments on which they are based to pay the principal of and interest on the Bonds when due, any fees, including any Third Party Fees, when due or any other amounts at any time.**

The Project is required to be occupied by persons or families whose incomes satisfy certain provisions of the Act and the Internal Revenue Code of 1986, as amended (the "Code"), and the applicable income tax regulations issued under the Code as set forth in a Regulatory Agreement and Agreement and Declaration of Covenants and Restrictions for the Project, dated as of November 1, 2000, and entered into by and between the Administration and the Borrower (the "Tax Regulatory Agreement") and an Extended Low-Income Housing Covenant for Low-Income Housing Tax Credits between the Administration and the Borrower dated as of November 1, 2000 in connection with obtaining low income housing tax credits. In addition, there will be use and occupancy restrictions applicable to the Project under an Agreement for Interest Reduction Payments among the Borrower, the Administration and the Secretary of Housing and Urban Development. See "THE PROJECTS AND THE PRIVATE PARTICIPANTS" herein, APPENDIX C—"SUMMARY OF CERTAIN PROVISIONS OF THE TAX REGULATORY AGREEMENT" and APPENDIX F - "DESCRIPTION OF THE SECTION 236 PROGRAM" attached hereto. The Project will also be subject to certain income and rent restrictions required under State law.

Any failure of the Borrower to comply with the terms of the Tax Regulatory Agreement may cause interest on the Bonds to be included in the gross income of the owners thereof for federal income tax purposes, possibly retroactively as well as prospectively. See "TAX MATTERS" herein. None of the Trustee, the Administration or the Bondholders may cause an acceleration or redemption of the Bonds solely because of a default by the Borrower under the Tax Regulatory Agreement or because interest on the Bonds becomes includable in the gross income of the owners thereof for federal income tax purposes. In addition, the interest rate on the Bonds will not be adjusted in the event that interest payable on the Bonds becomes includable in the gross income of the owners thereof for federal income tax purposes.

The Bonds are subject to optional, mandatory sinking fund and special mandatory redemption prior to maturity as described under the heading "THE BONDS—Redemption" herein.

The Bonds are special obligations of the Administration, an agency in the Division of Development Finance of the Department of Housing and Community Development, a principal department in the government of the State of Maryland, payable solely from and secured by, among other property comprising the Trust Estate described in the Indenture, the following: (a) the Mortgage Loan, (b) Fannie Mae's credit

enhancement of the Mortgage Loan, (c) the Net Bond Proceeds, to the extent not disbursed to the Borrower, (d) the Revenues and any other moneys received by the Trustee for the payment of the principal of and interest on the Bonds, including payments received under the Interest Reduction Payments Agreement, (e) amounts otherwise on deposit in the Funds and Accounts under the Indenture (other than moneys on deposit from time to time in the Rebate Fund, the Costs of Issuance Deposit Account of the Costs of Issuance Fund and the Fees Account), and (f) certain Investment Income (excluding Investment Income earned on amounts on deposit in the Rebate Fund and the Costs of Issuance Deposit Account of the Costs of Issuance Fund). The Administration has no taxing power. **The Bonds do not constitute a debt of the State of Maryland, any political subdivision thereof, the Administration or the Department, or a pledge of the faith, credit or taxing power of the State, any such political subdivision, the Administration or the Department. The Bonds are not, under any circumstances, payable from or secured by any other assets of the Administration not expressly pledged to payment of the Bonds, including, without limitation, the Administration's General Bond Reserve Fund.**

PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS IS NOT GUARANTEED BY FANNIE MAE. FANNIE MAE'S OBLIGATIONS WILL BE CONTAINED IN THE CREDIT FACILITY, SO LONG AS THE CREDIT FACILITY IS IN EFFECT, AND WILL BE LIMITED SOLELY TO ITS OBLIGATIONS THEREUNDER AS DESCRIBED GENERALLY HEREIN. THE OBLIGATIONS OF FANNIE MAE UNDER THE CREDIT FACILITY WILL BE OBLIGATIONS SOLELY OF FANNIE MAE. THE OBLIGATIONS OF FANNIE MAE ARE NOT BACKED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA, BUT BY THE CREDIT OF FANNIE MAE, A FEDERALLY CHARTERED, STOCKHOLDER-OWNED CORPORATION. SEE "FANNIE MAE," HEREIN.

Brief descriptions of the Bonds, the security for the Bonds, the Credit Facility, the Administration, Fannie Mae, the Borrower and the Project are included in this Official Statement together with summaries of the Indenture, the Financing Agreement, the Tax Regulatory Agreement and the Disclosure Agreement. Such descriptions do not purport to be comprehensive or definitive. All references herein to the Indenture, the Financing Agreement, the Tax Regulatory Agreement, the Disclosure Agreement, the Credit Facility and other documents are qualified in their entirety by reference to such documents, and references herein to the Bonds are qualified in their entirety by reference to the forms thereof included in the Indenture and the information with respect thereto in the aforementioned documents, copies of all of which are available for inspection in the designated office of the Trustee.

THE BONDS

General

The Bonds are issuable only as fully registered bonds, without coupons, in denominations of (subject to adjustment as described below) \$5,000 or any integral multiple thereof. The Bonds are dated as of the dated date set forth on the cover hereof and will bear interest at the rate per annum, and mature as set forth on the inside cover of this Official Statement, subject to prior redemption as described under the caption "Redemption" below.

Interest on the Bonds will be calculated on the basis of a 360-day year consisting of twelve 30-day months and be payable on each February 1 and August 1 of each year, commencing on August 1, 2001 (each an "Interest Payment Date") calculated from the Interest Payment Date next preceding the date of

authentication of the Bonds, provided that if the date of authentication is an Interest Payment Date for which interest has been paid or is after the Record Date, but prior to the next Interest Payment Date, the Bonds shall bear interest from such Interest Payment Date; provided further that if the date of authentication is prior to the Record Date for the first Interest Payment Date, the Bonds shall bear interest from the Dated Date of the Bonds. Notwithstanding the foregoing, if, at the time of authentication of any Bond, interest on the Bond is in default, the Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment or, if no interest has theretofore been paid on the Bond, from the Dated Date of the Bond.

The Bonds will be delivered in fully registered form only and, when issued and delivered, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”). Ownership interests in the Bonds may be purchased in book-entry form only. Ultimate purchasers of Bonds will not receive physical certificates representing their interest in the Bonds. So long as the Bonds are registered in the name of Cede & Co., as nominee of DTC, references herein to the Bondholders shall mean Cede & Co. and shall not mean the ultimate purchasers of the Bonds. Payments of the principal of and interest on the Bonds while under the Book-Entry System shall be made in accordance with the rules, regulations and procedures established by DTC in connection with such Book-Entry System. See “THE BONDS — Book-Entry Only System” herein.

Optional Redemption

The Bonds are not subject to optional redemption prior to February 1, 2011. On and after February 1, 2011, the Bonds will be subject to optional redemption only upon optional prepayment of the Mortgage Loan in accordance with the Mortgage Loan Documents. Optional redemption will occur on the first day of any month for which timely notice of redemption can be given during the periods set forth in the table below and at the respective redemption prices set forth below (expressed as percentages of the principal amounts of the Bonds called for redemption), plus accrued interest, if any, to the Redemption Date:

Redemption Period (Both Dates Inclusive)	Redemption Prices (Expressed as a Percentage)
February 1, 2011 through January 31, 2012	101%
February 1, 2012 through January 31, 2013	100 1/2
February 1, 2013 and thereafter	100

Optional redemption pursuant to the Indenture is not permitted unless (a) the redemption is effected solely with Available Moneys or (b) Fannie Mae provides its prior written consent to a redemption with other than Available Moneys. Notwithstanding any other provision of the Indenture to the contrary, optional redemption of the Bonds will not be permitted, unless, on or before the Redemption Date, the Trustee has on hand Available Moneys in an amount sufficient to pay the End Period Payment on the Redemption Date. Neither the Administration, Fannie Mae nor the Loan Servicer will have any responsibility or liability to provide funds to be included in the End Period Payment.

Special Mandatory Redemption

The Bonds are subject to special mandatory redemption as set forth below. Unless otherwise specified in any paragraph below, each special mandatory redemption will be (a) effected on the earliest practicable Redemption Date for which timely notice of redemption can be given pursuant to the Indenture following the occurrence of the event requiring such redemption and (b) at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus accrued interest on such Bonds to the Redemption Date. Bonds subject to special mandatory redemption in part will be redeemed in Authorized Denominations; if the Trustee receives an amount for the special mandatory redemption of the Bonds which is not equivalent to an Authorized Denomination, Bonds will be redeemed in an amount equal to the next lowest whole integral of an Authorized Denomination to the amount received by the Trustee, with any excess to be held in the Redemption Account. The Bonds will be redeemed:

(a) in whole or in part, at the direction of Fannie Mae, in the event and to the extent that proceeds of insurance from any casualty to, or proceeds of any award from any condemnation, or any award as part of a settlement in lieu of condemnation, of the Project (in any of such events, "Proceeds") are not applied in accordance with the Financing Agreement and the Mortgage Loan Documents, after payment of the expenses, if any, of collecting the Proceeds, to restoring or repairing the Project or, with the prior written consent of Fannie Mae, otherwise used for improvements to the Project, or applied to the reimbursement of amounts owed to Fannie Mae pursuant to the Reimbursement Agreement. Such special mandatory redemption will be:

(i) (A) in whole, following the involuntary destruction or loss of the Project in its entirety or nearly in its entirety, (B) funded with the Proceeds, with funds on deposit in the Funds and Accounts (other than the Rebate Fund, the Costs of Issuance Fund and the Fees Account) and with funds provided by the Borrower pursuant to the Financing Agreement, provided that the Trustee will be entitled to an Advance under the Credit Facility, in accordance with its terms, to the extent that the sum of the Proceeds, funds on deposit in the Funds and Accounts (other than the Rebate Fund, the Costs of Issuance Fund and the Fees Account) and funds provided by the Borrower pursuant to the Financing Agreement are insufficient to redeem all of the Bonds Outstanding and (C) deemed a corresponding involuntary prepayment of the Mortgage Loan; or

(ii) (A) in part, following the involuntary destruction or loss of the Project in part, (B) funded with the Proceeds, (C) in a principal amount equal to the next lowest whole integral of an Authorized Denomination to which such Proceeds can be rounded with any remaining Proceeds to be held in the Redemption Account and (D) deemed a corresponding involuntary prepayment of the Mortgage Loan in part;

(b) in whole or in part, at the written direction of Fannie Mae given to the Trustee and in the amount specified by Fannie Mae if the redemption is in part, upon the occurrence of an Event of Default under, and as respectively defined in, the Security Instrument, any Credit Facility Agreement or the Financing Agreement; or

(c) in whole or in part, in the event and to the extent that funds in the General Account in excess of the minimum balance required to be maintained therein on the basis of the Cash Flow Projection are transferred in any month to the Redemption Account pursuant to the Indenture.

Mandatory Sinking Fund Redemption

The Bonds maturing on February 1, 2021 and February 1, 2031 shall be subject to mandatory sinking fund redemption in part, by lot, prior to maturity, from sinking fund installments. The redemption price shall be equal to 100% of the principal amount of Bonds to be redeemed (and, therefore, without premium), plus accrued interest to the Redemption Date.

Notice of Redemption

Notice of the call for redemption of any Bonds (with a copy to the Administration) will be given by the Trustee in the name and on behalf of the Administration by mail not less than 30 nor more than 45 days prior to the specified Redemption Date, to the Registered Owner of each Bond to be redeemed at the address of such Registered Owner as shown on the Bond Register. Any notice of optional redemption will be revoked by the Trustee and the redemption cancelled if the Trustee does not, on a redemption date, have sufficient funds, as permitted or required by the Indenture, to redeem the Bonds called for redemption on the Redemption Date. The Trustee is instructed to give notice of revocation in the same manner for the giving of notice of redemption, or by Electronic Means confirmed in writing.

Redemption Payments

Notice of redemption having been given in the manner described above and as provided in the Indenture and all conditions precedent to redemption having been satisfied, the Bonds so called for redemption will become due and payable on the Redemption Date, and interest on the Bonds will cease to accrue from and after the Redemption Date; the holders of the Bonds so called for redemption will thereafter no longer have any security or benefit under the Indenture except to receive payment of the redemption price for such Bonds upon surrender of such Bonds to the Trustee. Except during any period in which the Bonds are subject to the Book-Entry System:

(a) no payment will be made by the Trustee with respect to any Bond called for redemption until such Bond is presented for payment or cancellation or the Trustee receives the items required by the Indenture with respect to any mutilated, lost, stolen or destroyed Bond; and

(b) if less than the entire principal amount of a Bond is called for redemption, the Administration will execute, and the Trustee is to authenticate and deliver, upon the surrender of such Bond to the Trustee, without charge by the Administration or the Trustee to the Bondholder, in exchange for the unredeemed principal amount of such Bond, a new Bond or Bonds of the same interest rate, maturity and term, in any Authorized Denomination, in aggregate principal amount equal to the unredeemed balance of the principal amount of the Bond so surrendered.

During any period in which the Bonds are subject to the Book-Entry System, the rules, regulations and practices governing the Book-Entry System will govern whether and the extent to which the Trustee will make payments on any Bond called for redemption with or without surrender of the Bond (or portion of the Bond) to be redeemed, and the circumstances (if any) under which the Administration is required to execute, and the Trustee is to authenticate and deliver, a new Bond in exchange for the unredeemed portion of any Bond called for redemption in part. All moneys held by or on behalf of the Trustee for the redemption of particular Bonds will be held in trust for the account of the holders of the Bonds to be redeemed, as provided in and in accordance with the Indenture. CUSIP number identification will accompany all redemption payments.

Selection of Bonds To Be Redeemed Upon Partial Redemption of Bonds

If less than all of the Outstanding Bonds are to be called for redemption (other than mandatory sinking fund redemption), Bonds to be redeemed will be selected by the Trustee on a reasonably proportionate basis, as provided in the Indenture, in minimum amounts of \$5,000, from among all the then existing maturities of the Bonds Outstanding. In the case of an optional redemption from an optional prepayment of the Mortgage Loan, the Trustee will make its selection immediately following receipt of notice of the optional prepayment. In the case of a special mandatory redemption as a result of a casualty or condemnation, the Trustee will make its selection immediately following the receipt of funds.

With respect to certain special mandatory redemptions in part pursuant to the Indenture, the sufficiency of the scheduled cash flow from the monthly payments to be made under the Mortgage Note and Investment Income with respect to the General Account to pay the principal of and interest on the Bonds and the Third Party Fees (to the extent included in the Mortgage Note Rate) when due and payable, following such redemption, will be established by a then current Cash Flow Projection verified by a Verification Report (upon each of which the Trustee may rely), each prepared and delivered to the Trustee, Fannie Mae, Moody's and the Loan Servicer, at the Borrower's expense, at least 30 days prior to the Redemption Date. No such special mandatory redemption may be made unless Moody's has confirmed that such redemption will not have an adverse effect on the then-current rating of the Bonds. In the event that any Bonds of the same maturity are to be redeemed in part, the Trustee will assign to each Bond then Outstanding a distinctive number for each \$5,000 of the principal amount of such Bond and from the numbers so assigned to such Bonds, the Trustee will randomly select as many numbers as, at \$5,000 for each number, will equal the principal amount of such Bonds to be redeemed. The Bonds within a maturity that are to be redeemed will be the Bonds to which are assigned the numbers selected by the Trustee, but only so much of the principal amount of each such Bond of a denomination of more than \$5,000 will be redeemed as will equal \$5,000 for each number assigned to it and so selected. Bonds may be redeemed only in Authorized Denominations. The Bonds selected for redemption as described in this paragraph and in the Indenture will not be deemed Outstanding. If there is called for redemption less than the entire principal amount of a Bond, the Administration is to execute and the Trustee is to authenticate and deliver, upon surrender of such Bond, without charge to the holder of such Bond, in exchange for the unredeemed principal amount of such Bond, Bonds of the same maturity, interest rate, principal amount, series and tenor in any Authorized Denomination in the amount of the unredeemed principal of the surrendered Bonds.

Purchase of Bonds in Lieu of Redemption

Unless otherwise expressly provided in the Indenture, if at any time Available Moneys are held in any Fund or Account to be used to redeem Bonds, in lieu of such redemption the Borrower may, in writing, direct the Trustee to use part or all of such moneys to purchase Bonds which would otherwise be subject to redemption from such moneys. The purchase price of such Bonds (excluding accrued interest, but including any brokerage and other charges) cannot exceed the applicable redemption price of the Bonds which would be redeemed but for the operation of the provision of the Indenture described in this paragraph (accrued interest to be paid from the same Fund or Account from which accrued interest would be paid upon the redemption of such Bonds). Any such purchase must be completed prior to the time notice would otherwise be required to redeem the Bonds and may not occur, without the consent of the Trustee, after a Record Date. All Bonds so purchased will be canceled by the Trustee and the face amount of the Bonds so purchased will be applied as a credit against the Administration's obligation to redeem such Bonds from such moneys. Savings resulting from the purchase of Bonds at less than their respective redemption prices will be used to purchase or redeem additional Bonds to the extent permitted by the provisions of the Indenture. The

Borrower may, at the expense of the Borrower, direct the Trustee to request the submission of tenders following notice to Bondholders requesting such submission prior to making the purchases described in this paragraph. Notice of acceptance of tenders will be given by first-class mail, postage prepaid, to all registered Bondholders, or, in the case of Book-Entry Bonds, to DTC, or any successor Securities Depository. The Borrower may specify the maximum and minimum period of time which will transpire between the date upon which such notice is to be given and the date upon which such tenders are to be accepted. No tenders will be considered or accepted at any price exceeding the price described in this paragraph. The Trustee shall accept bids with the lowest price and in the event the moneys available for purchase pursuant to such tenders are not sufficient to permit acceptance of all tenders and if there are tenders at an equal price above the amount of moneys available for purchase, then the Trustee will select by random drawing, in such manner as it shall determine in its discretion, the Bonds tendered which shall be purchased.

DTC and Book Entry

The information contained in the following paragraphs of this section concerning DTC and DTC's book-entry system has been extracted from a schedule prepared by DTC, entitled "SAMPLE OFFICIAL STATEMENT LANGUAGE DESCRIBING BOOK-ENTRY-ONLY ISSUANCE." The Administration makes no representation as to the completeness or the accuracy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Bond will be issued for each maturity of Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the settlement among Direct Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Direct Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its Direct and Indirect Participants are on file with the Securities and Exchange Commission.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial

Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to Cede & Co. If less than all of the Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Bonds. Under its usual procedures, DTC mails an Omnibus Proxy to the Administration as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts on the date payable in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Administration, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Administration or the Trustee under the Indenture, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

NEITHER THE ADMINISTRATION, THE TRUSTEE NOR THE UNDERWRITERS WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO PARTICIPANTS, TO INDIRECT PARTICIPANTS OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (II) THE PAYMENT OR TIMELINESS OF PAYMENT BY DTC OR ANY PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OF, OR PREMIUM, IF ANY OR INTEREST ON, THE BONDS; (III) ANY NOTICE WHICH IS PERMITTED OR REQUIRED TO BE GIVEN TO BONDHOLDERS; (IV) ANY CONSENT GIVEN BY DTC OR OTHER ACTION TAKEN BY DTC AS BONDHOLDER; OR (V) THE SELECTION BY DTC OR ANY PARTICIPANT OR INDIRECT

PARTICIPANT OF ANY BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE BONDS.

Discontinuance of Book-Entry Registration. DTC may discontinue providing its services as the securities depository with respect to the Bonds at any time by giving reasonable notice to the Administration or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, definitive Bonds are required to be printed and delivered. In addition, the Administration, in its sole discretion and without the consent of any other person, may not use or may terminate the services of DTC (or a successor securities depository). Under such circumstances, the Bonds will be delivered as provided in the Indenture.

SECURITY FOR THE BONDS

Pledge of Trust Estate

Pursuant to the Indenture, the Administration has assigned and granted a security interest in, and pledged, the property described below to the Trustee, in its capacity as Trustee, to secure the payment of the principal of, premium, if any, and interest on the Bonds when the same become due and payable and to secure Fannie Mae (the “Trust Estate”):

- (a) all right, title and interest of the Administration in and to the Financing Agreement, the Mortgage Loan, including the Mortgage Note, the Security Instrument and the other Mortgage Loan Documents, and all amendments, modifications, supplements, renewals and restatements of the foregoing, reserving, however, the Reserved Rights;
- (b) all rights to receive payments on the Mortgage Note and under the other Mortgage Loan Documents, including all proceeds of insurance or condemnation awards;
- (c) all right, title and interest of the Administration in and to the Net Bond Proceeds and the accrued interest, if any, derived from the sale of the Bonds and all Funds, Accounts and Investments under the Indenture (including, but not limited to, moneys, documents, securities, investments, instruments and general intangibles on deposit, or otherwise held by the Trustee under the Indenture), including Investment Income, but excluding moneys on deposit from time to time in the Fees Account, the Rebate Fund, and the Costs of Issuance Deposit Account of the Costs of Issuance Fund (including within such exclusion Investment Income retained in the Costs of Issuance Deposit Account of the Costs of Issuance Fund and Investment Income retained in the Rebate Fund);
- (d) all right, title and interest of the Administration to receive Interest Reduction Payments pursuant to the IRP Agreement;
- (e) all funds, moneys and securities and any and all rights and interests in property, whether tangible or intangible, from time to time by delivery or by writing of any kind conveyed, mortgaged, pledged, assigned or transferred as and for additional security under the Indenture for the Bonds by the Administration, or by anyone on its behalf, or with its written consent, to the Trustee, which is authorized to receive any and all such property at any and all times, and to hold and apply the same subject to the terms of the Indenture; and

(f) all of the proceeds of the foregoing, including, but not limited to, Investments and Investment Income (except as excluded in paragraph (c) above).

The principal of and interest on the Bonds will be secured by the Mortgage Loan and by Fannie Mae's credit enhancement of the Mortgage Loan, pursuant to the Credit Facility so long as the Credit Facility is in effect and by the Net Bond Proceeds, to the extent not disbursed to the Borrower, and will be further secured by and payable from the Revenues and any other moneys received by the Trustee for the payment of the principal of and interest on the Bonds, including payments received under the Interest Reduction Payments Agreement, amounts otherwise on deposit in the Funds and Accounts (other than moneys on deposit from time to time, in the Rebate Fund, the Costs of Issuance Deposit Account of the Costs of Issuance Fund and the Fees Account) and certain Investment Income.

Credit Facility

On the Closing Date, Fannie Mae will deliver Credit Enhancement Facility (the "Credit Facility") to the Trustee relating to the Mortgage Loan. The Credit Facility is the irrevocable obligation of Fannie Mae to make Advances to the Trustee (a) on a stand-by basis, as necessary to pay interest, or principal and interest, as the case may be, on the Mortgage Note in the event that the Borrower fails to make certain scheduled payments due under the Mortgage Note, (b) in amounts which will be sufficient, in certain instances with other funds available to the Trustee, to provide for the payment of the principal of and interest on the Mortgage Note in connection with an acceleration of the Bonds or certain special mandatory redemptions of the Bonds, including redemptions (i) in whole or in part, as a result of a casualty to or condemnation of a Project in its entirety, or nearly in its entirety, or (ii) in whole or in part, upon certain events of default, and (c) following certain acts of bankruptcy.

Funds are not available under the Credit Facility to pay premium due upon any redemption of Bonds or interest that may accrue on the Bonds after the maturity of the Bonds. In addition, funds are not available under the Credit Facility in connection with any optional prepayment of the Mortgage Note or optional redemption of the Bonds.

The "Amount Available" to be advanced by Fannie Mae under the Credit Facility is the aggregate of \$6,170,000 (the "Principal Portion") for the payment of the unpaid principal balance of the Mortgage Note and up to \$31,023 (the "Interest Portion") for the payment of up to 30 days of interest actually accrued at the Pass-Through Rate under the Mortgage Note on the unpaid aggregate principal balance of the Mortgage Note or up to \$127,194 for the payment of up to 123 days of interest actually accrued at the Pass-Through Rate on the unpaid principal balance of the Mortgage Note for the interest portion of bankruptcy-related advances, in each case calculated on the basis of a 360-day year comprised of twelve 30-day months.

The Principal Portion of the Amount Available under the Credit Facility will be reduced permanently and automatically by (a) the portion of the amount of each Advance under the Credit Facility applied to reduce the outstanding principal balance of the Mortgage Note secured by the Credit Facility and (b) the amount of each payment on the Mortgage Note by the Borrower which reduces the outstanding principal balance of such Mortgage Note, the latter reduction to be effective 91 days after such payment, provided that an Act of Bankruptcy does not occur within such 91-day period. The Interest Portion of the Amount Available also will be reduced automatically by the Interest Portion of the amount of each Advance, subject to reinstatement as described below. The Interest Portion of the Amount Available also will be reduced permanently and automatically in an amount equal to 30 days of interest calculated at the Pass-Through Rate.

The Interest Portion of an advance in respect of a scheduled payment will be reinstated automatically; such reinstatement is subject, however, to permanent reduction in an amount equal to 30 days of interest, calculated as described above, on the amount of the permanent reduction in the Principal Portion of the Amount Available on account of such advance. The Interest Portion of a Bankruptcy-Related Advance will not be reinstated, and shall be reduced permanently and automatically in an amount equal to 123 days of interest, calculated on the basis of a 360-day year of twelve 30-day months, on the amount of any permanent reduction in the Principal Portion of the Amount Available on account of such advance. Subject to the foregoing, a Bankruptcy-Related Advance will be reinstated automatically if the Borrower reimburses the Credit Provider in an amount equal to the Bankruptcy-Related Interest Portion Amount Available.

The Credit Facility will expire at 4:00 p.m., Washington, D.C. time, on February 6, 2031 (the "Expiration Date"), but will automatically terminate earlier upon the first to occur of (a) the honoring by Fannie Mae of an Advance which has the effect of reducing the Principal Portion of the Amount Available to zero when such Principal Portion is not subject to reinstatement or (b) Fannie Mae's receipt of a Certificate in the form attached to the Credit Facility certifying that either (i) no Bonds are Outstanding under the Indenture other than Bonds registered in the name of or otherwise owned, directly or indirectly, by the Borrower or any Affiliate of the Borrower or (ii) the Trustee has received a Replacement Credit Facility as permitted by the Indenture.

The Trustee is required to present certificates to Fannie Mae as required by, and pursuant to and in accordance with, the terms and conditions of the Credit Facility, in order to receive advances from Fannie Mae, and is to cause moneys received from Fannie Mae to be applied for the purposes specified in the Indenture. In the event that the Trustee shall have received any advance from Fannie Mae under the Credit Facility, and thereafter amounts are received by the Trustee from the Borrower or other source, which later received amounts are in payment of amounts satisfied by the Advance under the Credit Facility, then such later received amounts are to be promptly reimbursed to Fannie Mae to the extent of the amount so paid by Fannie Mae.

Under the Indenture, the Trustee has covenanted that it will not, without the prior written consent of the registered owners of all of the Bonds then Outstanding, transfer, assign or release the Credit Facility until the principal of and interest on the Bonds shall have been paid or duly provided for in accordance with the terms of the Indenture, except (a) to a successor Trustee or (b) to Fannie Mae upon expiration or other termination of the Credit Facility in accordance with its terms, including expiration on its stated expiration date or (c) upon payment under the Credit Facility of the full amount payable under the Credit Facility. If at any time during the term of the Credit Facility, a successor Trustee is appointed and qualified under the Indenture and the Credit Facility is not assignable or transferable to the successor Trustee, the resigning Trustee is to request that Fannie Mae deliver a new Credit Facility, substantially identical to the Credit Facility, to the successor Trustee for the benefit of the holders of the Bonds; the resigning Trustee is to continue to serve as Trustee under the Indenture until such time as the new Credit Facility is delivered to the successor Trustee.

Each purchaser of the Bonds should be aware that the Credit Facility does not guarantee payment of principal of, premium, if any, or interest on the Bonds.

Information regarding Fannie Mae is contained herein under the caption "FANNIE MAE."

The foregoing summarizes certain provisions of the Credit Facility, but is not intended to be and should not be relied on as a complete description of the Credit Facility. Reference is made to the Credit

Facility, copies of which may be obtained from the Trustee, for the complete provisions of the Credit Facility.

THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, OR ANY AGENCY THEREOF, OR OF FANNIE MAE. PAYMENT OF PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON, THE BONDS IS NOT GUARANTEED BY FANNIE MAE. SO LONG AS THE CREDIT FACILITY IS IN EFFECT, FANNIE MAE'S OBLIGATIONS, AS DESCRIBED GENERALLY HEREIN, WILL BE SOLELY AS PROVIDED IN THE CREDIT FACILITY. THE OBLIGATIONS OF FANNIE MAE UNDER THE CREDIT FACILITY WILL BE OBLIGATIONS SOLELY OF FANNIE MAE, A FEDERALLY CHARTERED STOCKHOLDER-OWNED CORPORATION. THE OBLIGATIONS OF FANNIE MAE ARE NOT BACKED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA. FANNIE MAE HAS NO OBLIGATION TO PURCHASE, DIRECTLY OR INDIRECTLY, ANY OF THE BONDS.

BONDHOLDERS' RISKS

The following is a summary of certain risks associated with the purchase of the Bonds. This summary is not intended to be a comprehensive list of the risk factors associated with the Bonds. The Bonds are to be payable from payments to be made by the Borrower under the Mortgage Note. The Borrower's obligation to make such payments pursuant to the Financing Agreement and Mortgage Note is nonrecourse and secured only by the Security Instrument. The Borrower's ability to make such payments is subject to financial conditions applicable to the Borrower and the Project which may change in the future to an extent that cannot be determined at this time.

Bankruptcy of Borrower

In the event of a bankruptcy filing by or against the Borrower, all or a portion of any payments made to Bondholders within 91 days of the filing of such bankruptcy could be recovered from Bondholders by the order of a bankruptcy judge finding that such payments to Bondholders were “preferential” payments within the meaning of Section 547 of the United States Bankruptcy Code. In the event Bondholders were ordered to return payments previously received, Bondholders’ recourse, through the Trustee, would be to the obligations of Fannie Mae to the Trustee as and to the extent provided in the Credit Facility.

The United States Bankruptcy Code automatically stays enforcement of any liens, such as the Security Instrument, against the property of a bankrupt estate, even if such liens arose prior to the filing of the bankruptcy petition. In the event of the bankruptcy of the Borrower, the Trustee’s ability to enforce the provisions of the Security Instrument would be substantially impaired, absent relief by the bankruptcy court from the automatic stay. In the event of such a stay, Bondholders recourse, through the Trustee, would be to the obligations of Fannie Mae to the Trustee as and to the extent provided in the Credit Facility.

No Acceleration or Redemption Upon Loss of Tax Exemption

The Borrower has covenanted and agreed to comply with the provisions of the Code relating to the exclusion from gross income for federal income tax purposes of the interest payable on the Bonds. The financing documents contain provisions and procedures designed to assure compliance with such covenant. See “TAX MATTERS” herein. However, the Borrower’s covenant to comply with the requirements of the Code is nonrecourse to the Borrower, and the Borrower’s liability is limited to the revenues and assets comprising the Project. Furthermore, the Borrower’s failure to comply with such provisions will not constitute a default under the Mortgage Loan and will not give rise to a redemption or acceleration of the Bonds (unless Fannie Mae determines, at its option and in its sole and absolute discretion, that such failure will constitute such a default) and is not the basis for an increase in the rate of interest payable on the Bonds. Consequently, interest on the Bonds may become includable in gross income for purposes of federal income taxation retroactive to the date of issuance of the Bonds by reason of the Borrower’s failure to comply with the requirements of federal tax law, and neither the Administration, the Trustee nor the Bondholders will have remedies available to them to mitigate the adverse economic effects to the Bondholders of such inclusion by reason of the Borrower’s noncompliance.

Failure of Provider of the Investment Agreement To Make Payments Thereunder

Scheduled payments made under the Mortgage Note are made on a monthly basis and scheduled payments on the Bonds are made semiannually. Until applied to make payment on the Bonds, payments received on the Mortgage Note may be invested under an Investment Agreement. Failure of the provider of the Investment Agreement to make payments thereunder may adversely affect the ability of the Trustee to make payments on the Bonds. In addition, a reduction in the rating of the Investment Agreement Provider or a deterioration in its financial strength may adversely affect the rating on the Bonds. See “VERIFICATION OF CASH FLOWS—Sufficiency of Cash Flow” herein.

Performance of the Project

No assurance can be given as to the future performance of the Project. The economic feasibility of the Project depends in large part upon the ability of the Borrower to attract sufficient numbers of residents and to maintain substantial occupancy throughout the term of the Bonds at sufficient rents. Occupancy of

the Project may be affected by competition from existing housing facilities (including facilities that may be or may become owned by the Borrower or an affiliate of the Borrower) or from housing facilities which may be constructed in the area served by the Project (including facilities that may have been or may in the future be constructed by the Borrower or affiliates of the Borrower). The Administration has not independently reviewed the feasibility of the Project and makes no representation, direct or indirect, that the Project will be able to generate sufficient income for the Borrower to make its debt service payments under the Mortgage Note or other payment obligations of the Borrower under the Bond Documents or the Mortgage Loan Documents and its operating expenses. Restrictions imposed under the Code and the Act on tenant income and the rent that can be charged could have an adverse effect on the Borrower's ability to satisfy its obligations under the Mortgage Loan Documents, especially if operating expenses should increase beyond what the Borrower had anticipated. A default by the Borrower under the Financing Agreement, including the failure by the Borrower to pay on the date due any amounts required to be paid by the Borrower under the Financing Agreement, the Mortgage Note, the Security Instrument or the Reimbursement Agreement, may result in a mandatory redemption or acceleration of the Bonds. No premium will be paid on the Bonds in the event of such a redemption or acceleration. See "APPENDIX B - SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Events of Default; Preliminary Notice" and "—Remedies; Rights of Bondholders" attached hereto, and "THE BORROWER AND THE PROJECT" herein.

Environmental Matters

There are potential risks relating to environmental liability associated with the ownership of any property. If hazardous substances are found to be located on a property, the owners of such property may be held liable for costs and other liabilities relating to such hazardous substances. In the event of a foreclosure of the Project or active participation in the management of the Project by the Trustee on behalf of the Bondholders, the Trustee (and, indirectly, the Bondholders) may be held liable for costs and other liabilities related to hazardous substances, if any, on the site of the Project on a strict liability basis and such costs might exceed the value of such property.

Early Redemption

A variety of factors described herein will result in an early redemption of the Bonds. The possibility of an early redemption could affect the ability of the Bonds to be valued or sold at a premium. Early redemption would also cause a loss of any premium otherwise owing to the holder of any Bond. See "THE BONDS—Mandatory Redemption—Special Mandatory Redemption" herein.

LIMITED LIABILITY

THE BONDS ARE SPECIAL OBLIGATIONS OF THE COMMUNITY DEVELOPMENT ADMINISTRATION, AN AGENCY IN THE DIVISION OF DEVELOPMENT FINANCE OF THE DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT, A PRINCIPAL DEPARTMENT OF THE GOVERNMENT OF THE STATE OF MARYLAND, PAYABLE SOLELY FROM THE TRUST ESTATE PLEDGED UNDER THE INDENTURE. THE ADMINISTRATION HAS NO TAXING POWER. THE BONDS DO NOT CONSTITUTE A DEBT OF THE STATE, ANY POLITICAL SUBDIVISION THEREOF, THE ADMINISTRATION OR THE DEPARTMENT, OR A PLEDGE OF THE FAITH, CREDIT OR TAXING POWER OF THE STATE, ANY SUCH POLITICAL SUBDIVISION, THE ADMINISTRATION OR THE DEPARTMENT.

THE BONDS ARE NOT, UNDER ANY CIRCUMSTANCES, PAYABLE FROM OR SECURED BY ANY OTHER FUNDS OR ASSETS OF THE ADMINISTRATION NOT EXPRESSLY PLEDGED TO PAYMENT OF THE BONDS, INCLUDING, WITHOUT LIMITATION, THE ADMINISTRATION'S GENERAL BOND RESERVE FUND.

FANNIE MAE

Fannie Mae is a federally chartered and stockholder-owned corporation organized and existing under the Federal National Mortgage Association Charter Act, 12 U.S.C. 1716 et seq. It is the largest investor in home mortgage loans in the United States with a net portfolio of \$571 billion of mortgage loans as of September 30, 2000. Fannie Mae was originally established in 1938 as a United States government agency to provide supplemental liquidity to the mortgage market and became a stockholder-owned and privately managed corporation by legislation enacted in 1968.

Fannie Mae purchases, sells, and otherwise deals in mortgages in the secondary market rather than as a primary lender. It does not make direct mortgage loans but acquires mortgage loans originated by others. In addition, Fannie Mae issues mortgage-backed securities ("MBS"), primarily in exchange for pools of mortgage loans from lenders. Fannie Mae receives guaranty fees for its guarantee of timely payment of principal of and interest on MBS certificates.

Fannie Mae is subject to regulation by the Secretary of Housing and Urban Development ("HUD") and the Director of the independent Office of Federal Housing Enterprise Oversight within HUD. Approval of the Secretary of Treasury is required for Fannie Mae's issuance of its debt obligations and MBS. Five of the eighteen members of Fannie Mae's Board of Directors are appointed by the President of the United States, and the other thirteen are elected by the holders of Fannie Mae's common stock.

The securities of Fannie Mae are not guaranteed by the United States and do not constitute a debt or obligation of the United States or any agency or instrumentality thereof other than Fannie Mae.

As of September 30, 2000, Fannie Mae's stockholders' equity was \$19.7 billion. Information on Fannie Mae and its financial condition is contained in Fannie Mae's Information Statement dated March 30, 2000 and a Supplement thereto dated May 15, 2000, August 14, 2000 and November 14, 2000 (and any later supplement to or update of such Information Statement). Copies of the most recent Information Statement, as well as any Supplements to the Information Statement and Fannie Mae's most recent annual report to stockholders and proxy statement, are available without charge from the Office of Investor Relations, Fannie Mae, 3900 Wisconsin Avenue, NW, Washington, DC 20016 (telephone: (202) 752-7115) or by accessing Fannie Mae's world wide web site.

Fannie Mae makes no representation as to the contents of this Official Statement, the suitability of the Bonds for any investor, the feasibility of performance of any project, or compliance with any securities, tax or other laws or regulations. Fannie Mae's role with respect to the Bonds is limited to issuing and discharging its obligations under the Credit Enhancement Facility and exercising the rights reserved to it in the Indenture and the Reimbursement Agreement.

THE ADMINISTRATION

The Administration is an agency in the Division of Development Finance of the Department, which is a principal department of the government of the State.

The Bonds are not, under any circumstances, payable from or secured by any other funds or assets of the Administration not expressly pledged to payment of the Bonds, including, without limitation, the Administration's General Bond Reserve Fund.

General Information

The Administration was created in 1970 as a division of the Department of Economic and Community Development to meet the shortage of adequate, safe and sanitary housing in the State, particularly for persons or families of limited incomes. Chapter 311 of the Acts of Maryland 1987, effective July 1, 1987, abolished the Department of Economic and Community Development, created the Department and assigned the Administration as an agency in the Division of Development Finance of the Department.

The Secretary of Housing and Community Development (the "Secretary") is the head of the Department and is appointed by the Governor with the advice and consent of the Senate. The Department consists of six divisions: the Division of Development Finance, the Division of Credit Assurance, the Division of Finance and Administration, the Division of Neighborhood Revitalization, the Division of Historical and Cultural Programs and the Division of Information Technology.

The Division of Development Finance is the lending and bond issuing division of the Department, originating loans under the Department's various lending programs and providing underwriting services for loans to the Department and its other divisions and agencies. The Administration is an agency within the Division of Development Finance.

The Secretary, with the approval of the Governor, appoints the Director of the Administration, and the Director of the Administration, with the approval of the Secretary, appoints the Deputy Executive Directors of the Administration and the other senior staff members of the Administration. The Act establishes a Housing Finance Review Committee (the "Review Committee") which has the responsibility to review and to give recommendations to the Secretary regarding loans or categories of loans and the investment and project financing policies of the Administration. The Review Committee consists of seven members appointed by the Governor, including three members of the public and three members of the Department and one member of the Executive Branch not employed by the Department. When urgent action is required, the Secretary may approve a specific loan request without receiving the recommendation of the Review Committee.

The Division of Credit Assurance, the insuring division of the Department, provides certain asset management, monitoring and workout related services to the Department and its divisions and agencies, including the Administration.

The Division of Finance and Administration under the direction of the Chief Financial Officer of the Department provides budget, accounting, auditing and administrative services to the Department. In addition, the Administration has a finance office which handles finance and accounting for lending and bond activities and insurance activities, under the direction of the Chief Financial Officer of the Department who reports to the Director of the Administration with respect to its financial functions.

The Division of Information Technology develops and maintains information systems and trains Departmental staff in the use of computer resources.

The Department has established a Revenue Bond Advisory Board (the "Board"). The Board provides independent advice and expertise to the Department with respect to issuance of revenue bonds, including the Bonds. The Board consists of seven members appointed by the Secretary, including the Deputy Secretary (who chairs the Board), one other representative of the Department, two representatives of other agencies of State government (one from an agency which issues revenue bonds), one representative of the State Treasurer's Office, and two members of the public. The Board reviews and makes recommendations to the Secretary with respect to each issuance of bonds. The Secretary has the final authority to approve each issuance after receipt of the Board's recommendation. When urgent action is required, the Secretary may approve an issuance of bonds without action by the Board or may vary the terms of the Board's recommendation. In addition, the Board advises the Department on procedures for issuing bonds and on selection and performance of financial advisors, underwriters, and accountants.

The Administration pays costs and expenses of operating its programs from earnings received from its programs financed by the Bond Resolution and other bond indentures of the Administration in excess of the amounts required to pay principal of and interest on its bonds and notes.

The office of the Administration is located at 100 Community Place, Crownsville, Maryland 21032. Inquiries for documents or concerning this Official Statement should be directed to Anne P. Konrad, Director, Finance, at (410)514-7326.

Limited Involvement of the Administration

The Administration has no obligation to review, control or oversee the activities of the Trustee or the Borrower or the compliance by either of them with any covenants or provisions of any related documents, including (without limitation) any covenants that relate to the excludability from gross income of interest on the Bonds.

The Administration is indemnified by the Borrower against certain costs and liabilities as set forth in the Bond Documents.

THE PROJECT AND THE PRIVATE PARTICIPANTS

The following has been provided solely by the Borrower. Neither the Administration, Fannie Mae, the Loan Servicer nor the Underwriter, nor any of their counsel, officers or employees, make any representations as to the accuracy or sufficiency of the following information.

The Project

Park Montgomery Apartments (the "Project") is a multifamily residential development located on approximately three (3) acres at 8860 Piney Branch Road, Silver Spring, Montgomery County, Maryland. The Project is comprised of one (1) apartment building consisting of a basement and 14-stories, and containing a total of 143 units.

The building is of brick construction, and was built in 1970. The building is currently configured as 47-one bedroom units, 48-two bedroom units, and 48-three bedroom units. Two (2) units (out of the total 143 units) are planned for use for community purposes for the tenants. After acquisition of the Project by the Borrower, approximately 70 units will be occupied by households with income at or below 50% of the area median income, and approximately 71 units will be occupied by households with income at or below 60% of the area median income.

Upon its acquisition of the Project, the Borrower will undertake some moderate rehabilitation of the building and the units. The rehabilitation will consist primarily of systems replacement, including roof, plumbing, elevator control system and windows. Elevator cars are to be refurbished, and some unit improvements will be made, completing the program begun by the seller.

Subordinate Financing

Montgomery County, Maryland (the "County") is making a loan to the Borrower in the amount of \$1,975,000 (the "County Loan") to assist the Borrower in the acquisition of the Project. The County Loan is being made from the County's Housing Initiative Fund, will be secured by the Project, and is subordinate to the Mortgage Loan. The County Loan is for a term of 40 years and will bear interest at the annual rate of three percent (3%). No payments of principal or interest are to be made, or are to accrue, on the County Loan for the first 12 years of the County Loan term. Commencing in the 13th year of the County Loan term, interest shall accrue and the Borrower will make annual payments of principal and interest to the County, to the extent money for such payments is available from surplus cash of the Project. As a condition to the County Loan, the Borrower must for 30 years maintain at least 50% of the units in the Project as affordable to persons whose incomes are at or below 60% of the area median income.

The Section 236 Program

The Project was the subject of an Agreement for Interest Reduction Payments (the "Prior IRP Contract") between the prior owner of the Project and the Secretary of HUD, under which the Secretary makes subsidy payments to the prior owner pursuant to Section 236 of the National Housing Act, as amended, and regulations promulgated thereunder (the "Section 236 Program"). Interest reduction payments under the Prior IRP Contract are tied to the original FHA-insured mortgage loan on the Project, and have a remaining term of approximately 12 years.

The Borrower intends to preserve the Project as affordable housing pursuant to Section 236(e)(2) of the National Housing Act, as amended, as implemented by Notice H 00-8 issued on May 16, 2000. Under that Notice, interest reduction payments may continue being paid on behalf of the Borrower after the original FHA-insured mortgage is prepaid if the property is preserved as affordable housing. On November 1, 2000 HUD approved a proposal to preserve the Project and continue the interest reduction payments to the Borrower upon acquisition of the Project. HUD will enter into a new Agreement for Interest Reduction Payments (the "IRP Agreement") with the Borrower and the Administration under which HUD will be obligated to make such interest reduction payments to the Administration on behalf of the Borrower for the remaining term of the original FHA-insured mortgage (a period of approximately 12 years) unless the Borrower defaults under the terms of the IRP Agreement. See Appendix F - DESCRIPTION OF SECTION 236 PROGRAM.

In the event HUD were to terminate the interest reduction payments, such terminated payments would not be available to pay debt service on the Mortgage Loan, which could result in a default on such

Mortgage Loan; however, in case of such default, Fannie Mae's obligations under the Credit Facility would remain in effect. Nevertheless, such default could result in a special mandatory redemption of the Bonds. See "THE BONDS - SPECIAL MANDATORY REDEMPTION."

The Borrower

The Borrower is Park Montgomery Limited Partnership, a Maryland limited partnership formed for the specific purpose of acquiring, rehabilitating and owning the Project. Enterprise Housing Partners VIII Limited Partnership, a Maryland limited partnership (the "Tax Credit Limited Partner"), will be the limited partner of the Borrower with a 99.99% interest in the Borrower. The general partner of the Borrower is CPDC, Inc., a Maryland corporation ("General Partner"), and will have a 0.01% interest in the Borrower. The General Partner will have general responsibility for supervising the operations of the Borrower, and will be responsible for overseeing the acquisition, rehabilitation, and management of the Project. The principal office of the Borrower is located at 5513 Connecticut Avenue, N.W., Suite 250, Washington, D.C. 20015

The Borrower has no substantial assets other than the Project and does not intend to acquire any other substantial assets or to engage in any substantial business activities other than those related to the ownership of the Project. However, the General Partner and the principals thereof are engaged in and will continue to engage in the acquisition, development, ownership and management of similar types of housing projects. The General Partner and the principals thereof may be financially interested in, as officers, partners or otherwise, and devote substantial amount of time to, business and activities that may be inconsistent or competitive with the interests of the Project.

The obligations and liabilities of the Borrower under the Mortgage Note and Mortgage are of a nonrecourse nature and are limited to the Project and moneys derived from the operation of the Project. Neither the Borrower nor its partners have any personal liability for payments on the Mortgage Note to be applied to pay the principal of and interest on the Bonds. Furthermore, no representation is made that the Borrower has substantial funds available for the Project. Accordingly, neither the Borrower's financial statements nor those of its partners are included in this Official Statement.

The Managing Agent

The Project will be managed by AIMCO Residential Group, LP (the "Managing Agent"). The Managing Agent manages multi-family residential housing units throughout the United States. The Managing Agent is the property management affiliate of Apartment Investment Management Company ("AIMCO"), a publicly-traded real estate investment trust that owns and operates over 363,000 multi-family residential rental units throughout the United States.

The Contractor

The general contractor for the moderate rehabilitation of the Project will be Hamel Builders, Inc., Elkridge, Maryland (the "Contractor"). The Contractor has approximately 12 years of experience in the construction, rehabilitation and renovation of multi-family and commercial properties.

The Architect

The design architect for the moderate rehabilitation of the Project is Wiencek + Zavos Architects, P.C. (the "Architect") located in Gaithersburg, Maryland. The Architect has approximately 14 years of experience in planning and designing the renovation of multi-family housing facilities.

Regulatory Agreements

The Project is subject to certain regulatory agreements summarized briefly below.

The Administration and the Borrower will enter into a Regulatory Agreement and Agreement and Declaration of Covenants and Restrictions (the "Tax Regulatory Agreement") with respect to the Project in connection with the issuance of the Bonds. The Tax Regulatory Agreement imposes certain requirements on the Borrower with respect to the tax-exempt status of the Bonds under the Code, which include, among other requirements, (a) a requirement that at least 40% of the units be set aside for rental to persons or families having incomes at or below 60% of area median gross income, adjusted for family size and determined in accordance with Section 142(d) of the Code, (b) restriction on the rents which may be charged for occupancy of such units in the Project to not more than 30% of 60% of area median income, adjusted for family size, and (c) at least 51% of the units in the Project must be rented to persons whose incomes do not exceed certain amounts established by CDA. See "APPENDIX C - SUMMARY OF CERTAIN PROVISIONS OF THE TAX REGULATORY AGREEMENT" herein for a description of the requirements affecting the operation of the Project in order to assure compliance with the Code and State law.

The Project will also be encumbered by an Extended Low-Income Housing Covenant for Low-Income Housing Tax Credits between the Borrower and the Administration required by Section 42 of the Code, which will, among other things, (a) restrict the income levels of 100% of the tenants in the Project to amounts not greater than 60% of area median income adjusted for family size, and (b) restrict the rents which may be charged for occupancy of units in the Project to not more than 30% of 60% of area median income, adjusted for family size.

The Borrower will enter into a Section 236 Use Agreement with HUD (the "Use Agreement") which will be recorded as a prior covenant against the Project in which the Borrower covenants to maintain the affordability restrictions applicable to the Project under the Section 236 Program for a period of five years beyond the expiration of the IRP Agreement. Under the Use Agreement and the IRP Agreement, units in the Project will be restricted to tenants with income levels not greater than 80% of the area median income for approximately 17 years.

The Borrower and the County will enter into a Regulatory Agreement (the "County Regulatory Agreement") that imposes a requirement on the Borrower to maintain at least 50% of the units in the Project for rental to persons or families having incomes at or below 60% of area median gross income, adjusted for family size. The County Regulatory Agreement will be subordinate to the Mortgage Loan and to the Tax Regulatory Agreement. Where there are overlapping affordability requirements the most restrictive shall apply.

Limited Recourse to Borrower

The Borrower and its partners will not (subject to certain exceptions to nonrecourse liability set forth in the Mortgage Note and the Security Instrument) be personally liable for payments on the Mortgage Note, the payments on which are to be applied to pay the principal of and interest on the Bonds; nor will the Borrower (subject to certain exceptions to nonrecourse liability set forth in the Mortgage Note and the Security Instrument) be personally liable under the other documents executed in connection with the issuance of the Bonds and the making of the Mortgage Loan. Furthermore, no representation is made that the Borrower will have substantial funds available for the Project. Accordingly, neither the Borrower's financial statements nor those of its members and managers are included in this Official Statement.

THE MORTGAGE NOTE

The Mortgage Loan will be evidenced by a Mortgage Note. The Mortgage Note will be a nonrecourse obligation of the Borrower (subject to certain enumerated exceptions to nonrecourse liability) to repay the Mortgage Loan and will be secured by the Security Instrument. The Mortgage Note will be payable in 360 consecutive level monthly installments of principal and interest (computed at the Mortgage Note Rate then in effect on the outstanding principal amount of the Mortgage Note) beginning on the first day of the month following the month in which the Closing Date occurs until the entire indebtedness evidenced by the Mortgage Note is paid in full, provided that any remaining indebtedness, if not sooner paid, will be due and payable on the thirtieth anniversary of the first day of the month following the month in which the Closing Date occurs, but in any event not later than February 1, 2031. The Mortgage Note is subject to optional and mandatory prepayment at the times, in the manner and on the terms set forth therein.

The Mortgage Note will bear interest at the “Mortgage Note Rate.” The Mortgage Note Rate for the period beginning on the Closing Date (the “Accrual Commencement Date”) to, but not including, the date on which the Mortgage Note is paid in full, is (i) 7.08% per annum for \$5,040,000 original principal balance of the Mortgage Loan and (ii) 6.39% for \$1,130,000 original principal balance of the Mortgage Loan.

The Mortgage Note Rate (as defined in the Financing Agreement) shall be comprised of:

- (a) a fixed pass-through rate of interest (the “Pass-Through Rate”), which will be a rate sufficient to pay when due the interest on the Bonds and the Third Party Fees; and
- (b) “Set Rate Interest,” which will be a percentage equivalent to the sum of (A) the Facility Fee payable to Fannie Mae and (B) the Servicing Fee payable to the Loan Servicer.

FANNIE MAE AND SERVICING FEES

Effective on the Closing Date, Fannie Mae will receive a fee (the “Facility Fee”) for providing credit enhancement for the Mortgage Loan. The Facility Fee is included in the Mortgage Note Rate. Expressed as a percentage, the Facility Fee is .47% per annum, or 47 “basis points” per annum, of the outstanding principal balance of the Mortgage Loan. The Facility Fee component of the Mortgage Note Rate accrues from and including the Accrual Commencement Date to, but not including, the date the Mortgage Note is paid in full and is payable on the first day of each month, in arrears, as part of the Mortgage Note Rate, to and including the date the Mortgage Note is paid in full.

All payments on the Mortgage Note are to be made to the Loan Servicer. The Facility Fee payable on the first day of each month to and including the date the Mortgage Note is paid in full is, as part of the Mortgage Note Rate, to be paid to and received by the Loan Servicer and remitted by the Loan Servicer solely to Fannie Mae in consideration of Fannie Mae providing the Credit Facility.

The Loan Servicer will receive a Servicing Fee for servicing the Mortgage Loan. The Servicing Fee is .45% per annum, or 45 “basis points” per annum, of the outstanding principal balance of the Mortgage Loan and accrues to, but not including, the date the Mortgage Note is paid in full. The Servicing Fee is included in the Mortgage Note Rate.

The Facility Fee and the Servicing Fee (when applicable) will be based on the unpaid principal balance of the Mortgage Loan and will be calculated and payable monthly on the principal balance of the Mortgage Loan outstanding on the first day of each month. Fannie Mae is also entitled to retain late charges or, in certain cases, to share with the Loan Servicer late charges, assumption fees, interest float on advance payments, and similar charges to the extent they are collected from the Borrower.

THE LOAN SERVICER

Berkshire Mortgage Finance Limited Partnership, a Massachusetts limited partnership (the “Loan Servicer”), will provide certain servicing functions on behalf of Fannie Mae with respect to the Mortgage Loan pursuant to applicable Fannie Mae requirements and will be paid a fee for its services.

The selection (or replacement) of the Loan Servicer is in the sole and absolute discretion of Fannie Mae. The servicing arrangements between the Loan Servicer and Fannie Mae are subject to amendment or termination from time to time without the consent of the Administration, the Trustee or the Borrower, and none of the Trustee, the Administration or the Borrower have any rights under, and none is a third party beneficiary of, the servicing arrangements between the Loan Servicer and Fannie Mae.

The Loan Servicer has its headquarters in Boston, Massachusetts. The Loan Servicer is an approved DUS seller/servicer under Fannie Mae’s Delegated Underwriting and Servicing product line.

The Loan Servicer makes no representation as to the contents of this Official Statement, the suitability of the Bonds for any investor, the feasibility or performance of the Project, or compliance with any securities, tax or other law or regulations. The Loan Servicer's role is limited to servicing the Mortgage Loan

ENFORCEABILITY OF REMEDIES

The remedies available to the Trustee, the Administration and the owners of the Bonds upon an Event of Default under the Indenture are in many respects dependent upon regulatory and judicial actions, which are often subject to discretion and delay. Under existing law and judicial decisions, the remedies provided for under the Financing Agreement, the Regulatory Agreement and the Indenture may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds, the Financing Agreement, the Regulatory Agreement and the Indenture may be qualified as to enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally, by equitable remedies and proceedings generally, by common law and statutes affecting enforceability of contractual obligations generally and by principles of public policy concerning, affecting or limiting the enforcement of remedies against governmental entities such as the Administration.

TAX MATTERS

Federal Tax Exemption

In the opinion of Hawkins, Delafield & Wood, as Bond Counsel, assuming continuing compliance with certain tax covenants, under existing law, interest on the Bonds is excludable from gross income for Federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), except that no opinion is expressed as to such exclusion of interest on any Bond for any period during which such Bond is held by a person who is a "substantial user" of the facilities financed with the Bond proceeds or a "related person," both within the meaning of Section 147(a) of the Code. In addition, however, interest on the Bonds is treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations.

Certain Ongoing Federal Tax Requirements and Covenants

The Code imposes certain significant ongoing requirements that must be met after the issuance and delivery of the Bonds in order to assure that the interest on the Bonds will be and will remain excludable from gross income for Federal income tax purposes. These requirements include, but are not limited to, requirements relating to use and expenditure of proceeds, low-income occupancy targeting, yield and other restrictions on investments of proceeds, and the arbitrage rebate requirement that certain excess earnings on investments of gross proceeds of the Bonds be rebated to the Federal Government. Noncompliance with such requirements may cause interest on the Bonds to become subject to Federal income taxation retroactive to their date of issuance, regardless of the date on which such noncompliance occurs or is discovered. The Administration has covenanted in the Indenture that it shall do and perform all acts permitted by law that are necessary or desirable to assure that interest on the Bonds will be and will remain excluded from gross income for Federal income tax purposes. The Administration will deliver its Tax Certificate concurrently with the issuance of the Bonds which will contain provisions relating to compliance with the requirements of the Code. The Administration also will require the Borrower to make certain covenants in the Loan program documents relating to compliance with the requirements of the Code. No assurance can be given, however, that in the event of a breach of any such covenant, the remedies available to the Administration or the owners of the Bonds can be enforced judicially in a manner to assure compliance with the Code and therefore to prevent the loss of the exclusion from gross income of the interest on the Bonds for Federal income tax purposes. Furthermore, such Federal tax compliance covenants will be subordinate to the rights of Fannie Mae under the Mortgage Loan documents and the enforcement of such covenants will be subject to Fannie Mae approval.

Low-income Set-aside Requirements under the Code

The Code requires that at least 95 percent of the net proceeds of exempt facility bonds under Section 142(a)(7) (after reduction for amounts applied to fund a reasonably required reserve fund) be used to provide "qualified residential rental projects." The Code defines a residential rental project as a project containing units with separate and complete facilities for living, sleeping, eating, cooking, and sanitation that are available to the general public and are to be used on other than a transient basis. Section 142(d) of the Code requires that either (i) at least 20% of the completed units in a project to be financed with the proceeds of the Bonds be continuously occupied during the "qualified project period" by individuals and families whose annual adjusted income does not exceed 50% of the area median income (with adjustments for family size), or (ii) at least 40% of the completed units in a project to be financed with the proceeds of the Bonds be

continuously occupied during the qualified project period by individuals and families whose annual adjusted income does not exceed 60% of the area median income (with adjustments for family size). The Administration will make an election on the applicable low-income set aside requirements with respect to the Project expected to be financed with the proceeds of the Bonds prior to the issuance date thereof. In addition, all of the units must be rented or available for rental on a continuous basis throughout the applicable qualified project period. The Code defines the "qualified project period" as the period beginning on the first day upon which 10% of the units in a project are occupied and ending on the latest of (i) the date that is 15 years after the date upon which 50% of the units in such project are first occupied, (ii) the first day on which no tax-exempt private activity bonds issued with respect to the Project remain outstanding, or (iii) the date upon which any assistance provided under Section 8 of the United States Housing Act of 1937, as amended, terminates. The Project generally will meet the continuing low income set-aside requirement so long as a tenant's income does not increase to more than 140% of the applicable income limitation. Generally, upon an increase of a tenant's income over 140% of the applicable income limitation, the next available unit of comparable or smaller size in the Project must be rented to a tenant whose income does not exceed the applicable income limitation. The Code requires annual certifications to be made to the Secretary of the Treasury regarding compliance with the applicable income limitations.

Certain General Federal Tax Consequences

The following is a brief discussion of certain general Federal income tax matters with respect to the Bonds under existing law. It does not purport to deal with all aspects of Federal taxation that may be relevant to a particular owner of a Bond. Prospective investors, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the Federal tax consequences of owning and disposing of the Bonds.

Interest on the Bonds is treated as a preference item in calculating alternative minimum taxable income for purposes of the alternative minimum tax imposed by the Code on individuals and corporations under Section 55 of the Code. Interest on the Bonds must also be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by Section 884 of the Code.

Prospective owners of the Bonds should be aware that the ownership of such obligations may result in collateral Federal income tax consequences to various categories of persons, such as corporations (including S Corporations and certain foreign corporations), financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits and individuals otherwise eligible for the earned income tax credit, and to taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is not included in gross income for Federal income tax purposes.

Legislation affecting municipal bonds is frequently considered by the United States Congress. There can be no assurance that legislation enacted or proposed after the date of issuance of the Bonds will not have an adverse effect on the tax-exempt status or market price of the Bonds.

State of Maryland Tax Exemption

In addition, in the opinion of Bond Counsel, under existing law, the Bonds, their transfer, the interest payable thereon, and any income derived therefrom, including any profit realized on the sale or exchange thereof, is exempt from taxation of every kind and nature whatsoever by the State of Maryland, except, that no opinion is expressed with respect to any exemption from Maryland franchise taxes or estate or inheritance taxes.

LITIGATION

There is no pending litigation of any nature restraining or enjoining or seeking to restrain or enjoin the issuance, sale or delivery of any of the Bonds or in any way contesting or affecting the validity of any of the Bonds, the Bond Resolution or other proceedings of the Secretary of Housing and Community Development taken with respect to the authorization, issuance or sale of the Bonds, or the pledge or application of any moneys under the Indenture, or the existence or powers of the Administration.

CERTAIN LEGAL MATTERS

Legal matters incident to the authorization, issuance and sale of the Bonds are subject to the approving opinion of Hawkins, Delafield & Wood, as Bond Counsel. A complete copy of the proposed form of opinion of Bond Counsel is attached hereto as Appendix G.

Certain legal matters will be passed upon for the Administration by an Assistant Attorney General of the State of Maryland as Counsel to the Department; for the Borrower by Krooth & Altman LLP, Washington, D.C.; for Fannie Mae by its Legal Department and by Arent Fox Kintner Plotkin & Kahn, PLLC, Washington, D.C.; and for the Underwriters by their counsel, Arter & Hadden LLP, Washington D.C. Fees and expenses of certain of the above-mentioned counsel are contingent upon issuance of the Bonds.

The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by the valid exercise of the constitutional powers of the State of Maryland and the United States of America and bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally, and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions on the legal issues explicitly addressed therein. By rendering a legal opinion, the opinion giver does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon or of the future performance of parties to such transaction, nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

The remedies available to the bondholders upon a default under the Indenture or Financing Agreement are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code (the federal bankruptcy code), the remedies provided in the Indenture and the Financing Agreement may not be readily available or may be limited.

CONTINUING DISCLOSURE

The Borrower will enter into a Continuing Disclosure Agreement dated as of November 1, 2000 (the "Disclosure Agreement") with the Trustee, acting as the Dissemination Agent, obligating the Borrower to send, or cause to be sent, certain financial information with respect to the Project to certain information

repositories annually and to provide notice, or cause notice to be provided, to the Municipal Securities Rulemaking Board and a state information repository, if any, of certain enumerated events for the benefit of the Beneficial Owners and Holders of any of the Bonds, pursuant to the requirements of Section (b)(5)(i) of Securities Exchange Commission Rule 15c2-12 (the "Rule"). See APPENDIX E— "FORM OF CONTINUING DISCLOSURE AGREEMENT" attached hereto.

A failure by the Borrower to comply with the provisions of the Disclosure Agreement will not constitute a default under the Indenture or Financing Agreement (although Bondholders will have any available remedy at law or in equity for obtaining necessary disclosures). Nevertheless, such a failure to comply must be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Bonds.

VERIFICATION OF CASH FLOWS

The mathematical accuracy of certain computations included in the schedules provided by the Underwriters on behalf of the Administration relating to the computation of the cash flows for the projected payments of principal and interest on the Mortgage Loan and the sufficiency of such payments together with certain amounts held under the Indenture for the payment of the principal of and interest on the Bonds and certain fees will be verified by Caine Mitter & Associates Incorporated, the Administration's financial advisor (the "Verification Agent"). The Verification Agent has restricted its procedures to verifying the arithmetical accuracy of certain computations and has not made any study or evaluation of the assumptions and information on which the computations are based and, accordingly, has not expressed an opinion on the data used, the reasonableness of the assumptions or the achievability of the projected outcome.

Sufficiency of Cash Flow

Fannie Mae does not guarantee the payment of the principal of, premium, if any, or interest on, the Bonds or the return on any investment. The interest rate on the Mortgage Loan has been established at a rate such that payments on the Mortgage Loan (and any interest earned on such payments during the period they are on deposit with the Trustee) are expected by the Borrower, on the basis of a Cash Flow Projection prepared by Arter & Hadden, LLP and verified by the Verification Agent, to be sufficient to pay the principal of and interest on the Bonds, the Servicing Fee of the Loan Servicer, the Fannie Mae Facility Fee and Third Party Fees (to the extent included in the Mortgage Note Rates). The Cash Flow Projection takes into consideration the projected investment earnings on certain moneys on deposit in the various Funds and Accounts at an assumed investment rate of 2.5%. In the event that the investment earnings on any investment is less than the return anticipated in the Cash Flow Projections or if there is an error in the Cash Flow Projections, there may not be sufficient amounts available to pay the principal of and interest on the Bonds. This could result in a payment default on the Bonds even though there is no default under the Mortgage Loan or under the Credit Facility. The remedies of the Trustee are limited in this event.

Fannie Mae has not prepared, reviewed or verified, makes no representation or warranty with respect to, does not certify to, and assumes no responsibility or liability for, any Cash Flow Projection or Verification Report, the calculations used in any Cash Flow Projection, the assumptions used in making such calculations, the mathematical accuracy of such calculations or the sufficiency of any payments based on any Cash Flow Projection to pay the principal of and interest on the Bonds when

due, any fees, including any Third Party Fees, when due, or any other amounts at any time. See "Verification of Cash Flows" herein.

RATINGS

Moody's Investors Services ("Moody's") is expected to assign the rating set forth on the cover hereof to the Bonds. Such rating expresses only the views of such rating agency. An explanation of the significance of the rating may be obtained from such rating agency at 99 Church Street, New York, New York 10007. There is no assurance that such rating will continue for any given period of time or will not be revised or withdrawn entirely by the rating agency if, in its judgment, circumstances so warrant. Any such downward revision in or withdrawal of such rating may have an adverse effect on the market price of the Bonds. Neither the Administration, the Underwriters, Fannie Mae, the Loan Servicer nor the Borrower has undertaken any responsibility to bring to the attention of the holders of the Bonds any proposed downward revision or withdrawal of a rating of the Bonds, or to oppose any such proposed downward revision or withdrawal; however, pursuant to the Disclosure Agreement, the Borrower is obligated to provide notice of any rating change to each nationally recognized municipal securities information repository.

UNDERWRITING

The Term Bonds maturing on February 1, 2031, in the aggregate amount of \$2,825,000 (the "Placed Bonds"), will be sold by the Administration pursuant to a privately negotiated transaction to an institutional investor. The remainder of the Bonds in the aggregate amount of \$3,345,000 (the "Underwritten Bonds") are being purchased on a negotiated basis by Ferris, Baker Watts Incorporated, PaineWebber Incorporated, Bear, Stearns & Co. Inc., Legg Mason Wood Walker, Incorporated, The Chapman Company, Lehman Brothers, Loop Capital Markets, L.L.C., Merrill Lynch & Co. and Salomon Smith Barney (the "Underwriters"). The Underwriters have agreed to purchase the Underwritten Bonds at a price equal to the principal amount thereof, plus accrued interest. The Underwriters will receive a fee of \$89,534.50, relating to their purchase of the Underwritten Bonds and the placement of the Placed Bonds, from which the Underwriters will pay certain expenses. The Purchase Contract with respect to the Underwritten Bonds provides that the Underwriters will purchase all but not less than all of the Underwritten Bonds. The Underwriters' and the institutional purchaser's respective obligations to make such purchases are subject to certain terms and conditions set forth in the Purchase Contract, the approval of certain legal matters by counsel and certain other conditions. The initial public offering prices of the Underwritten Bonds may be changed, from time to time, by the Underwriters. The Underwriters may offer and sell any of the Underwritten Bonds to certain dealers (including dealers depositing such Underwritten Bonds into investment trusts) and certain dealer banks and banks acting as agents at prices lower than the public offering prices stated on the inside cover page hereof. (ii) default in the payment of the principal of any Bond when and as the same becomes due, whether at the stated maturity of the Bond or upon any redemption of the Bond;

(iii) default in the observance or performance of any other of the covenants, agreements or conditions on the part of the Issuer included in the Indenture or in the Bonds (other than an Event of Default set forth in paragraph (i) or (ii) above) and the continuance of such default for a period of 30 days after written notice of the default from the Trustee to the Issuer and the Borrower (with copies of such notices to the Loan Servicer and the Credit Provider (the failure of the Trustee to provide such copies shall not excuse the default)), provided that the Credit Provider has consented in writing to the same constituting an Event of Default;

(iv) an Act of Bankruptcy; or

(v) a Wrongful Dishonor under a Credit Facility.

Non-Default and Prohibition of Mandatory Redemption Upon Event of Taxability. The occurrence of any event (a "Tax Event") which results in the interest payable on the Bonds being includable for federal income tax purposes, in the gross income of the Bondholders, including, but not limited to, any violation of any provision of the Regulatory Agreement or any of the other Bond Documents, shall not (a) constitute an Event of Default under the Indenture, the Bonds or any of the other Bond Documents, or permit any party (other than the Credit Provider) to accelerate, or require acceleration of, the Mortgage Loan or the

Bonds, or give rise to a mandatory redemption of the Bonds, unless the Credit Provider, in its sole and absolute discretion, provides written notice to the Trustee that such Tax Event constitutes an Event of Default under the Security Instrument and, by cross default, a default under the corresponding Financing Agreement, or (b) give rise to the payment to the Bondholders of any amount, denoted as "supplemental interest," "additional interest," "penalty interest," "liquidated damages" or otherwise, in addition to the amounts payable to the owners of the Bonds prior to the occurrence of the Tax Event. Nothing contained in the Indenture shall be deemed to amend or modify the terms of the Mortgage Loan Documents. Promptly upon determining that a Tax Event has occurred, the Issuer or the Trustee shall by notice in writing inform the Credit Provider and the Loan Servicer that a Tax Event has occurred and whether the Tax Event has been cured, is curable within a reasonable period, or is incurable. Notwithstanding the availability of the remedy of specific performance to cure a Tax Event that is curable within a reasonable period, neither the Issuer nor the Trustee shall have, and each of them acknowledges that, except at the direction of the Credit Provider, they shall not have, upon the occurrence of a Tax Event, any right or obligation to cause or direct acceleration of the Bonds or the Mortgage Loan, to enforce the Mortgage Note or to foreclose the Security Instrument, to accept a deed to the Project in lieu of foreclosure, or to effect any other comparable conversion of the Mortgage Loan.

Remedies; Rights of Bondholders

(ii) the occurrence of an Event of Default described in clause (iii) or (iv) above, the Trustee may, upon receiving the prior written consent of the Credit Provider, and shall, upon the written direction of the Credit Provider, by written notice to the Issuer, the Borrower, the Credit Provider, and the Loan Servicer, declare the principal of all Bonds then Outstanding (if not then due and payable) and the interest accrued, and to accrue, on the Outstanding Bonds to the date of declaration immediately due and payable; or

(i) an action in mandamus or other suit, action or proceeding at law or in equity (a) to enforce the payment of the principal of, premium, if any, or interest on the Bonds then Outstanding, (b) for the specific performance of any covenant or agreement contained in the Indenture or in the Financing Agreement or the Regulatory Agreement or (c) to require the Issuer to carry out any other covenant or agreement with Bondholders and to perform its duties under the Act;

Rights to Direct Proceedings. The Credit Provider itself or Bondholders owning not less than 51% in aggregate principal amount of Bonds then Outstanding, but only with the prior written consent of the Credit Provider, shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture or any other proceedings under this Indenture, provided that such direction shall not be otherwise than in accordance with the provisions of law and of the Indenture, and provided that the Trustee shall be indemnified to its satisfaction (except for actions required under the acceleration provisions of the Indenture). See "Rights of the Credit Provider" below.

Preservation of Security and Remedies if Wrongful Dishonor Occurs; Rights of Bondholders

Upon the occurrence and during the continuance of Wrongful Dishonor, the Trustee may proceed, and upon the written request of the holders of not less than 25% of the aggregate principal amount of the Bonds Outstanding and the receipt of indemnity reasonably satisfactory to the Trustee, shall proceed, to protect and enforce its rights and the rights of the Bondholders under the Indenture by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, whether for the specific performance of any covenant or agreement contained in the Indenture or the Financing Agreement, or in aid of the execution of any power granted in the Indenture, or in the Financing Agreement or by the Act, or for the enforcement of any legal or equitable right or remedy, as the Trustee, being advised by counsel, shall deem most effective to protect and enforce such rights or to perform any of its duties under the Indenture.

Acceleration Rescinded. If the principal of all the Bonds has been declared due and payable, and if such declaration is thereafter rescinded pursuant to the Indenture, then in the event that the principal of all the Bonds shall later become or be declared due and payable, the moneys shall be applied in accordance with the Indenture.

The Trustee

(ix) in connection with any other change which, in the judgment of the Trustee, is not materially adverse to the interests of the Bondholders.

Amendments to Financing Agreement Requiring Bondholder Consent

Except as described above under "Amendments to Financing Agreement Not Requiring Bondholder Consent," the Issuer and the Trustee shall not enter into any other modification or amendment of the Financing Agreement, nor shall any such modification or amendment become effective, without the written consent of the owners of not less than 51% in aggregate principal amount of Bonds then Outstanding, such consent to be obtained in accordance with the Indenture. No such amendment may, without the consent of the owners of all the Outstanding Bonds, reduce the amounts or delay the payments on the Mortgage Loan under the Financing Agreement, provided that any such amounts may be reduced without such consent solely to the extent that such reduction (a) results from a partial redemption from other than sinking fund installments or (b) represents a reduction in any fees payable from such amounts (including, but not limited to, a reduction in Set Rate Interest). The Trustee shall provide a copy of such modification or amendment to the Issuer, the Credit Provider, the Loan Servicer and the Borrower.

Amendments; Changes and Modifications to the Credit Facility and the Regulatory Agreement

The Credit Facility. The Trustee may, without notice to or the consent of the owners of the Bonds, accept any amendment to a Credit Facility (a) in connection with any change in the Credit Facility, including a revised Mortgage Loan Payment Amortization Schedule to the Credit Facility as a result of a partial prepayment and re-amortization of the Mortgage Loan or otherwise or (b) as may be required for purposes of curing any ambiguity, formal defect or omission which is not materially adverse to the interests of the Bondholders or which does not prejudice in any material respect the interests of the Bondholders. Except for such amendments, the Credit Facility may be amended only with the written consent of the owners of not less than 51% in aggregate principal amount of Bonds then Outstanding, except that, without the written consent of the owners of all Outstanding Bonds, no amendment may be made to the Credit Facility which would reduce the amounts required to be paid under the Credit Facility or change the time for payment of such amounts; provided that any such amounts may be reduced without such consent solely to the extent that such reduction represents a written agreement to reduce fees payable from such amounts.

The Tax Regulatory Agreement. Subject to the Indenture, the Borrower, the Trustee and the Issuer may enter into any amendment or modification of the Tax Regulatory Agreement without the consent of the owners of the Bonds, provided that the Borrower shall furnish to the Trustee and the Issuer (a) an Opinion of Bond Counsel to the effect that such amendment or modification of the Regulatory Agreement will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes and (b) the written consent of the Credit Provider.

Rights of the Credit Provider

Notwithstanding anything contained in the Indenture to the contrary, all provisions of the Indenture regarding consents, approvals, directions, waivers, appointments, requests or other actions by the Credit Provider will be deemed not to require or permit such consents, approvals, directions, waivers, appointments, requests or other actions and will be read as if the Credit Provider were not mentioned therein (a) during any period during which there is a Wrongful Dishonor under the Credit Facility, or (b) after the Credit Facility ceases to be valid and binding on the Credit Provider, or will be declared to be null and void by final judgement of a court of competent jurisdiction; provided, however, that the payment of amounts due to the Credit Provider pursuant to the terms of the Indenture will continue in full force and effect.

APPENDIX C

SUMMARY OF CERTAIN PROVISIONS OF THE TAX REGULATORY AGREEMENT

The following is a summary of certain provisions of the Tax Regulatory Agreement. This summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Tax Regulatory Agreement, a copy of which is on file with the Trustee.

Residential Rental Property

Under the Tax Regulatory Agreement, the Borrower or any subsequent owner of the Project agrees, among other things, that (a) none of the units in the Project shall at any time be used on a transient basis, none of the units in the Project shall ever be leased or rented for a period of less than 30 days, and no part of the Project shall ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, hospital, nursing home, sanitarium, rest home, or trailer park or court; (b) all of the units in the Project shall be rented or available for rental on a continuous basis to members of the general public, and the Borrower shall not give preference in renting units to any particular class or group of persons except as may be required in order to comply with the restrictions contained in the Tax Regulatory Agreement; (c) the Project will not be owned or leased by a cooperative housing corporation; (d) the Borrower will permit the Issuer, the Trustee, or any monitoring agent appointed by the Issuer or any of their respective officers, agents, or employees, after prior notice and at reasonable intervals during normal business hours, to inspect the Project, and to inspect the books and records of the Borrower pertaining to the occupancy of the Project and any certifications relating thereto; and (e) neither the Borrower nor any employee of the Borrower will occupy any unit in a building that has fewer than five units.

The Tax Regulatory Agreement provides that the foregoing requirements will be complied with during the period beginning on the first day on which at least 10% of the units in the Project were first occupied following issuance of the Bonds, and ending on the latest of (i) the date which is 15 years after the date on which 50% of the units in the Project were first occupied following issuance of the Bonds, (ii) the date on which any assistance provided with respect to the Project under Section 8 of the United States Housing Act of 1937 terminates, or (b) the first day on which no tax-exempt bond issued with respect to the Project is outstanding (the "Qualified Project Period").

Lower Income Tenants and Occupancy Requirements

In addition to the federal tax law requirements described below regarding Lower Income Tenants, the Act imposes additional requirements with respect to Families of Limited Income, which are summarized below under the caption "Additional Covenants Required by the Issuer".

In order to satisfy the requirement of Section 142 of the Code that 40% or more of the units in the Project are occupied by individuals having incomes of 60% or less of the area median gross income, and in order to provide for compliance with certain of the conditions and requirements imposed by the Issuer as conditions precedent to its issuance of the Bonds, the Borrower will agree that at all times during the Qualified Project Period, 40% of the units in the Project shall be rented to and occupied by individuals or families whose income is 60% or less of the area median gross income, adjusted for family size ("Lower Income Tenants"). For purposes of satisfying this covenant, increases in a Lower Income Tenant's income of up to 140% of the applicable limit will not result in disqualification. If the Lower Income Tenant's income

increases to a level of more than 140% of the applicable limit, the Lower Income Tenant may no longer be counted among the 40% of units that satisfy the requirement unless thereafter the next units of comparable or smaller size which become available are rented to Lower Income Tenants until the Project is again in compliance.

Tax-Exempt Status of Bonds

(a) The Borrower will represent, warrant and covenant that it has not and will not take any action or fail to take any action, which would adversely affect the exclusion from gross income for federal income tax purposes of interest payable on any CDA tax-exempt bonds.

(b) The Borrower covenants that all of the proceeds of the Mortgage Loan will be used to finance buildings and equipment that qualify as a qualified residential rental project within the meaning of Section 142(d) of the Code.

Limitation Upon Transfer or Other Disposition of Project

(a) The Borrower will not sell, convey, transfer, or otherwise dispose of the Project without the prior written consent of the Issuer and the Trustee, which consent will not be unreasonably withheld. Notwithstanding any other provision of the Tax Regulatory Agreement, the consent of the Issuer will not be required for any transfer of the Project to the Credit Provider or its designee, and nothing in the Tax Regulatory Agreement will be interpreted to restrict, prohibit, or require the consent of any party to, or be applicable with respect to a transfer of title to the Project as a result of the exercise of any rights or remedies under any mortgage or deed of trust, including a transfer as a result of a foreclosure or pursuant to a deed in lieu of foreclosure.

(b) The Borrower will not cause or permit the Bonds to be refunded without the written consent of the Issuer.

Additional Covenants Required by the Issuer

The Issuer has established additional requirements as conditions precedent to its participation in the refinancing of rental housing projects such as the Project (the "State Requirements"), including those summarized below:

(a) 51% of the total number of units in the Project (the "Designated Units") must be rented to "Families of Limited Incomes", which is defined as a single person or two or more persons who occupy the same unit, and whose annual income does not exceed the upper income limits established from time to time by the Secretary of the Department pursuant to the Act. The 40% established by federal law is credited against the 51% established by State law.

(b) Except as otherwise provided in the Tax Regulatory Agreement, the Borrower may not approve any person or family for occupancy unless, at the time of approval, the Designated Units have been rented in the proportion required in the Tax Regulatory Agreement to Families of Limited Income and to Lower Income Tenants.

- (c) The Borrower may not require as an initial condition of the leasing of any unit in the Project, and may neither accept or allow any employee or agent to accept, any consideration other than the prepayment of the first month's rent plus security deposit not in excess of one month's rent.
- (d) The Borrower will comply with all legal requirements prohibiting discrimination in housing on the grounds of race, color, religion, sex, handicap, familial status, or national origin, and in the renting and occupancy of units in the Project, there will be no discrimination against households with children.
- (e) The Borrower shall monthly, within 15 days after they are provided to Credit Provider or the Loan Servicer, provide the Issuer copies of its monthly property operating statements.
- (f) The Borrower will permit the Issuer to inspect the physical conditions of the units in the Project on an annual basis, or more often as deemed necessary by the Issuer, to ensure that the Project continues to meet the Issuer's requirements for safe, decent, and sanitary housing.
- (g) The Borrower will provide the Issuer with written notice of any rent increase for units in the Project within 30 days of any increase.
- (h) The Management Agreement to be executed between the Borrower and its management agent shall be substantially in the form attached to the Tax Regulatory Agreement as an exhibit and will not be materially modified without the mutual consent of the parties and the Issuer. Any successor management agent will be approved or rejected by the Issuer in accordance with the Management Agreement within 30 days of a request therefor, and the consent of the Issuer will not be unreasonably withheld.
- (i) The Issuer will have the right to terminate the Management Agent with Cause, as that term is defined in the Management Agreement, under the circumstances and procedures specified in the Management Agreement.
- (j) The Borrower will maintain the Project in decent, safe and habitable condition.

Annual Report and Certifications

- (a) The Borrower will submit to the Issuer within 30 days after each anniversary date of commencement of the Qualified Project Period, a report certified as accurate by or on behalf of the Borrower (a) identifying the tenancies, the dates of occupancy (or vacancy) and the monthly rentals for all Designated Units at all times during such year, and the commencement date of each tenancy; (b) stating the percentage of the units that were occupied, or treated as if occupied, by Lower Income Tenants or Families of Limited Income (or held vacant and available for occupancy by Lower Income Tenants or Families of Limited Income) during each calendar month of such year; (c) stating that, to the best knowledge of the person executing such certificate after due inquiry, (i) all units were rented or available for rental on a continuous basis during such year to members of the general public except for units either occupied by Families of Limited Income or Lower Income Tenants or held vacant for repair or restoration or occupied by resident employees of the Borrower, which units and the periods of vacancy or occupancy shall be specified, (ii) approximately 51% of the units were Designated Units, (iii) the Designated Units were reasonably distributed throughout the Project and not grouped together or concentrated in one portion of the Project, and (iv) there was no discrimination against households with children in the renting and occupancy of units in the Project; (d) certifying that any Designated Units which were vacant at any time during the preceding year were not occupied at any time by any person who was not a Lower Income Tenant or Family of Limited Income for

a period exceeding 31 days; (e) certifying that all things necessary and all actions required to assure compliance with the Borrower's obligations under the Tax Regulatory Agreement and management and operation of the Project in accordance with the Code have been done, do exist and are continuing; and (f) certifying that the Borrower was not, to the best of its knowledge, otherwise in default in any material respect under the Tax Regulatory Agreement during such year.

(b) The Issuer shall be entitled to rely on the information contained in the reports required under this section of the Tax Regulatory Agreement and will have no duty to make independent investigation as to their accuracy.

Consideration; Beneficiaries

The Borrower will represent, and warrant that the issuance and sale of the Bonds by the Issuer and the use of the proceeds thereof to make the Mortgage Loan to the Borrower are necessary for the Borrower to finance the costs of the Project. The Borrower will acknowledge that the restrictions, covenants, and provisions contained in the Tax Regulatory Agreement are necessary to ensure that (i) the Project will be operated as a Project for residential rental housing within the meaning of the Code, (ii) the interest on the Bonds in the hands of the Bondholders will be exempt from federal income tax under the Code, and (iii) the Project will continue to qualify as a "community development project" as defined in the Act. Therefore, the Borrower will agree and acknowledge that (x) the Issuer has relied on the Tax Regulatory Agreement in determining to issue and sell the Bonds, and (z) each of the Bondholders has relied on this Agreement in determining to purchase or otherwise become the registered owner or owners of any of the Bonds.

Covenants to Run With Land

The Borrower and the Issuer agree that the covenants, restrictions and provisions set forth in the Tax Regulatory Agreement shall be deemed covenants running with the land on which the Project is situated and an equitable servitude for the benefit of the Issuer, the Bondholders, and the Trustee, and shall pass to and be binding upon the Project and all owners of the Project.

Duration, Termination and Modification

Unless terminated sooner as provided in the Tax Regulatory Agreement, the covenants and restrictions shall continue in full force and effect during the Qualified Project Period. The Tax Regulatory Agreement or any provision in it may be terminated, modified or extended upon an amendment to the Code provided the Issuer obtains an opinion of Bond Counsel to the effect that upon such termination, extension or amendment, interest on the Bonds shall remain excludable from gross income for federal income tax purposes.

The provisions, restrictions and covenants of the Tax Regulatory Agreement will automatically terminate in the event of involuntary non-compliance caused by condemnation, fire, seizure, requisition, foreclosure, transfer or title by a deed in lieu of foreclosure, change in a federal law or action of a federal agency after the Bonds are issued which prevents compliance with the covenants and restrictions, but only if, within a reasonable period, either (i) the Bonds are redeemed and paid in full, or (ii) amounts received as a consequence of such event are used to provide a project which meets the requirements of Section 142(d) of the Code.

The State Requirements shall remain in effect and shall bind the Borrower and its successors and assigns so long as the Bonds or the Loan are outstanding.

Remedies; Enforceability

In the event of a violation of, non-compliance with or default under any of the restrictions, covenants or provisions of the Tax Regulatory Agreement, either the Issuer, the Trustee or any monitoring agent appointed by the Issuer may institute and prosecute any action or proceeding at law or in equity to abate, prevent or enjoin any such violation, non-compliance or default or to avail itself of any other remedy permitted by law, or take such other action to correct any violation or, non-compliance with, or default under any of such restrictions, covenants or agreements.

In addition, in the event that the violation, non-compliance or default results from the occupancy of any Designated Unit by one or more persons who were not Lower Income Tenants or Families of Limited Income at the time he, she or they commenced occupancy of such unit, the Issuer, the Trustee or such monitoring agent, may institute or cause the Borrower to institute, an action to evict or otherwise terminate the occupancy of a Designated Unit by one or more persons who are not Lower Income Tenants or Families of Limited Income without regard to the remaining term of the lease.

Except for the provisions of the Tax Regulatory Agreement regarding enforcement of the Tax Regulatory Agreement by the Issuer, Trustee, and any monitoring agent, so long as Credit Provider is not in default of its obligations under the Credit Facility, neither the Issuer, the Trustee, the monitoring agent nor any other person shall: (a) initiate or take any action that would interfere with or attempt to influence the exercise by Credit Provider of any of its rights under the Mortgage Loan Documents; or (b) upon the occurrence of any default under the Mortgage Loan Documents, take any action to accelerate or otherwise commence foreclosure, enforce payment or seek other remedies with respect to the Mortgage Loan Documents while the Credit Facility is in effect.

Except as provided in the Tax Regulatory Agreement, all obligations of the Borrower under the Tax Regulatory Agreement for the payment of money and all claims for damages against the Borrower caused by breach by the Borrower of its obligations under the Tax Regulatory Agreement, including indemnification obligations, shall not be a lien on the Project, and no person shall have the right to enforce such obligations other than directly against the Borrower. No subsequent owner of the Project shall be liable or obligated for the breach or default of any obligation of the Borrower under the Tax Regulatory Agreement on the part of any prior owner. These obligations are enforceable against the person who was the Borrower at the time the default or breach was alleged to have occurred, and that Person shall remain liable for any damages occasioned thereby even after that person ceases to be the Borrower. The Tax Regulatory Agreement will not be deemed to create a lien or security interest of any kind in the Project in favor of the Issuer, the Trustee, or any other person with respect to any monetary obligations of the Borrower arising under the Tax Regulatory Agreement, and no such person will have recourse to the Project in respect thereof. Notwithstanding the foregoing, nothing therein will prohibit the Issuer from exercising any right or remedy at law that may result in a judgment lien being filed against the property of the Borrower.

The occurrence of an event of default under the Tax Regulatory Agreement will not be deemed, under any circumstances whatsoever, to be a default under the Mortgage Loan Documents, except as may be otherwise specified in the Mortgage Loan Documents. The maturity date of the Mortgage may be accelerated solely by the Credit Provider on the occurrence of a default on the part of the Borrower under the Mortgage Loan Documents in accordance with their terms, and for no other reason.

Amendments

Notwithstanding a determination by the Issuer that compliance with the Code or any other applicable provision of federal law is no longer necessary to assure the tax-exempt status of the Bonds, unless otherwise agreed by the Issuer (i) the State Requirements shall continue to apply to the Project as long as the Bonds or the Loan are Outstanding, and (ii) to the extent that the occupancy requirements for Lower Income Tenants are no longer in force, the occupancy requirements for Families of Limited Income shall be expanded so that the total number of units restricted to Families of Limited Income is equal to 51% of the units in the Project.

Priority of Mortgage Loan Documents

The terms, covenants and restrictions of the Tax Regulatory Agreement shall at all times hereafter remain subject and subordinate, in all respects, to the liens, rights and interests created under the Mortgage Loan Documents, except as otherwise provided in the Tax Regulatory Agreement with respect to restrictions on transfer of the Project, the exercise of remedies, the State Requirements and provisions necessary to maintain the tax-exempt status of the Bonds.

Rights of Fannie Mae

- (a) Notwithstanding anything contained in the Tax Regulatory Agreement to the contrary, all provisions regarding consents, approvals, directions, waivers, appointments, requests, or other actions by the Credit Provider will be deemed not to require or permit such consents, approvals, directions, waivers, appointments, requests or other actions and will be read as if the Credit Provider were not mentioned therein during any period during which there is a payment default under the Credit Facility. The foregoing shall not affect any other rights of the Credit Provider.
- (b) The parties to the Tax Regulatory Agreement recognize and agree that the terms of the Tax Regulatory Agreement and the enforcement thereof are essential to the security of the Credit Provider and are entered into for the benefit of the Credit Provider. The Credit Provider will have contractual rights in the Tax Regulatory Agreement and will be entitled (but not obligated) to enforce, separately or jointly with the Issuer and the Trustee, or to cause the Issuer or the Trustee to enforce, the terms of the Tax Regulatory Agreement. In addition, the Credit Provider is intended to be and will be a third-party beneficiary of the Tax Regulatory Agreement and will have the right (but not the obligation) to enforce the terms of the Tax Regulatory Agreement insofar as the Tax Regulatory Agreement sets forth obligations of the Borrower.
- (c) All provisions relating to the rights of the Credit Provider will be of no force and effect if there is no Credit Facility in effect and there are no Bonds in which the Credit Provider has a security interest pursuant to the Pledge Agreement (as defined in the Indenture) and all amounts owing to the Credit Provider under the Reimbursement Agreement have been paid.

APPENDIX D

SUMMARY OF CERTAIN PROVISIONS OF THE FINANCING AGREEMENT

The following is a summary of certain provisions of the Financing Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Financing Agreement, a copy of which is on file with the Trustee.

The Mortgage Loan

Terms. The Mortgage Loan shall (a) be evidenced by the Mortgage Note, (b) be in a principal amount approved by the Credit Provider, (c) bear interest at the Mortgage Note Rate, (d) be payable on the terms provided in the Mortgage Note, (e) be secured by, among other instruments, the Security Instrument and as otherwise provided in the other Mortgage Loan Documents and/or the Financing Agreement and (f) be subject to optional and mandatory prepayment at the times, in the manner and on the terms, and have such other terms and provisions as are, set forth in the Mortgage Loan Documents.

Mortgage Loan Payments. All regularly scheduled payments due under the Mortgage Note shall be timely paid by the Borrower, when due, in immediately available funds. All payments of interest, principal or other amounts payable by the Borrower under the Mortgage Note shall be paid to the Loan Servicer (or other entity then servicing the Mortgage Loan for the Credit Provider), provided, however, that amounts representing payments on the Interest Payment Reduction Agreement shall be paid directly to the Trustee. Payments received by the Loan Servicer are to be remitted (net of Set Rate Interest) to the Trustee. The Borrower agrees to hold the Issuer, the Trustee, the Loan Servicer and the Credit Provider harmless from any liability on account of any failure of the Borrower to make such payments.

Prepayment

Optional Prepayment and Redemption. In the event of an optional redemption of Bonds pursuant to the Indenture, the Borrower shall timely pay, or cause to be paid, (a) an amount equal to the unpaid principal balance of the Mortgage Loan, (b) interest on the Mortgage Loan to the date of prepayment, (c) interest payable on the Bonds to the redemption date, (d) the premium, if any, payable with respect to the Bonds (the premium to be paid with Available Moneys), (e) any other amount (to be paid with Available Moneys) that is part of the End Period Payment, (f) an amount sufficient to pay any fees, costs and expenses in connection with such redemption and (g) all other amounts payable under the Bond Documents and the Mortgage Loan Documents in connection with the prepayment of the Mortgage Loan and the corresponding redemption of the Bonds on the applicable redemption date.

Mandatory Prepayment and Special Mandatory Redemption. In the event of a mandatory prepayment of the Mortgage Loan in connection with a special mandatory redemption of Bonds:

- (i) in whole or in part, pursuant to those provisions of the Indenture relating to casualty or condemnation, the Borrower shall timely pay or cause to be paid (a) in the event of the involuntary destruction or loss of the Project in its entirety or nearly in its entirety as a result of casualty or condemnation, the unpaid principal balance of the Mortgage Loan and an amount sufficient to effect the corresponding redemption of the Bonds on the applicable redemption date or (b) in the event of an involuntary destruction or loss of the Project in part as a result of a casualty or condemnation, a principal amount equal to the insurance or condemnation proceeds received by

the Borrower and applied, in accordance with the Mortgage Loan Documents, to the prepayment, in part, of the Mortgage Loan and the corresponding redemption of Bonds on the applicable redemption date and, in the case of (a) or (b), (1) interest on the Mortgage Loan to the date of prepayment, (2) interest payable on the Bonds to be redeemed to the redemption date, (3) an amount sufficient to pay any fees, costs and expenses in connection with such redemption and (4) all other amounts payable under the Bond Documents and the Mortgage Loan Documents in connection with the prepayment of the Mortgage Loan and the corresponding redemption of the Bonds to be redeemed on the applicable redemption date; and

(ii) in whole or in part pursuant to those provisions of the Indenture relating to events of default under the Security Instrument or the Financing Agreement, the Borrower shall timely pay, or cause to be paid (a) the principal amount of the Mortgage Loan if the redemption is in whole, or a principal amount of the Mortgage Loan corresponding to the principal amount of Bonds, as specified by the Credit Provider to be redeemed at the written direction or with the prior written consent of the Credit Provider, if the redemption is in part, (b) interest on the Mortgage Loan to the date of prepayment, (c) interest payable on the Bonds to be redeemed to the redemption date, (d) an amount sufficient to pay any fees, costs and expenses in connection with such redemption and (e) all other amounts payable under the Bond Documents and the Mortgage Loan Documents in connection with the prepayment of the Mortgage Loan and the corresponding redemption of the Bonds to be redeemed on the applicable redemption date.

Nonrecourse Liability

The obligations of the Borrower under the Mortgage Note are secured by the Security Instrument and are non-recourse obligations as and to the extent set forth in the Mortgage Note. Except for obligations under the Financing Agreement which are obligations under the Mortgage Note, the obligations of the Borrower under the Financing Agreement shall (i) be unsecured general obligations of the Borrower with recourse to the Borrower personally, (ii) be subordinate and junior in priority, right of payment and all other respects to any and all obligations of the Borrower (a) with respect to the Reserved Rights or (b) to the Credit Provider under or in respect of the Mortgage Loan Documents and Credit Facility Agreement, and (iii) shall not be secured by or constitute a lien on the Project in any manner.

Covenants of the Borrower

The covenants contained in the Financing Agreement are not intended to modify or limit any provisions of the Mortgage Loan Documents.

Maintenance of Project; Insurance; Operation. The Financing Agreement obligates the Borrower to (a) own and operate the Project (1) in accordance with the requirements of the Financing Agreement, the Regulatory Agreements, the Mortgage Loan Documents, the Act and with all other applicable federal, state and local laws, ordinances, orders, rules and regulations, including, without limitation, those relating to zoning, building, safety and environmental quality, and (2) strictly for Project Purposes, (b) keep and maintain the Project, including all appurtenances to it and any personal property in or on the Project (other than property of tenants), in good repair and good operating condition and (c) insure the Project as required by the Mortgage Loan Documents.

Taxes; Other Governmental Charges and Utility Charges. The Financing Agreement obligates the Borrower to pay, or cause to be paid, promptly as the same become due and payable, every obligation of

every kind and nature, foreseen or unforeseen, for the payment of which the Issuer, the Trustee or the Credit Provider, or any other party, is or may become liable by reason of its or their estate or interest in the Project, by reason of any right or interest of the Issuer, the Trustee or the Credit Provider in or under the Financing Agreement, or by reason of or in any manner connected with or arising out of the possession, operation, maintenance, alteration, repair, rebuilding, use or occupancy of the Project or any portion of it, including, without limitation, all taxes, assessments, whether general or special, and governmental charges of any kind that may at any time be lawfully assessed or levied against or with respect to the Project or any machinery, equipment or other property installed or brought by the Borrower in or on the Project; provided that any amounts payable under the Financing Agreement that are also required to be paid by the terms of the Security Instrument shall be paid on the terms provided in the Security Instrument. Upon request, the Borrower will furnish to the Issuer, the Trustee, the Loan Servicer and the Credit Provider proof of the payment of any such tax, assessment or other governmental or similar charge, or any other charge payable by the Borrower.

Compliance With Laws. The Financing Agreement obligates the Borrower to, throughout the term of the Financing Agreement, promptly comply or cause compliance with all laws, ordinances, rules, regulations and requirements of duly constituted public authorities which may be applicable to the Project or to the rehabilitation, repair and alteration of the Project, or to the use or manner of use of the Project, including, but not limited to, the Act, the ADA, Environmental Laws and all federal, State and local labor, health and safety laws, rules and regulations. Subject to the provisions of the Mortgage Loan Documents, the Borrower may, at its expense and in its own name, provided it is not in default under any Mortgage Loan Document or any Bond Document, in good faith contest compliance with any such legal requirement and, in the event of any such contest, upon notice to the Issuer, the Trustee, the Loan Servicer and the Credit Provider, may permit the legal requirement so contested to remain in noncompliance during the pendency of such contest and any appeal from it, unless the Issuer, the Trustee, the Loan Servicer or the Credit Provider shall notify the Borrower that, in the opinion of counsel to the Issuer, the Trustee, the Loan Servicer or the Credit Provider, noncompliance with any such legal requirement may subject the Project or any part of it to foreclosure or forfeiture, in which event the legal requirement must be complied with. Nothing contained in the provision of the Financing Agreement described in this paragraph is intended to modify or limit any provisions of the Regulatory Agreements or any Mortgage Loan Document.

Maintenance of Legal Existence. During the term of the Financing Agreement, the Financing Agreement obligates the Borrower to maintain its existence and good standing and to not terminate, dissolve or dispose of all or substantially all of its assets; provided, however, that the Borrower may, with the prior written consent of the Credit Provider and the Issuer, consolidate with or merge into another entity or permit one or more other entities to consolidate with or merge into it, or transfer all or substantially all of its assets to another entity, but only on the conditions that (a) the assignee entity or the entity resulting from or surviving a merger or consolidation (if other than the Borrower), or the entity to which a transfer shall be made, is duly organized and existing and in good standing under the laws of a state of the United States of America, is qualified to do business in and is in good standing under the laws of the State and will remain so continuously during the term of the Financing Agreement, and expressly assumes in writing and agrees to perform all of the Borrower's obligations under the Borrower Documents, (b) the Borrower delivers an Opinion of Bond Counsel to the Issuer, the Trustee, the Credit Provider and the Loan Servicer to the effect that the consolidation or merger will not cause the interest payable on the Bonds to be included in gross income for federal income tax purposes and (c) any transfer of the Project is effected in accordance with the terms of the Tax Regulatory Agreement and the Mortgage Loan Documents. Nothing in the Financing Agreement shall be deemed to relieve the Borrower of its obligations to comply with the provisions of the Mortgage Loan Documents.

Disposition of Project. The Financing Agreement obligates the Borrower not to sell, transfer or otherwise dispose of the Project except as permitted by the Tax Regulatory Agreement and the Security Instrument. The Borrower agrees that any sale, transfer or other disposition of the Project in violation of the Financing Agreement shall be null, void and without effect and shall be ineffective to relieve the Borrower of its obligations under the Financing Agreement, provided that the provision of the Financing Agreement described in this paragraph shall not be construed to prohibit (a) the granting by the Borrower of (1) the Security Instrument or (2) any other subordinate instrument or instruments approved by the Credit Provider (each, in this clause (a)(2), a "Subordinate Mortgage"), provided that each Subordinate Mortgage shall be subject to a subordination agreement (the "Subordination Agreement") in form and substance acceptable to the Credit Provider, or (b) the (1) foreclosure of the Security Instrument, acceptance of a deed-in-lieu of foreclosure or comparable conversion of the Mortgage Loan or (2) the foreclosure of any Subordinate Security Instrument by the holder of the Mortgage Note or the beneficiary of the Subordinate Security Instrument subject, in all cases, to the terms and conditions of the applicable Subordination Agreement.

Damage, Destruction and Condemnation

If prior to full payment of the Bonds (or provision for payment of the Bonds in accordance with the provisions of the Indenture) the Project or any portion of it is destroyed (in whole or in part) or is damaged by fire or other casualty, or title to, or the temporary use of, the Project or any portion of it shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, or shall be transferred pursuant to an agreement or settlement in lieu of eminent domain proceedings, the Borrower shall nevertheless be obligated to continue to pay the amounts specified in the Financing Agreement and in the Mortgage Note to the extent the Mortgage Loan is not prepaid in accordance with the terms of the Mortgage Loan Documents.

Events of Default and Remedies

Events of Default. Each of the following shall constitute an event of default under the Financing Agreement:

- (i) the failure by the Borrower to pay any amounts due under the Financing Agreement at the times and in the amounts required by the Financing Agreement (other than a failure to pay that portion of the Trustee's Annual Fee which is not included in the Mortgage Note Rate);
- (ii) the failure by the Borrower to observe or perform any covenants, agreements or obligations in the Financing Agreement on its part to be observed or performed (other than as provided in paragraph (i) above) for a period of 30 days after receipt of written notice from the Trustee specifying such failure and requesting that it be remedied; provided, however, that if the failure is such that it cannot be corrected within such period, it shall not constitute an Event of Default if the failure is correctable without material adverse effect on the validity or enforceability of the Bonds or on the exclusion from gross income, for federal income tax purposes, of the interest on the Bonds, and if corrective action is instituted by the Borrower within such period and diligently pursued until the failure is corrected, and provided further that any such failure shall have been cured within 90 days of receipt of notice of such failure;
- (iii) the occurrence of a default under the Regulatory Agreements, including any exhibits to the Regulatory Agreements;

- (iv) the determination by the Issuer, the Trustee, the Loan Servicer or the Credit Provider that any representation or warranty made by the Borrower in the Financing Agreement or in any document delivered by or on behalf of the Borrower to the Trustee, the Loan Servicer, the Credit Provider or the Issuer in connection with the Project, the Mortgage Loan or the Bonds was untrue or misleading in any material respect as of the date made or deemed made;
- (v) the occurrence of an Event of Default under and as defined in the Indenture or under and as defined in any other Bond Document caused by the Borrower's failure to comply with the terms or conditions of any such Bond Document;
- (vi) the occurrence of any of the following: the Borrower shall generally not pay its debts as they become due, or shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors or shall institute any proceeding or voluntary case seeking to adjudicate it a bankrupt or insolvent or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief or protection of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official for it or for any substantial part of its property; or the Borrower shall take any action to authorize any of the actions described in this paragraph, or any proceeding shall be instituted against the Borrower seeking to adjudicate it a bankrupt or insolvent or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief or protection of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official for it or for any substantial part of its property, and, if such proceeding is being contested by the Borrower in good faith, such proceeding shall remain undismissed or unstayed for a period of 60 days;
- (vii) the filing or making of any claim against the Trust Estate as a result of any action or proceeding described in the preceding clause (vi) by, or with respect to, the Issuer; or
- (viii) an Event of Default as a result of a determination by the Credit Provider pursuant to the Financing Agreement.

Cross Default. The occurrence of a default under the Mortgage Loan Documents shall not constitute an Event of Default under the Financing Agreement unless the default is declared by the Credit Provider, in its sole and absolute discretion, to be an Event of Default under the Financing Agreement, such declaration to be made by written notice to the Trustee. The occurrence of an Event of Default under the Financing Agreement shall not constitute a default under any Mortgage Loan Document unless the Event of Default is declared by the Credit Provider, in its sole and absolute discretion, to be a default under the Mortgage Loan, such declaration to be made by written notice to the Trustee.

Remedies Upon an Event of Default

General. Whenever any Event of Default shall have occurred and be continuing under the Financing Agreement, the Trustee may take any one or more of the following remedial steps:

- (i) give immediate notice to the Issuer, the Loan Servicer, and the Credit Provider and, if the Event of Default is the failure to receive a Required Mortgage Payment (as defined in the Credit Facility), the Trustee shall present an appropriate certificate for an Advance under the Credit Facility; or

(ii) if the principal and interest accrued on the Bonds shall have been declared immediately due and payable pursuant to the Indenture, the Trustee shall give notice to the Issuer, the Loan Servicer and the Credit Provider and present an appropriate certificate for an Advance under the Credit Facility; provided, however, that if the Trustee shall rescind or annul a declaration of acceleration of Bonds pursuant to the Indenture, the Issuer, the Loan Servicer, the Trustee and the Credit Provider shall be restored to their former rights and positions, and all rights, duties and obligations of the parties shall continue as if no adverse proceeding had been taken, subject to the limits of any adverse determination; or

(iii) take such action as is permitted by the Mortgage Loan Documents but only with the prior written consent of the Credit Provider; or

(iv) to the extent of any insufficiency in the payment of the Bonds after the Trustee shall have received an Advance under the Credit Facility, the Trustee may, by any suit, action or proceeding, pursue all remedies now or hereafter existing at law or in equity to collect all amounts then due and thereafter to become due under the Financing Agreement, to enforce the performance of any covenant, obligation or agreement of the Borrower under the Financing Agreement (subject to the nonrecourse provisions of the Financing Agreement and the Regulatory Agreements) or to enjoin acts or things which may be unlawful or in violation of the rights of the Issuer or the Trustee; or

(v) at the written direction or with the prior written consent of the Credit Provider, apply in any court of competent jurisdiction for specific performance by the Borrower of its covenants, obligations and agreement under the Financing Agreement or for injunctive relief to prevent any violation of the covenants, obligations or agreements on the part of the Borrower to be observed or performed under the Financing Agreement (the Borrower acknowledges and agrees that money damages alone would not be an adequate remedy at law for a default by the Borrower arising from a failure to comply with the Financing Agreement; therefore, the Borrower agrees that the remedy of specific performance or injunctive relief shall be available to the Trustee in any such case); or

(vi) at the written direction or with the prior written consent of the Credit Provider, take whatever other action at law or in equity may appear necessary or desirable to enforce any obligation of the Borrower under the Financing Agreement.

In addition, upon the occurrence of an Event of Default, the Issuer, the Credit Provider, the Loan Servicer, and the Trustee shall have access to and may inspect, examine, audit and make copies of the books and records and any and all accounts, data and income tax and other tax returns of the Borrower.

Permitted Cures by the Borrower of an Event of Default. The Trustee may, with the prior written consent of the Credit Provider, or, at the written direction of the Credit Provider, permit the Borrower, for a period specified by the Credit Provider, to cure any default under the Mortgage Note and the Security Instrument, but only if (a) the Borrower pays to the Trustee or the Loan Servicer, as the case may be, for proper remittance, all overdue payments of principal and interest on the Mortgage Note, (b) the Borrower cures any nonmonetary defaults under the Mortgage Note, the Security Instrument and the other Mortgage Loan Documents to the satisfaction of the Credit Provider, and (c) the Borrower pays all fees, costs and expenses of the Trustee, the Issuer, the Loan Servicer and the Credit Provider, including, without limitation, Extraordinary Items due to the Trustee and all legal fees and expenses, incurred in connection with the default. The Borrower acknowledges in the Financing Agreement that any cure of any default will not affect any subsequent default under the Mortgage Loan Documents.

Waiver and Annulment. If, after any Event of Default, (a) all amounts which would then be payable under the Financing Agreement by the Borrower if such Event of Default had not occurred and was not continuing shall have been paid by or on behalf of the Borrower, and (b) the Borrower shall have also performed all other obligations in respect of which it is then in default under the Financing Agreement and shall have paid the reasonable fees and expenses of the Issuer, the Trustee, the Credit Provider and the Loan Servicer, including reasonable attorney fees and expenses paid or incurred in connection with such default, then, and in every such case, such Event of Default shall be waived and annulled by the Trustee, but only if so directed by the Credit Provider, in its sole and absolute discretion; no such waiver or annulment shall extend to or affect any subsequent Event of Default or impair any right or remedy consequent on such Event of Default.

If the Dissemination Agent is to provide such Annual Report to each Repository, not later than 15 Business Days prior to said date, the Borrower shall provide the Annual Report to the Dissemination Agent. The Dissemination Agent may conclusively rely upon such certification of the Borrower. In each case, the Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 4 of this Disclosure Agreement; provided that the audited financial statements of the Borrower may be submitted separately from the balance of the Annual Report. The Dissemination Agent's obligation to deliver the information at the times and with the contents described above shall be limited to the extent the Borrower has provided such information to the Dissemination Agent as required hereby.

(b) If by 15 Business Days prior to the date specified in subsection (a) for providing the Annual Report to the Repositories, the Dissemination Agent has not received a copy of the Annual Report, the Dissemination Agent shall contact the Borrower in writing to inquire if the Borrower is in compliance with subsection (a).

(c) If the Borrower does not provide a written certification to the Dissemination Agent to the effect that an Annual Report has been provided to the Repositories by the date required in subsection (a), the Dissemination Agent shall send a notice to each Repository in substantially the form attached as Exhibit A.

(d) The Dissemination Agent shall:

(i) determine each year prior to the date for providing the Annual Report the name and address of each National Repository and each State Repository, if any (insofar as determinations regarding the National Repositories are concerned, the Dissemination Agent may conclusively rely on the list of National Repositories maintained by the United States Securities and Exchange Commission); and

(ii) to the extent the Borrower has provided the Annual Report to the Dissemination Agent, file a report with the Borrower and the Issuer certifying that the information represented to the Dissemination Agent by the Borrower as the Annual Report has been provided pursuant to this Disclosure Agreement, stating the date it was provided, and listing all the Repositories to which it was provided.

9. Defeasance of the Bonds;
10. Release, substitution, or sale of property securing repayment of the Bonds; and
11. Rating changes on the Bonds.

(b) The Trustee shall, promptly after obtaining actual knowledge of the occurrence of any of the Listed Events (except events listed in clauses (a)(1), (8) or (9) in which case the Trustee shall notify the Dissemination Agent and the Borrower) contact the Issuer and the Disclosure Representative, inform such persons of the event, and request that the Borrower promptly notify the Dissemination Agent in writing whether or not to report the event pursuant to subsection (f). It is agreed and understood that the duty to make the disclosures herein is that of the Borrower and not that of the Trustee or the Dissemination Agent. It is agreed and understood that the Trustee has agreed to give the foregoing notice to the Issuer and the Borrower as an accommodation to assist them in monitoring the occurrence of such event, but is under no obligation to investigate whether any such event has occurred. For purposes of this Disclosure Agreement, actual knowledge of such Listed Events shall mean knowledge by an officer of the Trustee at its Corporate Trust Office with responsibility for matters related to the Indenture.

(c) Whenever the Borrower obtains knowledge of the occurrence of a Listed Event, because of a notice from the Trustee pursuant to subsection (b) or otherwise, the Borrower shall within five business days advise the Issuer whether in the Borrower's determination if such event would constitute material information, within the meaning of such term under federal securities laws, for Holders of Bonds, provided, that any event under subsection (a)(11) will always be deemed to be material.

(d) If either the Issuer or the Borrower has determined that knowledge of the occurrence of a Listed Event would be material, the Borrower shall promptly notify the Dissemination Agent in writing. Such notice shall instruct the Dissemination Agent to report the occurrence pursuant to subsection (f). Such notice shall be accompanied with the text of the disclosure that the Borrower desires to make, the written authorization of the Issuer for the Dissemination Agent to disseminate such information as provided herein, and the date the Borrower desires for the Dissemination Agent to disseminate the information.

(e) If in response to a request under subsection (b), the Borrower determines, with the concurrence of the Issuer, that the Listed Event would not be material, the Borrower shall so notify the Dissemination Agent in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (f).

(f) If the Dissemination Agent has been instructed by the Borrower, with the concurrence of the Issuer, to report the occurrence of a Listed Event, the Dissemination Agent shall file a notice of such occurrence with each Repository with a copy to the Borrower. Notwithstanding the foregoing:

(i) notice of the occurrence of a Listed Event described in subsections (a)(1), (8) or (9) shall be given by the Dissemination Agent unless the Borrower and the Issuer give the Dissemination Agent affirmative instructions not to disclose such occurrence; and

(ii) notice of Listed Events described in subsections (a)(8) and (9) shall not be given under this subsection any earlier than the notice (if any) of the underlying event is given to the Holders of affected Bonds pursuant to the Indenture.

SECTION 6. Termination of Reporting Obligation. The obligations of the Borrower, the Dissemination Agent and the Trustee under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If the Borrower's obligations under the Financing Agreement are assumed in full by some other entity, such person shall be responsible for compliance with this Disclosure Agreement in the same manner as if it were the Borrower, and the original Borrower shall have no further responsibility hereunder.

SECTION 7. Dissemination Agent. The Borrower may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent may resign at any time by providing thirty days written notice to the Borrower.

SECTION 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Borrower, the Trustee and the Dissemination Agent may amend this Disclosure Agreement (and the Dissemination Agent shall agree to any amendment so requested by the Borrower) and any provision of this Disclosure Agreement may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws acceptable to both the Borrower and the Dissemination Agent to the effect that such amendment or waiver does not materially impair the interests of holders of the Bonds and would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver

had been effective on the date hereof but taking into account any subsequent change in or official interpretation of the Rule; provided neither the Trustee, the Borrower or the Dissemination Agent shall be obligated to agree to any amendment modifying their respective duties or obligations without their consent thereto.

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Borrower from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Borrower chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Disclosure Agreement, the Borrower shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 10. Default. In the event of a failure of the Borrower or the Dissemination Agent to comply with any provision of this Disclosure Agreement, the Trustee at the written direction of any Participating Underwriter or the Holders of at least 25% in aggregate principal amount of Outstanding Bonds, shall, solely to the extent indemnified to its satisfaction (including attorney fees and expenses), or any Bondholder may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Borrower or the Dissemination Agent, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture or the Financing Agreement, and the sole remedy under this Disclosure Agreement in the event of any failure of the Borrower or the Dissemination Agent to comply with this Disclosure Agreement shall be an action to compel performance.

SECTION 11. Duties, Immunities and Liabilities of Trustee and Dissemination Agent. Article X of the Indenture is hereby made applicable to this Disclosure Agreement as if this Disclosure Agreement were (solely for this purpose) contained in the Indenture. Neither the Trustee nor the Dissemination Agent shall have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Dissemination Agent (if other than the Trustee or the Trustee in its capacity as Dissemination Agent) shall have only such duties as are specifically set forth in this Disclosure Agreement, and the Borrower agrees to indemnify and save the Dissemination Agent and the Trustee and their respective officers, directors, employees and agents, harmless against any loss, expense and liabilities which they may incur arising out of or in the exercise or performance of their powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Trustee's or Dissemination Agent's gross negligence or wilful misconduct. The Dissemination Agent shall have no duty or obligation to review or verify any information provided to it by the Borrower or to determine the materiality of a Listed Event and shall not be deemed to be acting in any fiduciary capacity for the Borrower, Bondowners or any other party. The Dissemination Agent shall have no responsibility for the Borrower's failure to report to the Dissemination Agent a Listed Event. The obligations of the Borrower under this Section shall survive resignation or removal of the Dissemination Agent or Trustee and payment of the Bonds.

The Trustee and the Dissemination Agency may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and neither of them shall incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel. The Borrower shall pay the Dissemination Agent from the Trustee's Fee under the Indenture.

UNDER NO CIRCUMSTANCES SHALL THE TRUSTEE OR THE DISSEMINATION AGENT BE LIABLE TO A BONDHOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR IN TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE TRUSTEE OR THE DISSEMINATION AGENT, RESPECTIVELY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OR ANY COVENANT SPECIFIED IN THIS AGREEMENT. EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. NOTHING HEREIN SHALL, HOWEVER, LIMIT A BONDHOLDER'S OR BENEFICIAL OWNER'S RIGHTS UNDER OTHER APPLICABLE SECURITIES LAWS. THE TRUSTEE IS UNDER NO OBLIGATION NOR IS IT REQUIRED TO BRING SUCH AN ACTION.

SECTION 12. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Borrower, the Trustee, the Dissemination Agent, the Participating Underwriter, and the Holders from time to time of the Bonds, and shall create no rights in any other person or entity.

SECTION 13. Governing Law. This Disclosure Agreement shall be governed by the laws of the State of Maryland.

SECTION 14. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

APPENDIX F

DESCRIPTION OF SECTION 236 PROGRAM

Section 236 Program

General. Under Section 236 of the National Housing Act, the Secretary of HUD (the "HUD Secretary") enters into contracts with owner-mortgagors to make interest reduction payments to the mortgagee, on behalf of the project owner, in an amount generally equal to the difference between the monthly payment for principal, interest and mortgage insurance premium and the monthly payment for principal and interest such project owner would be obligated to pay if the mortgage were to bear interest at the rate of one percent per annum. Such Section 236 Contracts are project-based and coterminous with the related mortgages. However, pursuant to Section 532 of the Department of Veterans Affairs and Housing and Urban Development, Independent Agencies Appropriations Act, 2000 (Public Law 106-74 approved October 20, 1999) HUD may continue making interest reduction payments even though, as is the case with the Project, the existing FHA-insured mortgage loan is being paid and a new note and mortgage are being executed with different payment terms. In such cases, the interest subsidy will continue so long as the total subsidy amounts to be paid to the Borrower do not exceed the amounts which would have been paid under the prior IRP contract if such contract had remained in place until the maturity of the prior FHA insured mortgage loan.

As a condition to receiving the interest reduction payments, the project owner must operate the project in accordance with tenant eligibility and rent requirements established by law and further prescribed by the HUD Secretary, maintain the project in satisfactory condition and meet various other HUD requirements. The HUD Secretary is to review tenant income requirements at least annually.

Interest Rate Subsidy. For each dwelling unit there is established, with the approval of the HUD Secretary, (A) a basic rental charge determined on the basis of operating the project with payments of principal and interest due under a mortgage bearing interest at the rate of one percent per annum and (B) a fair market rental charge determined on the basis of operating the project with payments of principal, interest and a mortgage insurance premium which the mortgagor is obligated to pay under the mortgage covering the project. The rental paid by the tenant of each dwelling unit shall be at the basic rental charge or such greater amount, not exceeding the lesser of (A) the fair market rental charge, or (B) the actual rent paid for a comparable unit in comparable unassisted housing in the market area in which the housing is located, up to 30 percent of the tenant's adjusted income.

With respect to those projects which the HUD Secretary determines have separate utility metering for some or all dwelling units, the HUD Secretary is authorized: (A) to permit the basic rental charge and the fair market rental charge to be determined on the basis of operating the project without the payment of the cost of utility services used by such dwelling units; and (B) to permit the charging of a rental for such dwelling units at such an amount, less than 30 percent of a tenant's adjusted income, as the HUD Secretary determines represents a proportionate decrease for the utility charges to be paid by such tenant, but in no case shall such rental be lower than 25 percent of a tenant's adjusted income.

The project owner shall, as required by the HUD Secretary, accumulate, safeguard, and periodically pay to the HUD Secretary, on a unit-by-unit basis as distinct from a net project basis, all rental charges collected in excess of the basic rental charges ("Section 236 Excess Rents"). With HUD's consent, and subject to certain restrictions, such Section 236 Excess Rents may be retained by the project owner for project use. Otherwise, Section 236 Excess Rents must be remitted to HUD.

Interest reduction payments are made upon receipt by the HUD Secretary of a billing containing representations of facts by the Administration. If the HUD Secretary finds that interest reduction payments have been excessive because of inaccurate facts contained in the billing or other cause, the Administration is obligated to immediately refund the amount that was overpaid. Adjustments in the interest reduction payments are also made in the event a subsidized dwelling unit is destroyed or rendered not habitable for any reason unless the unit is restored or rehabilitated within a reasonable time or unless an unsubsidized unit is designated in its place.

Covenants of Owner. In the Section 236 Contract the project owner covenants and agrees with respect to each subsidized dwelling unit of the project, among other things, that:

(a) Any revision in the basic rental or fair market rental for any subsidized dwelling unit shall be made or approved by the Administration as well as subject to approval by the HUD Secretary, and the HUD Secretary agrees that it will not unreasonably withhold approval of rent revisions made or approved by the Administration;

(b) The mortgagor shall not sell, convey or transfer the project except to a purchaser who is approved by the HUD Secretary and is entitled to participation under Section 236 and who assumes the project owner's duties and obligations under the Section 236 Contract.

Covenants of Administration. The Administration covenants and agrees that it will not assign the project mortgage without the prior written approval of the HUD Secretary; except that, in connection with the issuance of its notes and bonds for the purpose of providing financing under the project mortgages, the Administration may assign or pledge the project mortgage and its rights thereunder as security for its note or bond holders or to a trustee without the written approval of the HUD Secretary. The HUD Secretary shall terminate payments under the Section 236 Contract if the property is acquired by any owner not eligible under Section 236 of the National Housing Act.

Termination of HUD Payments. The HUD Secretary may also terminate interest reduction payments under the Section 236 Contract:

(1) Upon default by the project owner or the Administration under any provision of the agreement; or

(2) If any action of foreclosure is instituted by the mortgagee, unless the mortgagee (i) gives to the HUD Secretary in advance written notice of its intention to institute such foreclosure and (ii) submits to the HUD Secretary in advance a plan acceptable to the HUD Secretary providing for continuity of eligibility of the project for receiving the benefits of Section 236.

A payment default under the related mortgage, in and of itself, is not a default under the Section 236 Contract.

If a project is sold upon foreclosure to a new owner, upon satisfaction of the requirements specified in (2) above, the Section 236 interest reduction payments would continue with respect to any mortgage loan assumed or incurred by the new project owner on the same annual and total basis and formula as specified in the related Section 236 Contract.

In the event the HUD Secretary terminates Section 236 interest reduction payments under the Section 236 Contract, the HUD Secretary shall give prior written notice thereof to the Administration stating the reasons therefor. If payments are terminated or to be terminated, such payments may be reinstated or continued by the HUD Secretary at its discretion and on such conditions as the HUD Secretary may prescribe.

Ladies and Gentlemen:

We have acted as Bond Counsel to the Community Development Administration (the "Administration"), an agency in the Division of Development Finance of the Department of Housing and Community Development (the "Department"), a principal department of the government of the State of Maryland (the "State"), in connection with the issuance and sale of \$6,170,000 aggregate principal amount of its Multifamily Development Revenue Bonds (Park Montgomery Apartments Project), Series 2000 C (the "Bonds").

The Bonds are being issued under and pursuant to Sections 2-201 through 2-208 of Article 83B of the Annotated Code of Maryland, as amended (the "Act") and in accordance with the terms and provisions of a Trust Indenture dated as of November 1, 2000 (the "Indenture"), by and between the Administration and Allfirst Bank, as Trustee. The Director of the Administration determined, pursuant to Section 2-206(c) of the Act, that the issuance of the Bonds is necessary to achieve one or more purposes of the Administration, and such determination was approved by the Secretary of Housing and Community Development. Capitalized terms used in this opinion and not otherwise defined in this opinion shall have the meanings set forth in the Indenture or the Act.

Applicable provisions of the Internal Revenue Code of 1986, as amended (the "Code") establish certain requirements which must be met subsequent to the delivery of the Bonds in order to assure that interest on the Bonds will be and will remain excludable from gross income for Federal income tax purposes under the Code. The Administration has covenanted in the Indenture to at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest on the Bonds will be and will remain excludable from gross income for Federal income tax purposes. The Administration has also delivered a certificate dated the date of this opinion containing representations, provisions, and procedures relating to compliance with the requirements of the Code. Noncompliance by the Administration with such provisions and procedures may require the inclusion of interest on the Bonds in gross income for Federal income tax purposes retroactive to the date of issuance, regardless of when such noncompliance occurs or is discovered. In rendering this opinion, we have assumed compliance by the Administration with the aforementioned covenant and representations, provisions, and procedures set forth in the aforementioned certificate.

Based upon the foregoing, we are of the opinion that:

- 1) Under the Constitution and laws of the State, the Act is valid and the Administration has been duly created and validly exists as an agency in the Division of Development Finance of the Department with such political and corporate powers as set forth in the Act and with good, right and lawful authority, among other things, to issue the Bonds to provide funds to refinance the Projects and to perform its obligations under the terms and conditions of the Indenture.
- 2) The Indenture has been duly authorized, executed and delivered by the Administration and, assuming due authorization, execution and delivery by the Trustee, constitutes the valid and legally binding limited obligation of the Administration enforceable against the Administration in accordance with its terms.
- 3) The Bonds are valid and legally binding limited obligations of the Administration, payable solely from the Trust Estate pledged therefor under the Indenture. The Indenture creates the valid pledge of and the valid lien which it purports to create upon the Trust Estate, subject only to the provisions of the Indenture permitting the use and payment thereof for or to the purposes and on the terms and conditions set forth in the Indenture.
- 4) Under existing law, interest on the Bonds is excludable from gross income for Federal income tax purposes pursuant to Section 103 of the Code, except that no opinion is expressed as to such exclusion of interest on any Bond for any period during which such Bond is held by a person who is a "substantial user" of the facilities financed with the Bond proceeds or a "related person", both within the meaning of Section 147(a) of the Code. In addition, interest on the Bonds is treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations.
- 5) Under existing law, the Bonds, their transfer, the interest payable thereon, and any income derived therefrom, including any profit realized on the sale or exchange thereof, are exempt from taxation of every kind and nature whatsoever by the State of Maryland, except, that no opinion is expressed with respect to any exemption from Maryland franchise taxes or estate or inheritance taxes.

The foregoing opinion is qualified only to the extent that the enforceability of the Bonds and the Indenture may be limited by bankruptcy, moratorium, insolvency, or other laws affecting creditors' rights or remedies generally and is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

Very truly yours,
