In the opinion of Bond Counsel, under existing laws, regulations, rulings and judicial decisions and assuming the accuracy of certain representations and continuing compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes, except during the period when the Bonds are held by a "substantial user" of the facilities financed by the Bonds or a "related person" within the meaning of Section 147(a) of the Internal Revenue Code of 1986. Bond Counsel is further of the opinion that interest on the Bonds is not a specific preference item or included in adjusted current earnings for purposes of the federal alternative minimum tax. In addition, in the opinion of Bond Counsel, under existing statutes, the Bonds, their transfer, the interest payable thereon, and any income derived therefrom, including any profit realized on the sale or exchange thereof, are exempt from taxation of every kind and nature whatsoever by the State, except that no opinion is expressed with respect to any exemption from Maryland estate or inheritance taxes. The Community Development Administration (the "Issuer" or the "Administration") has agreed to issue its Variable Rate Demand Multifamily Development Revenue Bonds (Kirkwood House Apartments) Series 2008 G in the original aggregate principal amount of \$16,000,000 (the "Bonds").

The Bonds will bear interest at a weekly-determined Variable Rate until adjusted to a Reset Rate or converted to a Fixed Rate, all as described herein. The Bonds will be issued as and remain as fully registered bonds without coupons, in the minimum denomination of \$100,000 and any integral multiple of \$5,000 in excess thereof during the Variable Period. The Bonds are registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). See "THE BONDS - Book-Entry Only System." The principal of, premium, if any, and interest on the Bonds are payable by Manufacturers and Traders Trust Company, as trustee (the "Trustee"), by wire transfer directly to DTC, which will in turn remit such payments to its participants for subsequent disbursement to the beneficial owners of the Bonds. Interest on the Bonds will be computed on each Wednesday and payable on the first Business Day of each month (each an "Interest Payment Date"), commencing January 2, 2009.

The Bonds will be secured pursuant to a Trust Indenture dated as of December 1, 2008 (the "Indenture"), between the Issuer and the Trustee. The Bonds are being issued to provide the Issuer with funds to make a mortgage loan (the "Bond Mortgage Loan") to Kirkwood House Preservation Limited Partnership, a Delaware limited partnership (the "Borrower"), pursuant to a Financing Agreement dated as of December 1, 2008 (the "Financing Agreement"), among the Issuer, the Borrower, and the Trustee, for the purpose of financing the acquisition, rehabilitation and equipping of a multifamily residential rental housing development located in Baltimore City, Maryland, described herein.

Payments of principal of and interest on the Bond Mortgage Loan and payments of the Purchase Price of the Bonds will be secured by a direct pay Credit Enhancement Agreement, dated as of December 1, 2008 (the "Credit Enhancement Agreement"), between the Trustee and Federal Home Loan Mortgage Corporation, a shareholder-owned government-sponsored enterprise organized and existing under the laws of the United States ("Freddie Mac" or the "Credit Facility Provider"),

FREDDIE MAC

which will terminate on December 6, 2028, or upon the earlier redemption (or purchase in lieu thereof) of the Bonds or upon substitution of an Alternate Credit Facility under the Indenture as more fully described herein. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS."

The Bonds will be subject to mandatory purchase by the Trustee on any date on which an Alternate Credit Facility is to be exchanged for the Credit Facility then in effect if the conditions of such substitution are satisfied, including the receipt by the Trustee of remarketing proceeds in an amount equal to 100 percent of the Purchase Price of the Bonds.

The Bonds will be subject to redemption prior to the stated maturity date at the prices, on the terms and upon the occurrence of the events described herein. The maturity of the Bonds may be accelerated upon the occurrence of certain events as further described herein. See "SUMMARY OF THE INDENTURE - Events of Default; Acceleration; Remedies." Persons who purchase Bonds at a price in excess of their principal amount risk the loss of any premium paid in the event the Bonds are redeemed prior to maturity. See "THE BONDS" and "CERTAIN BONDHOLDERS' RISKS."

The Bonds are special obligations of the Administration, payable solely from the Trust Estate pledged therefor under the Indenture. The Administration has no taxing power. The Bonds do not constitute a debt of the State of Maryland, any political subdivision thereof, the Administration or the Department, or a pledge of the faith, credit or taxing power of the State, any such political subdivision, the Administration or the Department.

THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, OR ANY AGENCY OF THE UNITED STATES OF AMERICA, OR FREDDIE MAC, AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA OR BY FREDDIE MAC. PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE BONDS IS NOT GUARANTEED BY FREDDIE MAC. THE OBLIGATIONS OF FREDDIE MAC UNDER THE CREDIT ENHANCEMENT AGREEMENT ARE OBLIGATIONS SOLELY OF FREDDIE MAC AND ARE NOT BACKED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA.

This Official Statement describes the Bonds only during the initial Variable Period, which is the period beginning on the delivery date of the Bonds and ending on the date on which interest on the Bonds is converted to a Reset Rate or to a Fixed Rate. A new Official Statement is required to be used to offer or remarket the Bonds if interest on the Bonds is converted to a Reset Rate or a Fixed Rate.

The Bonds are offered when, as and if issued subject to prior sale, to withdrawal or modification of the offer without notice and to the approval of validity by Kutak Rock LLP, Washington, D.C., Bond Counsel, and certain other conditions. Certain legal matters will be passed upon for Freddie Mac by its Legal Division and by its special counsel, Ballard Spahr Andrews & Ingersoll LLP, Washington, D.C., for the Borrower by Bryan Cave LLP, Kansas City, Missouri, and for the Underwriter by its counsel, Hawkins Delafield & Wood LLP, Washington, D.C. COMMUNITY DEVELOPMENT ADMINISTRATION MARYLAND DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

VARIABLE RATE DEMAND MULTIFAMILY DEVELOPMENT REVENUE BONDS (KIRKWOOD HOUSE APARTMENTS) SERIES 2008 G

INTRODUCTION

The following is a summary of certain information contained in this Official Statement, to which reference should be made for a complete statement thereof. The Bonds are offered to potential investors only by means of the entire Official Statement, including the cover page, this introductory statement and the Appendices hereto. Capitalized terms used but not defined in this Official Statement have the meanings ascribed to them as set forth under "Appendix A - Definitions of Certain Terms."

General

The Community Development Administration (the "Issuer" or the "Administration") has agreed to issue its Variable Rate Demand Multifamily Development Revenue Bonds (Kirkwood House Apartments) Series 2008 G in the original aggregate principal amount of \$16,000,000 (the "Bonds"). The Bonds are being issued pursuant to Sections 4-101 through 4-255 of the Housing and Community Development Article of the Annotated Code of Maryland, as amended (the "Act").

The purpose of this Official Statement, which includes the cover page and Appendices hereto, is to provide information in connection with the issuance and sale by the Issuer of the Bonds. The Bonds will be issued pursuant to a Trust Indenture dated as of December 1, 2008 (the "Indenture"), between the Issuer and Manufacturers and Traders Trust Company as trustee (the "Trustee").

The Issuer will use the proceeds of the Bonds to make a mortgage loan (the "Bond Mortgage Loan") to Kirkwood House Preservation Limited Partnership, a Delaware limited partnership (the "Borrower"), to finance the acquisition and rehabilitation of a multifamily residential rental housing development located in Baltimore City, Maryland (the "Project"). See "THE BORROWER AND THE PROJECT."

The Bond Mortgage Loan will be made pursuant to the Financing Agreement dated as of December 1, 2008 (the "Financing Agreement"), among the Issuer, the Trustee and the Borrower, and will be evidenced by a non-recourse Bond Mortgage Note dated December 18, 2008 (together with all riders and addenda thereto) (the "Bond Mortgage Note"), executed by the Borrower in favor of the Trustee and secured by a first lien Multifamily Deed of Trust, Assignment of Rents, and Security Agreement dated as of December 1, 2008 (the "Bond Mortgage"), executed by the Borrower to the Trustee with respect to the Project. Payments on the Bond Mortgage Loan will be made by the Borrower to Wachovia Multifamily Capital (the "Servicer") for the benefit of the Trustee. The principal amount and payment provisions of the Bond Mortgage Note have been established and structured so that (a) the aggregate principal amount of the Bond Mortgage Note will not be less than the aggregate principal amount of Outstanding Bonds; (b) the interest payable on the Bond Mortgage Note will not be less than the interest payable on the Outstanding Bonds; and (c) the required payments under the Bond Mortgage

Note will be timely and sufficient in amount to make the payments due to the Bondholders on the Outstanding Bonds.

On the date of initial issuance of the Bonds (the "Closing Date") the Issuer will assign the Financing Agreement (except for the Issuer's Unassigned Rights) to the Trustee for the benefit of the registered owners of the Bonds. In addition to the other security provided under the Indenture, the required payments under the Bond Mortgage Note will be secured by Guaranteed Payments under a direct pay Credit Enhancement Agreement dated as of December 1, 2008 (the "Credit Enhancement Agreement" or "Credit Facility"), between the Federal Home Loan Mortgage Corporation ("Freddie Mac" or "Credit Facility Provider") and the Trustee. A form of the Credit Enhancement Agreement is attached hereto as Appendix C. The obligation of the Borrower to reimburse Freddie Mac for funds provided by Freddie Mac pursuant to the Credit Enhancement Agreement is established by the terms and conditions of a Reimbursement and Security Agreement dated as of December 1, 2008 (the "Reimbursement Agreement"), by and between the Borrower and Freddie Mac. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS - The Credit Enhancement Agreement," "SUMMARY OF CERTAIN PROVISIONS OF THE REIMBURSEMENT AGREEMENT" and "APPENDIX C - FORM OF CREDIT ENHANCEMENT AGREEMENT."

Under the Credit Enhancement Agreement, subject to certain requirements set forth therein, on any Interest Payment Date, or any date Bonds are called for optional or mandatory redemption, and on the maturity date of the Bond Mortgage Note, Freddie Mac is required to pay the sum of the Interest Component and the Principal Component of a Guaranteed Payment (as defined herein) and, in the event of a failed remarketing, the Purchase Price on such Bonds. See "THE BONDS," "APPENDIX A - DEFINITIONS OF CERTAIN TERMS" and "APPENDIX C - FORM OF CREDIT ENHANCEMENT AGREEMENT."

So long as Freddie Mac is not in default in its payment obligations under the Credit Enhancement Agreement, Freddie Mac shall control and shall have the right to exercise the Bond Mortgage Rights (defined herein) and Freddie Mac may direct the Trustee to assign the Trustee's interests in the Bond Mortgage Loan, including the Bond Mortgage Note, the Bond Mortgage and the other Bond Mortgage Loan Documents, to Freddie Mac at any time.

Pursuant to an Intercreditor Agreement dated as of December 1, 2008 (the "Intercreditor Agreement"), among the Issuer, the Trustee and Freddie Mac with respect to the Bonds, neither the Trustee nor the Bondholders will have the right to exercise remedies under the Bond Mortgage while the Credit Enhancement Agreement secures the Bonds and Freddie Mac continues to honor its obligations thereunder. The Borrower will also execute a second-lien Multifamily Deed of Trust, Assignment of Rents, and Security Agreement dated as of December 1, 2008 (the "Reimbursement Mortgage") for the benefit of Freddie Mac to secure its obligations under the Reimbursement Agreement.

The Bonds are special obligations of the Administration, payable solely from the Trust Estate pledged therefor under the Indenture. The Administration has no taxing power. The Bonds do not constitute a debt of the State of Maryland, any political subdivision thereof, the Administration or the Department, or a pledge of the faith, credit or taxing power of the State, any such political subdivision, the Administration or the Department.

FREDDIE MAC'S OBLIGATIONS WITH RESPECT TO THE BONDS ARE SOLELY AS PROVIDED IN THE CREDIT ENHANCEMENT AGREEMENT. THE OBLIGATIONS OF FREDDIE MAC UNDER THE CREDIT ENHANCEMENT AGREEMENT WILL BE OBLIGATIONS SOLELY OF FREDDIE MAC, A SHAREHOLDER-OWNED, GOVERNMENT-SPONSORED ENTERPRISE ORGANIZED UNDER THE LAWS OF THE UNITED STATES OF AMERICA. FREDDIE MAC

HAS NO OBLIGATION TO PURCHASE, DIRECTLY OR INDIRECTLY, ANY OF THE BONDS, BUT WILL BE OBLIGATED, PURSUANT TO THE CREDIT ENHANCEMENT AGREEMENT, TO PROVIDE FUNDS TO THE TRUSTEE TO PAY THE PURCHASE PRICE OF THE BONDS UNDER THE CIRCUMSTANCES DESCRIBED HEREIN. THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, ANY AGENCY THEREOF, OR OF FREDDIE MAC, AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA OR BY FREDDIE MAC.

The Borrower is required to operate the Project in compliance with the Declaration of Restrictive Covenants and Regulatory Agreement dated as of December 1, 2008 (the "Tax Regulatory Agreement"), between the Issuer and the Borrower. The Tax Regulatory Agreement contains certain representations, warranties and covenants concerning the operation of the Project. A failure to comply with certain of these requirements of the Tax Regulatory Agreement could result in the loss of the federal tax exemption on the Bonds retroactive to their date of issuance. See "TAX MATTERS" and "SUMMARY OF THE TAX REGULATORY AGREEMENT."

RBC Capital Markets Corporation (the "Remarketing Agent") has been appointed by the Borrower and the Issuer to serve as Remarketing Agent for the Bonds under the terms of a Remarketing Agreement dated as of December 1, 2008 (the "Remarketing Agreement"), between the Borrower and the Remarketing Agent. Manufacturers and Traders Trust Company, a New York banking corporation, as tender agent (the "Tender Agent"), will perform certain services in connection with the purchase of tendered Bonds. See "THE BONDS - Disclosure Concerning Sales of Bonds in a Variable Rate by Remarketing Agent."

Brief descriptions of the Issuer, the sources of payment for the Bonds, the Bonds, the Project, the Borrower, the Servicer and Freddie Mac and a general summary of the Indenture, the Financing Agreement, the Tax Regulatory Agreement, the Intercreditor Agreement and the Reimbursement Agreement are included in this Official Statement. The form of the Credit Enhancement Agreement is attached as Appendix C. All references herein to the Indenture, the Financing Agreement, the Tax Regulatory Agreement, the Credit Enhancement Agreement, the Intercreditor Agreement, the Reimbursement Agreement and all other documents and agreements are qualified in their entirety by reference to such documents and agreements, and all references to the Bonds are qualified by reference to the form thereof included in the Indenture, copies of which are available for inspection at the principal office of the Trustee.

THIS OFFICIAL STATEMENT, DATED AS OF ITS DATE, IS INTENDED FOR USE WITH RESPECT TO THE BONDS ONLY DURING THE VARIABLE PERIOD, WHICH IS THE PERIOD BEGINNING ON THE DATE OF ORIGINAL ISSUANCE OF THE BONDS AND ENDING ON THE DATE, IF ANY, ON WHICH THE INTEREST RATE ON THE BONDS IS ADJUSTED TO A RESET RATE OR CONVERTED TO A FIXED RATE. A NEW OFFICIAL STATEMENT MUST BE ISSUED IF INTEREST ON THE BONDS IS CONVERTED TO A RESET RATE OR A FIXED RATE.

So long as the Bonds bear interest at a Variable Rate as described herein, the Borrower will be under no obligation to provide continuing disclosure or provide notice of certain events relating to Project operations. See "CONTINUING DISCLOSURE."

The Tax Regulatory Agreement, the Financing Agreement, the Credit Enhancement Agreement, the Reimbursement Agreement, and certain certificates required by such documents for the Bonds are sometimes referred to herein collectively as the "Bond Mortgage Loan Documents."

THE ISSUER

The Administration is an agency in the Division of Development Finance of the Department, which is a principal department of the government of the State.

The Bonds are not, under any circumstances, payable from or secured by any other funds or assets of the Administration not expressly pledged to payment of the Bonds, including, without limitation, the Administration's General Bond Reserve Fund.

General Information

The Administration was created in 1970 as a division of the Department of Economic and Community Development to meet the shortage of adequate, safe and sanitary housing in the State, particularly for persons or families of limited incomes. Chapter 311 of the Acts of Maryland 1987, effective July 1, 1987, abolished the Department of Economic and Community Development, created the Department and assigned the Administration as an agency in the Division of Development Finance of the Department.

The Secretary of Housing and Community Development (the "Secretary") is the head of the Department and is appointed by the Governor with the advice and consent of the Senate. The Department consists of five divisions: the Division of Development Finance, the Division of Credit Assurance, the Division of Finance and Administration, the Division of Neighborhood Revitalization, and the Division of Information Technology.

The Division of Development Finance is the lending and bond issuing division of the Department, originating loans under the Department's various lending programs and providing underwriting services for loans to the Department and its other divisions and agencies. The Administration is an agency within the Division of Development Finance.

The Secretary, with the approval of the Governor, appoints the Director of the Administration, and the Director of the Administration, with the approval of the Secretary, appoints the Deputy Directors of the Administration and the other senior staff members of the Administration. The Act establishes a Housing Finance Review Committee (the "Review Committee") which has the responsibility to review and to give recommendations to the Secretary regarding loans or categories of loans and the investment and project financing policies of the Administration. The Review Committee consists of seven members appointed by the Governor, including three members of the public and three members of the Department and one member of the Executive Branch not employed by the Department. When urgent action is required, the Secretary may approve a specific loan request without receiving the recommendation of the Review Committee.

The Division of Credit Assurance, the insuring division of the Department, provides certain asset management, monitoring and workout related services to the Department and its divisions and agencies, including the Administration.

The Division of Finance and Administration provides budget, accounting, auditing and administrative services to the Department. In addition, the Administration has a finance office which handles finance and accounting for lending and bond activities and insurance activities.

The Division of Information Technology develops and maintains information systems and trains Departmental staff in the use of computer resources.

The Department has established a Revenue Bond Advisory Board (the “Board”). The Board provides independent advice and expertise to the Department with respect to issuance of revenue bonds, including the Bonds. The Board consists of seven members appointed by the Secretary, including the Deputy Secretary (who chairs the Board), one other representative of the Department, two representatives of other agencies of State government (one from an agency which issues revenue bonds), one representative of the State Treasurer’s Office, and two members of the public. The Board reviews and makes recommendations to the Secretary with respect to each issuance of bonds. The Secretary has the final authority to approve each issuance after receipt of the Board’s recommendation. When urgent action is required, the Secretary may approve an issuance of bonds without action by the Board or may vary the terms of the Board’s recommendation. In addition, the Board advises the Department on procedures for issuing bonds and on selection and performance of financial advisors, underwriters, and accountants.

The Administration pays costs and expenses of operating its programs from earnings received from its programs financed by the Indenture and other bond resolutions and indentures of the Administration in excess of the amounts required to pay principal of and interest on its bonds and notes.

The office of the Administration is located at 100 Community Place, Crownsville, Maryland 21032. Inquiries for documents or concerning this Official Statement should be directed to Investor Relations at (410) 514-7326 or cda_bonds@mdhousing.org.

Limited Involvement of the Administration

The Administration has no obligation to review, control or oversee the activities of the Trustee or the Borrower or the compliance by either of them with any covenants or provisions of any related documents, including (without limitation) any covenants that relate to the excludability from gross income of interest on the Bonds.

THE ISSUER ASSUMES NO RESPONSIBILITY FOR THE ACCURACY, SUFFICIENCY OF DISCLOSURES OR COMPLETENESS OF ANY INFORMATION PROVIDED BY THE BORROWER, THE TRUSTEE OR ANY OTHER PERSON.

THE BONDS

General

The Bonds are issued in fully registered form and are registered in the name of Cede & Co., as registered owner and nominee of The Depository Trust Company, New York, New York (“DTC”). DTC acts as securities depository for the Bonds. Individual purchases are made in book-entry-only form. Purchasers will not receive certificates representing their interest in the Bonds purchased. So long as Cede & Co. is the registered owner of the Bonds, as nominee of DTC, references herein to the Bondholders or registered owners of the Bonds shall mean Cede & Co., as aforesaid, and shall not mean the beneficial owners of the Bonds.

So long as Cede & Co. is the registered owner of the Bonds, all payments of the principal, or the redemption price of or interest on the Bonds are payable by the Trustee in same-day funds, to Cede & Co., as nominee for DTC. DTC will, in turn, remit such amounts to the DTC Participants (as defined herein) for subsequent disbursement to the beneficial owners. See “THE BONDS - Book-Entry-Only System.”

The Bonds will be issued in the minimum denomination of \$100,000 and any integral multiple of \$5,000 in excess thereof. The Bonds will be dated the Delivery Date and will mature on the date set forth

on the cover page of this Official Statement. The Bonds delivered on the Delivery Date shall bear interest at the Initial Rate, computed on the basis of a 365-day or 366-day year, for the actual number of days elapsed from and including the Delivery Date to and including December 24, 2008; and thereafter will bear interest at a Variable Rate of interest until the first Reset Adjustment Date or Fixed Rate Adjustment Date, if any. See “Variable Rate for Bonds” below.

Interest on the Bonds will be payable on the applicable Variable Rate Adjustment Date and the first Business Day of each month thereafter (the “Interest Payment Date”), commencing January 2, 2009. So long as the Bonds bear interest at the Variable Rate interest shall be computed on the basis of a 365-day or 366-day year for the actual number of days elapsed.

Principal of and premium, if any, on the Bonds will be payable upon presentation and surrender thereof at the designated office of the Trustee. Interest on the Bonds will be payable by check mailed to registered owner thereof at such registered owner’s address as it appears on the Bond Register on the Record Date, provided that, upon written request of a registered owner of at least \$1,000,000 aggregate principal amount of Bonds received by the Trustee at least five days prior to a Record Date, payment shall be made to such owner by wire transfer pursuant to the provisions of the Indenture.

Any Bond may be transferred only upon an assignment duly executed by the registered owner or his or her duly authorized representative in such form as shall be satisfactory to the Bond Registrar and upon surrender of such Bond to the Trustee for cancellation. Any Bond may be exchanged at the Principal Office of the Trustee for a new fully registered Bond or Bonds, of the same maturity and of any authorized denomination or denominations, for the aggregate amount of such Bond then Outstanding. In all cases in which Bonds shall be transferred or exchanged, the Trustee may make a charge for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange. Neither the Issuer nor the Trustee shall be required to transfer or exchange Bonds during the period of 15 days immediately preceding an Interest Payment Date or during the period of 15 days immediately preceding the selection of Bonds for redemption and after the giving of notice of redemption, the Trustee is not required to transfer or exchange any Bond or portion thereof which has been called for redemption.

Variable Rate for the Bonds

The Bonds shall bear interest from and including the Delivery Date to and including the immediately succeeding Variable Interest Computation Date at a Variable Rate agreed to by the Remarketing Agent and the Issuer, and thereafter shall bear interest at a weekly-determined Variable Rate for each Variable Interest Accrual Period as determined by the Remarketing Agent on each Variable Interest Computation Date until adjusted to a Reset Rate or Fixed Rate.

“Variable Interest Computation Date” means, with respect to any Variable Interest Accrual Period, each Wednesday during such period, or if any such Wednesday is not a Business Day, the next succeeding Business Day.

The Variable Rate for each Variable Interest Accrual Period determined by the Remarketing Agent on each Variable Interest Computation Date shall be that rate of interest which, if borne by the Bonds, would, in the reasonable professional judgment of the Remarketing Agent, on the basis of prevailing financial market conditions, be the interest rate necessary, but which would not exceed the interest rate necessary, to be borne by the Bonds in order for the market value of the Bonds on such Variable Interest Computation Date to be equal to 100% of the principal amount thereof (disregarding accrued interest) if the Bonds were sold on such Variable Interest Computation Date; provided, however, that in no event shall the Variable Rate at any time exceed the maximum rate of 12% per annum (the “Maximum Rate”). If for any reason the Remarketing Agent shall fail to determine the rate of

interest or if the rate of interest determined by the Remarketing Agent is held to be invalid or unenforceable for any Variable Interest Accrual Period, then the Variable Rate for such Variable Interest Accrual Period shall be the Index Rate in effect on the applicable Variable Interest Computation Date.

For each Variable Interest Accrual Period, the Variable Rate determined by the Remarketing Agent shall be communicated by facsimile to the Trustee, the Tender Agent, the Borrower, the Servicer and the Credit Facility Provider as provided in the Indenture, on the Variable Interest Computation Date. The determination of the Variable Rate by the Remarketing Agent shall (in the absence of manifest error) be conclusive and binding on the Owners of the Bonds, the Issuer, the Borrower, the Credit Facility Provider, the Remarketing Agent, the Tender Agent and the Trustee, and each shall be protected in relying on it.

Book-Entry Only System

The information in this section concerning The Depository Trust Company (“DTC”) and DTC’s Book-Entry System has been obtained from DTC. None of the Issuer, Freddie Mac or the Borrower makes any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Bonds will be available in book-entry form only. Purchasers of the Bonds will not receive certificates from the Issuer or the Trustee representing their interests in the Bonds purchased.

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered Bonds registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC. If, however, the aggregate principal amount of any maturity exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such maturity.

DTC the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Bonds Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has Standard & Poor’s highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities

and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with Bonds held for the accounts of customers in

bearer form or registered in “street name,” and will be the responsibility of such Participant and not of DTC, the Issuer or the Trustee, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Bonds purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Bonds by causing the Direct Participant to transfer the Participant’s interest in the Bonds, on DTC’s records, to the Trustee. The requirement for physical delivery of Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC’s records and followed by a book-entry credit of tendered Bonds to the Trustee’s DTC account.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Administration or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The Administration may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

THE ABOVE INFORMATION CONCERNING DTC AND DTC’S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THE ISSUER BELIEVES TO BE RELIABLE, BUT THE ISSUER TAKES NO RESPONSIBILITY FOR THE ACCURACY THEREOF. NEITHER THE ISSUER, THE TRUSTEE, NOR THE REMARKETING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DTC PARTICIPANTS, BENEFICIAL OWNERS OR OTHER NOMINEES OF SUCH BENEFICIAL OWNERS FOR (i) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT; (ii) THE PAYMENT BY DTC OR BY ANY PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OR REDEMPTION OR PURCHASE PRICE OF, INTEREST ON, ANY BONDS; (iii) THE DELIVERY OF ANY NOTICE BY DTC OR ANY PARTICIPANT; (iv) THE SELECTION OF THE PARTICIPANTS OR THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (v) ANY CONSENT GIVEN OR ANY OTHER ACTION TAKEN BY DTC OR ANY PARTICIPANT.

So long as Cede & Co. is the registered owner of the Bonds, as nominee for DTC, reference herein to the registered owners of the Bonds (other than under the heading “TAX MATTERS” herein) shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners of the Bonds.

Demand for and Mandatory Purchase of the Bonds

Any Bonds (other than Purchased Bonds), or any units of principal amount thereof in Authorized Denominations, will be purchased from the proceeds of remarketing thereof as described in the Indenture or from the sources prescribed in the Indenture, (a) on demand of the owner of such Bond (or, so long as Bonds are in “book-entry only” form, on demand of a DTC Participant, with respect to such Bonds) on any Business Day during a Variable Period which is an Optional Tender Date (as defined below), or (b) upon being tendered or deemed tendered pursuant to the Indenture, on any Reset Adjustment Date, Variable Rate Adjustment Date, Fixed Rate Adjustment Date and any Substitution Date (even if such Reset Adjustment Date, Variable Rate Adjustment Date, Fixed Rate Adjustment Date or Substitution

Date for which notice has been given by the Trustee to the Bondholders fails to occur). The Bonds will be purchased for a Purchase Price equal to the principal amount thereof, or of any units thereof purchased in Authorized Denominations, plus interest accrued thereon, if any, to the Settlement Date. The Bonds will be purchased upon (a) in the case of a purchase upon the demand of an owner or DTC Participant, delivery to the Tender Agent, with a copy to the Trustee and the Remarketing Agent, of a written notice in the form attached as Appendix D hereto (a "Tender Notice") which states (i) the principal amount of such Bond for which payment is demanded, (ii) that such demand is irrevocable and (iii) the date on which such Bond or units of principal amount thereof in Authorized Denominations shall be purchased pursuant to the Indenture, which date shall be a Business Day not prior to the seventh day next succeeding the date of the receipt of the Tender Notice by the Tender Agent (an "Optional Tender Date"); and (b) in all cases, delivery of such Bond (with an appropriate transfer of registration form executed in blank and in form satisfactory to the Tender Agent) to the Tender Agent, at or prior to 9:30 a.m., Washington, D.C. time, on the Settlement Date. In the event that a depository is appointed pursuant to the Indenture and a "book-entry only" system is in effect with respect to the Bonds, delivery of Bonds for purchase on the Settlement Date may be effected in the manner set forth by such depository.

Bonds not delivered to the Tender Agent on or prior to 9:30 a.m., Washington, D.C. time, on the Settlement Date shall be deemed tendered and purchased for all purposes of the Indenture and interest shall cease to accrue on such Bonds on the related Settlement Date.

Payment of the Purchase Price of any Bond will be made on the Settlement Date by check or by wire transfer (if requested in writing by the Bondholder) or as designated in the Tender Notice with respect to such Bond, but only upon delivery and surrender of such Bond to the Tender Agent.

If all of the Bonds shall have been called for redemption during any Variable Period, the Bonds may continue to be remarketed until the redemption date, provided the purchasers of such Bonds are given notice of the call for redemption prior to purchase of any Bonds.

Anything in the Indenture to the contrary notwithstanding, no Bonds will be purchased or remarketed pursuant to the Indenture (a) if an Event of Default under the Indenture (other than an Event of Default under paragraph (c) under "SUMMARY OF THE INDENTURE - Events of Default; Acceleration; Remedies" below) has occurred and is continuing and would not be cured as a result of such tender and remarketing of the Bonds, or (b) following a declaration of acceleration of the Bonds; nor will any Bond be purchased pursuant to the Indenture if such Bond is registered in the name of the Issuer, the Borrower or the Credit Facility Provider, or known by the Trustee (the Trustee shall have no duty to inquire as to any such nominees) to be registered in the name of any general partner, member or guarantor of the Borrower or any nominee of the Issuer, the Borrower, the Credit Facility Provider or any such general partner, member or guarantor (provided that the Trustee shall have no duty to inquire as to any such nominees) unless the Credit Facility will be in full force and effect with respect after such purchase to such bonds after such purchase.

Purchase of Bonds Not Remarketed

In the event that either the Tender Agent has not received notice of successful remarketing of tendered Bonds by the day which is one Business Day prior to the Settlement Date, or the proceeds of remarketing of any tendered Bond have not been received by the Tender Agent on or prior to 10:00 a.m., Washington, D.C. time, on the Settlement Date, the Trustee will, within the time required by the terms of the Credit Facility, draw on the then existing Credit Facility in an amount sufficient to enable the Tender Agent to pay the Purchase Price of each such Bond when due. On the Settlement Date, the Trustee will pay or cause to be paid to the Tender Agent the Purchase Price of any Bonds for which it has received a Tender Notice and which have not been remarketed pursuant to the Indenture, but only from (a) moneys

obtained by the Trustee pursuant to the Credit Facility then in effect to enable the Trustee to pay the Purchase Price of such tendered Bonds, which amounts shall be transferred by the Trustee to the Tender Agent at or before 3:00 p.m., Washington, D.C. time, on the Settlement Date; and (b) Eligible Funds from the Borrower to the extent that moneys obtained pursuant to (a) above are insufficient on any date to pay the Purchase Price of tendered Bonds.

Upon receipt of such Purchase Price and upon receipt of the Bonds tendered for purchase pursuant to the Indenture, the Tender Agent shall pay such Purchase Price to the registered owners thereof; provided, that if the Purchase Price was theretofore paid from the proceeds of a draw on the Credit Facility, the Tender Agent will pay such amount to the Credit Facility Provider. Any amounts drawn under the Credit Facility to purchase Bonds will be used solely for such purpose. Any Bonds so purchased with amounts drawn under the Credit Facility by the Trustee will be purchased for the account of the Holder and registered as provided in the Pledge Agreement. Amounts drawn under the Credit Facility which are not used to purchase Bonds pursuant to the Indenture will be remitted by the Trustee or the Tender Agent to the Credit Facility Provider promptly upon payment of the Purchase Price of the Bonds.

Mandatory Tender of the Bonds

The Bonds are subject to mandatory tender for purchase on any Reset Adjustment Date, Fixed Rate Adjustment Date, Variable Rate Adjustment Date, and Substitution Date in accordance with the Indenture. This Official Statement describes the Bonds only during the initial Variable Period, which is the period beginning on the Delivery Date of the Bonds and ending on the date on which interest on the Bonds is converted to a Reset Rate or to a Fixed Rate. A new Official Statement is required to be used to offer or remarket the Bonds if interest on the Bonds is converted to a Reset Rate or a Fixed Rate.

Any Bond required to be tendered which is not tendered as of such date shall be deemed to have been tendered to the Tender Agent on such date and shall thereafter cease to bear interest and no longer be considered to be Outstanding under the Indenture.

Optional Redemption of the Bonds

The Bonds are subject to optional redemption in whole or in part only (i) with the prior written consent of the Credit Facility Provider and (ii) until December 1, 2018, with the prior written consent of the Issuer to the extent an optional prepayment on the Bond Mortgage Loan is permitted in accordance with the prepayment restrictions set forth in the Bond Mortgage Note and the Financing Agreement, from payments made under the Credit Facility (subject to the limitations set forth in the Indenture) or other Eligible Funds deposited with the Trustee, on any Interest Payment Date, at a redemption price of 100 percent of the principal amount thereof, plus accrued interest thereon to the redemption date.

The Trustee shall effect a redemption of Bonds pursuant to the Indenture not later than 35 days following its receipt of moneys representing an optional prepayment of the Bond Mortgage Loan.

Mandatory Redemption

The Bonds are subject to mandatory redemption on any date, at a redemption price equal to the principal amount thereof plus accrued interest to the redemption date, without premium, at the earliest practicable date from payments made under the Credit Facility upon the occurrence of any of the following:

(i) in whole or in part, upon receipt by the Trustee of (A) proceeds of a draw under the Credit Facility, in the amount of Net Proceeds representing casualty insurance proceeds or condemnation awards paid as a prepayment of the Bond Mortgage Loan, such amount to be applied to reimburse the Credit Facility Provider for the draw under the Credit Facility as a result of casualty or condemnation of the Project and (B) a written direction by the Credit Facility Provider to redeem such Bonds using money obtained as a result of a draw upon the Credit Facility;

(ii) in whole or in part, upon receipt by the Trustee of amounts from the Credit Facility Provider pursuant to the Credit Facility as a result of the occurrence of an event of default under any Bond Mortgage Loan Document and receipt by the Trustee of a written direction by the Credit Facility Provider to redeem the Bonds pursuant to the Credit Facility;

(iii) in whole, on the last Business Day which is not less than five days before the date of expiration of any Credit Facility unless the Trustee receives (A) a renewal or extension of or replacement for such Credit Facility meeting the requirements of the Financing Agreement or (B) in the case of a replacement of the Credit Facility in connection with a Reset Adjustment Date or the Fixed Rate Adjustment Date, an irrevocable commitment of an entity to issue an Alternate Credit Facility to be in effect upon and after such Reset Adjustment Date or Fixed Rate Adjustment Date, in each case not less than thirty (30) days before the expiration of the then-existing Credit Facility;

(iv) in part, at the written direction of the Credit Facility Provider (A) on each Reset Adjustment Date, each Variable Rate Adjustment Date and on the Fixed Rate Adjustment Date in an amount not greater than the amount in the Principal Reserve Fund on the first day of the month prior to such Reset Adjustment Date, Variable Rate Adjustment Date or the Fixed Rate Adjustment Date, as applicable, or (B) on any Interest Payment Date during a Variable Period, in an amount not greater than the amount in the Principal Reserve Fund on the first day of the month prior to such Interest Payment Date; or

(v) in part, on each Interest Payment Date, during any Reset Period or Fixed Rate Period, with respect to the Bonds that have term maturities occurring during such Reset Period or Fixed Rate Period commencing on the first sinking fund mandatory redemption date established for the Bonds for such Reset Period or Fixed Rate Period; provided that if less than all the Bonds shall have been redeemed optionally or as described in paragraph (i) above, the amount of Bonds to be redeemed in each year from sinking fund installments shall be decreased by an amount, in proportion, as nearly as practicable, to the decrease in the payments on the Bond Mortgage Loan in such year as determined by the Trustee;

(vi) in whole, on the day following any Reset Period if the Trustee has not received the items required by the Indenture to effect a new Reset Period or a Fixed Rate Adjustment or upon cancellation of a rate adjustment on a Reset Adjustment Date or upon cancellation of a Fixed Rate Adjustment to a Fixed Rate;

(vii) in part, on the Interest Payment Date next following the completion of the rehabilitation of the Project (upon receipt by the Trustee of written instruction of the Issuer), to the extent of amounts in Authorized Denominations transferred to the Redemption Fund from the Bond Mortgage Loan Fund pursuant to the Indenture (unless an opinion of Bond Counsel addressed to the Trustee and the Credit Facility Provider is provided to the Trustee to the effect that an alternate use of such moneys will not have an adverse impact on the tax exempt status of the Bonds).

Notice of Redemption

Notice of the intended redemption of the Bonds shall be given by the Trustee by first-class mail, postage prepaid, to the registered owner at the address of such Owner shown on the Bond Register and to the Remarketing Agent at its address as set forth in the Indenture. All such redemption notices shall be given not less than 10 days (not less than 30 days in the case of optional or mandatory sinking fund redemptions) nor more than 60 days prior to the date fixed for redemption. The Trustee may provide a conditional notice of redemption upon the direction of the Credit Facility Provider or the Borrower (with the prior written consent of the Credit Facility Provider).

Notices of redemption shall state the redemption date and the redemption price, the place or places where amounts due upon such redemption will be payable, and, if less than all of the Outstanding Bonds are called for redemption, shall state (a) the numbers of the Bonds to be redeemed by giving the individual certificate number of each Bond to be redeemed or shall state that all Bonds between two stated certificate numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption; (b) the CUSIP numbers of all Bonds being redeemed if available; (c) the amount of the Bonds being redeemed (in the case of a partial redemption); (d) the date of issue of the Bond as originally issued; (e) the rate of interest borne by the Bonds being redeemed or that the Bonds bear interest at a Variable Rate; (f) the maturity date of the Bonds being redeemed; (g) the possibility of a purchase of Bonds in lieu of redemption, if applicable; (h) the conditions, if any, which must be satisfied in order for the redemption to take place on the scheduled date of redemption, including, as provided in the Indenture, that Eligible Funds are available to pay any redemption premium or the redemption price, as and if applicable, on the Bonds; and (i) any other descriptive information needed to identify accurately the Bonds being redeemed.

Each notice of redemption shall state that further interest on the Bonds will not accrue from and after the redemption date and that payment of the principal amount and premium, if any, will be made upon presentation and surrender of the Bonds at the designated office of the Trustee unless the Bonds are then held in a book-entry only system of registration.

In addition to providing notice of redemption as set forth above, if the Bonds are no longer held in book-entry form, the Trustee shall send a second notice of redemption within 60 days following the redemption date, by certified mail, overnight delivery service, or other secure means, postage prepaid to the registered owners of any Bonds called for redemption, at their addresses appearing on the Bond Register, who have not surrendered their Bonds for redemption within 30 days following the redemption date.

Failure to give notice by mailing to the registered owner of any Bond designated for redemption or tender or to any depository or information service shall not affect the validity of the proceedings for the redemption of any other Bond if notice of such redemption shall have been mailed as provided in the Indenture.

Purchase of Bonds in Whole in Lieu of Redemption

Notwithstanding anything in the Indenture to the contrary, at any time the Bonds are subject to redemption in whole pursuant to the provisions of the Indenture, all (but not less than all) of the Bonds to be redeemed may be purchased by the Trustee (for the account of the Borrower or the Credit Facility Provider or their respective designees, as directed by such party) on the date which would be the redemption date at the written direction of the Credit Facility Provider or the Borrower, with the prior written consent of the Credit Facility Provider, who shall give the Trustee at least one Business Day's notice prior to such redemption date, at a purchase price equal to the redemption price which would have

been applicable to such Bonds on the redemption date. The Bonds shall be purchased in lieu of redemption only from amounts provided by the Credit Facility Provider or from other Eligible Funds. In the event the Trustee is so directed to purchase Bonds in lieu of redemption, no notice to the holders of the Bonds to be so purchased (other than the notice of redemption otherwise required under the Indenture) shall be required, and the Trustee shall be authorized to apply to such purpose the funds in the Redemption Fund which would have been used to pay the redemption price for such Bonds if such Bonds had been redeemed rather than purchased. Such Bonds so purchased for the account of the Borrower shall for all purposes under the Indenture constitute Purchased Bonds held by the Custodian pursuant to the Pledge Agreement and may be remarketed by the Remarketing Agent in accordance with the provisions of the Indenture.

Disclosure Concerning Sales of Bonds in a Variable Rate by Remarketing Agent

The Remarketing Agent is Paid by the Administration. The Remarketing Agent's responsibilities include determining the interest rate from time to time and remarketing Bonds that are optionally tendered by the Owners thereof, all as further described in this Official Statement. The Remarketing Agent is appointed by the Administration and is paid by the Administration for its services. As a result, the interests of the Remarketing Agent may differ from those of existing holders and potential purchasers of Bonds.

The Remarketing Agent Routinely Purchases Bonds for its Own Account. The Remarketing Agent is permitted, but not obligated, to purchase tendered Bonds for its own account. The Remarketing Agent, in its sole discretion, routinely acquires tendered Bonds for its own inventory in order to achieve a successful remarketing of the Bonds (i.e., because there otherwise are not enough buyers to purchase the Bonds) or for other reasons. However, the Remarketing Agent is not obligated to purchase Bonds, and may cease doing so at any time without notice. The Remarketing Agent may also make a market in the Bonds by routinely purchasing and selling Bonds other than in connection with an optional tender and remarketing. Such purchases and sales may be at or below par. However, the Remarketing Agent is not required to make a market in the Bonds. If the Remarketing Agent purchases Bonds for its own account, it may offer those Bonds at a discount to par to some investors. The Remarketing Agent may also sell any Bonds it has purchased to one or more affiliated investment vehicles for collective ownership or enter into derivative arrangements with affiliates or others in order to reduce its exposure to the Bonds. The purchase of Bonds by the Remarketing Agent may create the appearance that there is greater third party demand for the Bonds in the market than is actually the case. The practices described above also may reduce the supply of Bonds that may be tendered in a remarketing.

Bonds May be Offered at Different Prices on any Date. The Remarketing Agent is required to determine on the Variable Interest Computation Date the applicable rate of interest that, in its judgment, is the lowest rate that would permit the sale of the Bonds at par plus accrued interest, if any, on the date the rate becomes effective (the "Effective Date"). The interest rate will reflect, among other factors, the level of market demand for the Bonds (including whether the Remarketing Agent is willing to purchase Bonds for its own account). The Remarketing Agreement requires that the Remarketing Agent use its best efforts to sell tendered bonds at par, plus accrued interest. There may or may not be Bonds tendered and remarketed on a Variable Interest Computation Date or any Reset Adjustment Date, Variable Rate Adjustment Date or Substitution Date, the Remarketing Agent may or may not be able to remarket any Bonds tendered for purchase on such date at par and the Remarketing Agent may sell Bonds at varying prices to different investors on such date or any other date. The Remarketing Agent is not obligated to advise purchasers in a remarketing if it does not have third party buyers for all of the Bonds at the remarketing price.

The Ability to Sell the Bonds other than through Tender Process May Be Limited. While the Remarketing Agent may buy and sell Bonds, it is not obligated to do so and may cease doing so at any time without notice. Thus, investors who purchase the Bonds, whether in a remarketing or otherwise, should not assume that they will be able to sell their Bonds other than by tendering the Bonds in accordance with the tender process.

Removal of Remarketing Agent. No removal of the Remarketing Agent will be effective until a successor is appointed and has accepted such appointment.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

Trust Estate

Under the Indenture, the Issuer grants to the Trustee a security interest in the following property described below in (a) through (c) to secure the Bonds (said property being herein referred to as the “Trust Estate”) in order to secure the payment of principal of, premium, if any, and interest on the Bonds according to their tenor and effect, the payment to Freddie Mac of the Freddie Mac Reimbursement Amount and the Freddie Mac Credit Enhancement Fee in accordance with the provisions thereof and of the Credit Enhancement Agreement and Reimbursement Agreement, or the payment of amounts due and owing to any other Credit Facility Provider following termination of the Credit Enhancement Agreement, and the performance and observance by the Issuer of all the covenants expressed or implied in the Indenture and in the Bonds:

(a) all right, title and interest of the Issuer in and to all Revenues;

(b) all right, title and interest of the Issuer in and to the Financing Agreement, the Bond Mortgage Note, the Bond Mortgage and the Credit Facility (other than the Unassigned Rights), including all extensions and renewals of the terms thereof, if any, including, but without limiting the generality of the foregoing, the present and continuing right to receive, receipt for, collect or make claim for any of the moneys, income, revenues, issues, profits and other amounts payable or receivable thereunder, whether payable under the above-referenced documents or otherwise, to bring actions and proceedings thereunder or for the enforcement thereof, and to do any and all things which the Issuer or any other person is or may become entitled to do under said documents; and

(c) Except for funds, money or securities in the Costs of Issuance Fund, the Principal Reserve Fund, the Rebate Fund and the Bond Purchase Fund, all funds, money and securities and any and all other rights and interests in property whether tangible or intangible from time to time hereafter by delivery or by writing of any kind, conveyed, mortgaged, pledged, assigned or transferred as and for additional security under the Indenture for the Bonds by the Issuer or by anyone on its behalf or with its written consent to the Trustee.

Limited Obligations

The Bonds are special obligations of the Administration, payable solely from the Trust Estate pledged therefor under the Indenture. The Administration has no taxing power. The Bonds do not constitute a debt of the State of Maryland, any political subdivision thereof, the Administration or the Department, or a pledge of the faith, credit or taxing power of the State, any such political subdivision, the Administration or the Department.

THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, OR ANY AGENCY OF THE UNITED STATES OF AMERICA, OR FREDDIE MAC, AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA OR BY FREDDIE MAC. PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE BONDS IS NOT GUARANTEED BY FREDDIE MAC. THE OBLIGATIONS OF FREDDIE MAC UNDER THE CREDIT ENHANCEMENT AGREEMENT ARE OBLIGATIONS SOLELY OF FREDDIE MAC AND ARE NOT BACKED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA.

The Credit Enhancement Agreement

To provide the primary security for the Bonds, Freddie Mac will enter into the Credit Enhancement Agreement with the Trustee. See “FREDDIE MAC” and “APPENDIX C - FORM OF CREDIT ENHANCEMENT AGREEMENT.” Pursuant to the Credit Enhancement Agreement, subject to certain requirements set forth therein, Freddie Mac is required to pay Guaranteed Payments with respect to the Bond Mortgage Loan relating to the Bonds when and in the amounts due, and the Purchase Price of the Bonds in accordance with the terms of the Indenture and Credit Enhancement Agreement. See “APPENDIX A - DEFINITIONS OF CERTAIN TERMS” for a definition of “Guaranteed Payments.”

FREDDIE MAC

The information presented under this caption “FREDDIE MAC” has been supplied by Freddie Mac. None of the Issuer, the Trustee, or the Borrower has independently verified such information, and none assumes responsibility for the accuracy of such information. The information is qualified in its entirety by reference to the Incorporated Documents (as defined below).

Freddie Mac is a shareholder-owned government-sponsored enterprise created on July 24, 1970, pursuant to the Federal Home Loan Mortgage Corporation Act, Title III of the Emergency Home Finance Act of 1970, as amended, 12 U.S.C. §§ 1451-1459 (the “Freddie Mac Act”). Freddie Mac’s statutory mission is (i) to provide stability in the secondary market for residential mortgages; (ii) to respond appropriately to the private capital market; (iii) to provide ongoing assistance to the secondary market for residential mortgages (including activities relating to mortgages on housing for low- and moderate-income families involving a reasonable economic return that may be less than the return earned on other activities); and (iv) to promote access to mortgage credit throughout the United States (including central cities, rural areas and underserved areas) by increasing the liquidity of mortgage financing. Neither the

United States nor any agency or instrumentality of the United States is obligated, either directly or indirectly, to fund the mortgage purchase or financing activities of Freddie Mac or to guarantee Freddie Mac's securities or obligations.

Freddie Mac's principal business consists of the purchase of (i) first-lien, conventional residential mortgages subject to certain maximum loan limits and other underwriting requirements under the Freddie Mac Act and (ii) securities backed by such mortgages. Freddie Mac finances its mortgage purchases and mortgage backed securities purchased through the issuance of a variety of securities, primarily pass-through mortgage participation certificates and unsecured debt, as well as with cash and equity capital.

On September 7, 2008, the Director of the Federal Housing Finance Agency ("FHFA") appointed FHFA as conservator of Freddie Mac in accordance with the Federal Housing Finance Reform Act of 2008 (the "Reform Act") and the Federal Housing Enterprises Financial Safety and Soundness Act of 1992. On September 7, 2008, in connection with the appointment of FHFA as conservator, Freddie Mac and the U.S. Department of the Treasury ("Treasury") entered into a Senior Preferred Stock Purchase Agreement. Also, pursuant to its authority under the Reform Act, Treasury announced that it has established the Government Sponsored Enterprise Credit Facility (a lending facility to ensure credit availability to Freddie Mac, Fannie Mae, and the Federal Home Loan Banks that will provide secured funding on an as needed basis under terms and conditions established by the Treasury Secretary to protect taxpayers) and a program under which Treasury will purchase Government Sponsored Enterprise (including Freddie Mac) mortgage-backed securities (MBS) in the open market. The announcements by FHFA and Treasury and descriptions of these programs are available at their respective websites: <http://www.OFHFA.gov> and <http://www.Treasury.gov>.

Freddie Mac registered its common stock with the U.S. Securities and Exchange Commission (the "SEC") under the Securities Exchange Act of 1934 (the "Exchange Act"), effective July 18, 2008. As a result, Freddie Mac files annual, quarterly and current reports, proxy statements and other information with the SEC. Prior to July 18, 2008, Freddie Mac prepared an annual Information Statement (containing annual financial disclosures and audited consolidated financial statements) and Information Statement Supplements (containing periodic updates to the annual Information Statement).

As described below, Freddie Mac incorporates certain documents by reference in this Official Statement, which means that Freddie Mac is disclosing information to you by referring you to those documents rather than by providing you with separate copies. Freddie Mac incorporates by reference in this Official Statement its proxy statement, and all documents that Freddie Mac files with the SEC pursuant to Section 13(a), 13(c) or 14 of the Exchange Act, after July 18, 2008 and prior to the completion of the offering of the related Bonds, excluding any information that Freddie Mac may "furnish" to the SEC but that is not deemed to be "filed." Freddie Mac also incorporates by reference its Registration Statement on Form 10, in the form declared effective by the SEC on July 18, 2008 (the "Registration Statement"). These documents are collectively referred to as the "Incorporated Documents" and are considered part of this Official Statement. SUMMARY OF CERTAIN PROVISIONS OF THE REIMBURSEMENT AGREEMENT

The obligations of the Borrower to Freddie Mac under the Credit Enhancement Agreement are evidenced by the Reimbursement Agreement. The following is a brief summary of the Reimbursement Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the full text of the Reimbursement Agreement, a copy of which is on file with the Trustee.

Under the Reimbursement Agreement, the Borrower has promised to repay Freddie Mac all sums of money Freddie Mac has advanced to the Trustee for the Guaranteed Payments made on the Bond Mortgage Loan as well as any payments made for Purchased Bonds upon a failed remarketing. The Reimbursement Agreement also provides that the Borrower will pay the Freddie Mac Credit Enhancement Fee, the Ordinary Servicing Fees and Expenses and other fees and expenses as provided therein.

Under the provisions of the Reimbursement Agreement, Freddie Mac may declare an Event of Default if:

- (a) the Borrower fails to pay any amounts due under the Reimbursement Agreement, including, without limitation, any fees, costs or expenses;
- (b) the Borrower fails to observe or perform any of the terms, covenants, conditions or agreements set forth in the Reimbursement Agreement or in any of the other Borrower Documents, taking into account any applicable cure period;
- (c) an Event of Default occurs under the Reimbursement Mortgage or any of the other Borrower Documents referred to in the Reimbursement Agreement;
- (d) any representation or warranty made by or on behalf of the Borrower under the Reimbursement Agreement or any of the other Borrower Documents or in any certificate delivered by the Borrower to Freddie Mac or the Servicer pursuant to the Reimbursement Agreement or any other Borrower Document referred to in the Reimbursement Agreement was inaccurate or incorrect in any material respect when made or deemed made;

(e) Purchased Bonds have not been remarketed as of the ninetieth day following purchase by the Trustee on behalf of the Borrower and the Borrower has not reimbursed Freddie Mac for the amount advanced to purchase the Purchased Bonds, together with any fees and other amounts due under the Reimbursement Agreement;

(f) a Reset Period expires and the Borrower has not either received the prior written consent of Freddie Mac to a change in interest mode or the maintenance of the existing mode or delivered an Alternate Credit Facility;

(g) any default or event of default occurs, after the expiration of any applicable cure period under the terms of any subordinate debt with respect to the Project;

(h) the Borrower shall have failed to obtain an extension of the Credit Enhancement Agreement or commence arrangements for replacement of the Credit Enhancement Agreement with an Alternate Credit Facility pursuant to the terms of the Reimbursement Agreement or, if for any other reason, Freddie Mac shall not have been replaced by a Credit Facility Provider under the terms of the Indenture and Financing Agreement by October 1, 2028; or

(i) the Borrower shall have failed to complete the repairs set forth in the Repair Agreement by the Completion Date (as defined in the Repair Agreement) as set forth in the Repair Agreement, unless such Completion Date shall have been extended.

Upon an Event of Default, Freddie Mac may declare all the obligations of the Borrower under the Reimbursement Agreement to be immediately due and payable, in which case all such obligations shall become due and payable, without presentment, demand, protest or notice of any kind, including notice of default, notice of intent to accelerate or notice of acceleration. In addition to the foregoing, Freddie Mac may take any other action at law or equity without notice or demand, as it deems advisable, to protect and enforce its rights against the Borrower in the Project, including foreclosing against the Project subject to the Bond Mortgage. If Freddie Mac elects to foreclose against the Project, it has the option to keep the Bonds outstanding or cause a redemption of the Bonds.

Freddie Mac shall have the right, to be exercised in its discretion, to waive any Event of Default under the Reimbursement Agreement. Unless such waiver expressly provides to the contrary, any waiver so granted shall extend only to the specific event or occurrence and not to any other similar event or occurrence which occurs subsequent to the date of such waiver.

The obligations of the Borrower under the Reimbursement Agreement will be secured by the Reimbursement Mortgage and certain rights of subrogation to the rights of the Bondholders. The Reimbursement Mortgage will be subordinate to the Bond Mortgage, subject to the terms of the Intercreditor Agreement. Bondholders will have no rights under and are not third-party beneficiaries under the Reimbursement Mortgage.

THE BORROWER AND THE PROJECT

The following information concerning the Borrower and the Project has been provided by the Borrower and has not been independently confirmed or verified by the Issuer, the Trustee, the Underwriter or Freddie Mac. Although the information shown below has been obtained from sources believed to be reliable, no representation is made herein by the Issuer, the Trustee, the Underwriter or Freddie Mac as to the accuracy or adequacy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof. The Issuer has not independently reviewed

the financial feasibility of the Project and makes no representation, direct or indirect, that the Project will be able to generate sufficient income to pay debt service on the Bonds and operating expenses.

The Borrower

Kirkwood House Preservation Limited Partnership, a Delaware limited partnership (the “Borrower”) was formed pursuant to a Partnership Agreement (the “Borrower’s Partnership Agreement”) for the purpose of acquiring, renovating and operating the Project. The Borrower’s General Partner is Kirkwood Housing Associates, LLC, a Maryland limited liability company authorized to do business in the State of Maryland (the “General Partner”). The managing member of the General Partner is Greater Baltimore AHC Inc. (“GBAHC”), a Maryland non-profit corporation, which also is serving as the Co-Developer of the Project. GBAHC is a private, non-profit developer of low- and moderate- income housing with a mission to preserve the supply of affordable housing for low- and moderate- income families and individuals living in the Baltimore metropolitan area and to ensure that apartment communities and single family homes developed and/or owned by GBAHC enhance the quality of life in the neighborhoods where they are located. The special limited partner of the Borrower is AIMCO Kirkwood House Preservation SLP, LLC, a Delaware limited liability company authorized to do business in the State of Maryland (the “Special Limited Partner”). The managing member of the Special Limited Partner is AIMCO Equity Services, Inc. (“AIMCO Equity Services”), a Virginia corporation, which also is serving as the Co-Developer of the Project. AIMCO Equity Services is an affiliate of Apartment Investment and Management Company (“AIMCO”). AIMCO’s common stock is publicly traded on the New York Stock Exchange under the symbol AIV. Information about AIMCO may be found at the web site of the Securities and Exchange Commission and at www.aimco.com. The limited partner of the Borrower is AIMCO Capital Tax Credit Fund IX, LLC, a Delaware limited liability company (the “Investor Limited Partner”). The Investor Limited Partner also is affiliated with AIMCO. The Investor Limited Partner expects that its limited partnership interests will be syndicated and sold to investors. The General Partner holds a 0.009% partnership interest, the Special Limited Partner holds a 0.001% partnership interest and the Investor Limited Partner owns a 99.99% limited partnership interest in the Borrower.

The Project

The Borrower will acquire and undertake a \$5.8 million renovation of Kirkwood House Apartments, located at 6401 Loch Raven Boulevard, Baltimore, Maryland 21239. Kirkwood House Apartments consists of 260 one-bedroom units and 1 two-bedroom unit, with a Section 8 Housing Assistance Payment (“HAP”) contract covering all one-bedroom units. Each unit features a range/oven and a refrigerator in the kitchen, as well as a garbage disposal. All units have carpeting throughout, with the exception of vinyl tiled kitchens and bathrooms, and central air conditioning and heating. Kirkwood House Apartments is serviced by four (4) elevators and all apartments feature emergency pull cords. In conjunction with the redevelopment, Kirkwood House Apartments will be preserved as affordable housing through continuation of the HAP contract and a new regulatory agreement associated with the financing. The redevelopment scope of work includes extension of sprinklers, replacement of kitchen appliances and cabinets, replacement of windows, replacement of bathroom fixtures and accessories, replacement of apartment HVAC systems (as needed), apartment interior painting, modernization of elevators, and improvements to common area painting and carpeting, amongst other items.

THE SERVICER

Wachovia Multifamily Capital, Inc. (the “Servicer”), will perform mortgage servicing functions with respect to the Bond Mortgage Loan on behalf of and in accordance with Freddie Mac requirements. The servicing arrangements between Freddie Mac and the Servicer for servicing the Bond Mortgage Loan

are solely between Freddie Mac and the Servicer and neither the Issuer nor the Trustee is deemed to be a party thereto or has any claim, right, obligation, duty or liability with respect to the servicing of the Bond Mortgage Loan.

The Servicer will be obligated, pursuant to its arrangements with Freddie Mac and Freddie Mac's servicing requirements, to perform diligently all services and duties customary to the servicing of mortgages, as well as those specifically prescribed by Freddie Mac. Freddie Mac will monitor the Servicer's performance and has the right to remove the Servicer with or without cause. The duties performed by the Servicer include general loan servicing responsibilities, collection and remittance of principal and interest payments, administration of mortgage escrow accounts and collection of insurance claims.

CERTAIN BONDHOLDERS' RISKS

The purchase of the Bonds will involve a number of risks. The following is a summary, which does not purport to be comprehensive or definitive, of some of such risk factors.

No Borrower Personal Liability

The Borrower has not been nor will it be (subject to certain exceptions to non-recourse liability for the benefit of Freddie Mac set forth in the Financing Agreement and the mortgage instruments) personally liable for payments on the Bond Mortgage Loan, nor will the Borrower be (subject to certain exceptions to non-recourse liability set forth in the Bond Mortgage and subject to certain exceptions to non-recourse liability set forth in the Financing Agreement with respect to the Issuer and the payment of the rebate amount) personally liable under the other documents executed in connection with the Bonds and the making of such Bond Mortgage Loan. All payments on the Bond Mortgage Loan are expected to be derived from revenues generated by the Project.

Credit Facility; Primary Security

While the Bonds bear interest at the Variable Rate, owners of the Bonds may tender their Bonds for purchase at any time upon seven days' notice. See "THE BONDS - Demand for and Mandatory Purchase of the Bonds." It is therefore expected that, during any Variable Period, the primary security for the Bonds will be the Credit Enhancement Agreement delivered by Freddie Mac to the Trustee in order to pay the principal, interest and purchase price for the Bonds. See "Enforceability and Bankruptcy" below. Based on this expectation, no financial information as to the creditworthiness of the Borrower or the value of the Project is included herein.

Limited Security

The Bonds are limited obligations of the Issuer payable solely from certain funds pledged to and held by the Trustee pursuant to the Indenture.

No Acceleration or Early Redemption Upon Loss of Tax Exemption on the Bonds

THE BONDS ARE NOT SUBJECT TO ACCELERATION OR REDEMPTION (UNLESS FREDDIE MAC SHALL CAUSE, IN ITS SOLE DISCRETION, SUCH ACCELERATION OR REDEMPTION), AND THE RATE OF INTEREST ON THE BONDS IS NOT SUBJECT TO RETROACTIVE ADJUSTMENT, BY REASON OF THE INTEREST ON THE BONDS BEING INCLUDED IN GROSS INCOME FOR PURPOSES OF FEDERAL INCOME TAXATION. Such event could occur if the Borrower (or any subsequent owner of the Project) does not comply with the provisions

of the Financing Agreement and the Tax Regulatory Agreement, which are designed, if complied with, to satisfy the continuing compliance requirements the Internal Revenue Code of 1986, as amended (the “Code”), in order for the interest on the Bonds to be excludable from gross income for purposes of federal income tax. Under such circumstances, interest on the Bonds might become subject to federal income taxation retroactive to the date of issuance or some other subsequent date.

Early Redemption

Purchasers of Bonds, including those who purchase Bonds at a price in excess of their principal amount or who hold such a Bond trading at a price in excess of par, should consider the fact that the Bonds are subject to redemption at a redemption price equal to their principal amount plus accrued interest in the event such Bonds are redeemed prior to maturity. This could occur, for example, in the event that the Bond Mortgage Loan is prepaid as a result of a casualty or condemnation award payments affecting the Project or there is a default under the Bond Mortgage. See “THE BONDS - Mandatory Redemption.”

Economic Feasibility

The economic feasibility of the Project depends in large part upon it being substantially occupied at projected rent levels. There can be no assurance that in the future the Borrower will be able to market its services at rates which will enable it to make timely payments on the Bond Mortgage Loan.

Competing Facilities

The Issuer, the Borrower, and persons who may or may not be affiliated with the Issuer or the Borrower may own, finance, develop, construct, and operate other facilities in the area of the Project that could compete with the Project. Any competing facilities, if so constructed, could adversely affect occupancy and revenues of the Project.

Enforceability and Bankruptcy

The remedies available to the Trustee and the holders of the Bonds upon an event of default under the Financing Agreement, the Credit Enhancement Agreement or the Indenture are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay.

Under existing laws and judicial decisions, the remedies provided under the aforesaid documents may not readily be available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds and the aforesaid documents will be qualified to the extent that the enforceability of certain legal rights related to the Bonds is subject to limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by equitable remedies and proceedings generally.

Normal Risks

Normal risks attending any investment in real estate include possible adverse use of adjoining land, fire or other casualty, condemnation, increased taxes, changes in demand for such facilities, increases in utility rates, adverse general and local economic conditions, energy shortages, a decline in property values in the Project, increases in operating costs due to inflation, non-compliance of tenants with the terms of their leases, unfavorable governmental regulation (such as enactment of rent controls), force majeure and uninsurable risks, construction strikes and decrease in the relative popularity of real estate investments as contrasted with other investments. These risks and many others cannot be

controlled by the Borrower, may have a substantial bearing on the profitability and financial feasibility of the Project and may affect the realizable value of the real estate and other collateral securing payment of the Bonds.

Environmental Matters

There are potential risks relating to environmental liability associated with the ownership of any property, including the Project. If hazardous substances are found to be located on the Project, the owners of the Project, including the Borrower, may be held liable for costs and other liabilities relating to such hazardous substances. In the event of foreclosure of the Project or active participation in the management of the Project by the Trustee on behalf of the Bondholders, the Trustee (and, indirectly, the Bondholders) may be held liable for costs and other liabilities related to hazardous substances, if any, on the site of the Project on a strict liability basis and such costs may exceed the value of the Project.

Management of the Project

The successful operation of the Project will depend, to a large extent, upon the management services provided by the manager of the Project and upon the ability of the Borrower to lease the units, keeping the Project substantially occupied through the term of the Bonds. There is no assurance that the manager will operate the Project on a profitable basis. There can be no assurance that the Project will be operated in a manner which will provide sufficient moneys to pay principal and interest on the Bonds and to operate and maintain the Project. See "THE BORROWER AND THE PROJECT."

Effect of Increases in Operating Expenses

It is impossible to predict future increases in operating expenses. Substantial increases in operating expenses will affect future net operating income of the Project and the ability of the Borrower to meet its debt service obligations, primarily, its reimbursement obligations to the Credit Facility Provider.

SUMMARY OF THE INDENTURE

The Bonds will be issued pursuant to, and secured by, the Indenture. The following is a brief summary of certain provisions of the Indenture pursuant to which the Bonds will be issued. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Indenture, copies of which are on file with the Trustee.

Establishment of Funds

The Indenture establishes the following funds:

- (1) Revenue Fund, and within the Revenue Fund a General Account and a Credit Facility Account;
- (2) Bond Fund and within the Bond Fund a Purchased Bonds Account;
- (3) Redemption Fund;
- (4) Administration Fund;
- (5) Costs of Issuance Fund;

- (6) Principal Reserve Fund; and
- (7) Rebate Fund.

Revenue Fund

Revenues shall be deposited by the Trustee, promptly upon receipt thereof, to the General Account of the Revenue Fund, except (i) the proceeds of the Bonds received by the Trustee on the Delivery Date; (ii) amounts paid pursuant to the Credit Facility, which shall be deposited in the Credit Facility Account; (iii) the Bond Fee Component received from the Servicer or the Borrower, which shall be deposited to the Administration Fund; (iv) as otherwise described below with respect to certain deposits into the Redemption Fund; (v) as otherwise specifically provided in the Indenture with respect to deficiencies in the Administration Fund; (vi) with respect to investment earnings to the extent required under the terms of the Indenture to be retained in the funds and accounts to which they are attributable; (vii) as otherwise specifically provided in the Indenture with respect to certain deposits into the Principal Reserve Fund; and (viii) with respect to amounts required to be transferred between funds and accounts as provided in the Indenture.

On each Interest Payment Date or any other date on which payment of principal of or interest on the Bonds becomes due and payable, the Trustee, out of money in the Credit Facility Account and the General Account of the Revenue Fund, shall credit the following amounts to the following funds, but in the order and within the limitations indicated with respect thereto, as follows:

FIRST: to the Bond Fund from money in the Credit Facility Account of the Revenue Fund, an amount equal to the principal of and interest due on the Bonds on such date (excluding principal of and interest on any Purchased Bonds and excluding the principal constituting a mandatory sinking fund payment on any Bonds on such date); and

SECOND: to the Redemption Fund from money in the Credit Facility Account of the Revenue Fund, an amount equal to the principal amount due and payable on the Bonds with respect to mandatory sinking fund redemption (excluding principal of any Purchased Bonds) on such date; and

THIRD: to the Redemption Fund from money in the Credit Facility Account (i) amounts paid to the Trustee under the Credit Facility to be applied to the mandatory redemption of all or a portion of the Bonds (other than a mandatory sinking fund redemption) and (ii) amounts paid to the Trustee under the Credit Facility to be applied to the optional redemption of all or a portion of the Bonds; and

FOURTH: to the Purchased Bonds Account in the Bond Fund from money in the General Account, an amount equal to the interest due on the Purchased Bonds on such date.

Promptly upon receipt, the Trustee shall deposit directly to the Redemption Fund (i) Net Proceeds representing casualty insurance proceeds or condemnation awards paid as a prepayment of the Bond Mortgage Loan, such amount to be applied to reimburse the Credit Facility Provider for a draw under the Credit Facility in such amount to provide for extraordinary mandatory redemption of all or a portion of the Bonds; (ii) Eligible Funds (other than draws under the Credit Facility) paid to the Trustee to be applied to the optional redemption of all or a portion of the Bonds; and (iii) Eligible Funds (other than draws under the Credit Facility) paid to the Trustee to be applied to the payment of any redemption premium in connection with an optional redemption of all or a portion of the Bonds.

Should the amount in the Bond Fund be insufficient to pay the amount due on the Bonds on any given Interest Payment Date or other payment date after the transfers from the Credit Facility Account, the Trustee shall credit to the Bond Fund the amount of such deficiency by charging the following funds and accounts in the following order of priority: (1) the General Account of the Revenue Fund; (2) the Administration Fund; (3) the Redemption Fund, except no such charge to the Redemption Fund shall be made from money to be used to effect a redemption for which notice of redemption has been provided for or from money which are held for payment of Bonds which are no longer Outstanding; and (4) at the written direction of the Credit Facility Provider, the Principal Reserve Fund.

Bond Fund

The Trustee will charge the Bond Fund, on each Interest Payment Date, an amount equal to the unpaid interest and principal due on the Bonds on such Interest Payment Date, and will cause the same to be applied to the payment of such interest and principal when due (excluding principal on any Purchased Bond). Any moneys remaining in the Bond Fund on any Interest Payment Date after application as provided in the preceding sentence may, to the extent there shall exist any deficiency in the Redemption Fund to redeem Bonds called for mandatory sinking fund redemption on such Interest Payment Date, be transferred to the Redemption Fund to be applied for such purpose. Any balance remaining in the Bond Fund on the Business Day immediately succeeding an Interest Payment Date will be transferred to the Servicer for payment to the Credit Facility Provider to be applied in accordance with the Reimbursement Agreement. Income realized from the investment or deposit of moneys in the Bond Fund shall be deposited by the Trustee upon receipt in the General Account of the Revenue Fund.

Redemption Fund

Any money credited to the Redemption Fund shall be applied as described under “Revenue Fund” above; provided, however, that to the extent any money credited to the Redemption Fund from Eligible Funds (other than draws under the Credit Facility) is in excess of the amount necessary to effect the redemptions described it shall be applied to make up any deficiency in the Bond Fund on any Interest Payment Date, to the extent money then available as described above in the General Account of the Revenue Fund and the Administration Fund are insufficient to make up such deficiency, provided that no money to be used to effect a redemption for which a conditional notice of redemption, the conditions of which have been satisfied, or an unconditional notice of redemption has been provided or money which are held for payment of Bonds which are no longer Outstanding shall be so transferred to the Bond Fund. On or before each Interest Payment Date, the income realized from the investment of moneys in the Redemption Fund will be credited by the Trustee to the General Account of the Revenue Fund.

Administration Fund

Amounts in the Administration Fund shall be withdrawn or maintained, as appropriate, by the Trustee and used **FIRST**, to make up any deficiency in the Bond Fund on any Interest Payment Date, to the extent money then available in the General Account of the Revenue Fund are insufficient to make up such deficiency; **SECOND**, to pay to the Trustee when due the Ordinary Trustee’s Fees and Expenses; **THIRD**, to pay to the Issuer when due the Issuer Fee; **FOURTH**, to pay when due the reasonable fees and expenses of a Rebate Analyst in connection with the computations relating to arbitrage rebate required under the Indenture and the Financing Agreement, upon receipt of an invoice from the Rebate Analyst; **FIFTH**, to deposit to any Custodial Escrow Account any deficiency in the amount held therein as certified in writing by the Servicer (or subsequent holder of the account) to the Trustee; **SIXTH**, to pay to the Remarketing Agent any unpaid portion of the Remarketing Agent Fee owed to it (to the extent such unpaid portion is included in the Bond Fee Component) as set forth in an invoice sent to the Trustee; **SEVENTH**, to pay to the Trustee any Extraordinary Trustee’s Fees and Expenses due and payable from

time to time, as set forth in an invoice submitted to the Issuer and Freddie Mac; **EIGHTH**, to pay to the Issuer any extraordinary expenses it may incur in connection with the Bonds or the Indenture from time to time, as set forth in an invoice submitted to the Trustee and Freddie Mac; **NINTH**, to pay to the Credit Facility Provider any unpaid portion of the amounts due under the Reimbursement Agreement, as certified in writing by the Credit Facility Provider to the Trustee; **TENTH**, to pay to the Servicer any unpaid portion of the Ordinary Servicing Fees and Expenses and any Extraordinary Servicing Fees and Expenses due and owing from time to time, as set forth in an invoice submitted to the Trustee and Freddie Mac; **ELEVENTH**, to make up any deficiency in the Redemption Fund on any redemption date of Bonds, to the extent money then available as described under “Revenue Fund” above in the Redemption Fund are insufficient to redeem Bonds called for redemption on such redemption date; **TWELFTH**, to pay to the Rating Agency when due the annual rating maintenance fee, if any, as set forth in an invoice sent to the Trustee; **THIRTEENTH**, to pay to the Remarketing Agent any unpaid portion of fees owed to it upon receipt of invoices by the Trustee; and **FOURTEENTH**, to transfer any remaining balance after application as aforesaid to the General Account of the Revenue Fund.

In the event that the amounts on deposit in the Administration Fund are not equal to the amounts payable from the Administration Fund as provided in the preceding paragraph on any date on which such amounts are due and payable, the Trustee shall give notice to the Borrower of such deficiency and of the amount of such deficiency and request payment within five (5) Business Days to the Trustee of the amount of such deficiency. Upon payment by the Borrower of such deficiency, the amounts for which such deficiency was requested shall be paid by the Trustee. On or before each Interest Payment Date, the income realized from the investment of money in the Administration Fund shall be credited by the Trustee to the General Account of the Revenue Fund.

Principal Reserve Fund

There shall be deposited into the Principal Reserve Fund the Principal Reserve Schedule Payments. Any interest earned on or profits realized from amounts on deposit in the Principal Reserve Fund shall be deposited into the Principal Reserve Fund and, provided that the Trustee has not received notice from the Servicer of a deficiency in the Principal Reserve Fund, the Hedge Fee Escrow or other Custodial Escrow Account, and there is no deficiency in the Administration Fund or the Rebate Fund, and the Trustee has not received notice that a default exists under any of the Bond Mortgage Loan Documents, shall promptly be paid to the Borrower on the Interest Payment Date next succeeding receipt of such interest or profits by the Trustee. In addition, there shall be deposited into the Principal Reserve Fund remarketing proceeds relating to Purchased Bonds, which shall be used to reimburse the Credit Facility Provider in an amount equal to the amount of any Liquidity Advance paid to the Trustee to purchase Bonds on any Settlement Date.

At the direction of the Credit Facility Provider, amounts on deposit in the Principal Reserve Fund shall be used by the Trustee to pay any amounts required to be paid by the Borrower under any Bond Mortgage Loan Document, to pay any amounts owed to the Credit Facility Provider in connection with any loan purchased by the Credit Facility Provider and secured by the Project, or to pay any other amount agreed to in writing by the Borrower and the Credit Facility Provider; provided that the amounts on deposit in the Principal Reserve Fund shall, upon the occurrence of an event of default under any Bond Mortgage Loan Document, be used in any manner and for any purpose specified by the Credit Facility Provider.

At the request of the Borrower, the Credit Facility Provider, in its sole and absolute discretion, may (i) consent to the release of all or a portion of the amounts on deposit in the Principal Reserve Fund to the Borrower (in which case the Trustee shall release such amounts to the Borrower, provided that if, in the judgment of the Rebate Analyst, the amount on deposit in the Rebate Fund at such time is less than

the amount required under the Indenture to be rebated to the United States Treasury, then prior to any such release to the Borrower, any amounts on deposit in the Principal Reserve Fund (up to the amount of such deficiency) shall be transferred to the Rebate Fund) and/or (ii) reduce or no longer require deposits to the Principal Reserve Fund.

On each Reset Adjustment Date, Variable Rate Adjustment Date and on the Fixed Rate Adjustment Date, amounts on deposit in the Principal Reserve Fund shall be used to reimburse the Credit Facility Provider in an amount equal to any Guaranteed Payment made by the Credit Facility Provider to the Trustee under the Credit Facility to redeem Bonds in Authorized Denominations pursuant to the Indenture.

On the first day of the month in which an Interest Payment Date falls during a Reset Period or a Fixed Rate Period, amounts on deposit in the Principal Reserve Fund shall be used to reimburse the Credit Facility Provider in an amount equal to any Guaranteed Payment made by the Credit Facility Provider to the Trustee under the Credit Facility to redeem Bonds in Authorized Denominations pursuant to the Indenture.

On any Interest Payment Date, to the extent of any deficiency in the Bond Fund, to the extent money then available in accordance with the Indenture in the General Account of the Revenue Fund, the Administration Fund and the Redemption Fund are insufficient to make up such deficiency, at the direction of the Credit Facility Provider, amounts on deposit in the Principal Reserve Fund shall be transferred to the Bond Fund in the amount of such deficiency.

Any amounts remaining in the Principal Reserve Fund after payment in full of the principal of and interest on the Bonds shall be applied as described herein under the caption "SUMMARY OF THE INDENTURE - Amounts Remaining in Funds."

Investment of Funds

Any moneys attributable to each of the funds and accounts under the Indenture (except the Principal Reserve Fund and the Bond Purchase Fund) will be invested by the Trustee, at the direction of the Issuer in Qualified Investments which mature on the earlier of (a) six months from the date of investment and (b) the date such moneys are needed; provided, that if the Trustee shall have entered into any investment agreement requiring investment of moneys in any fund or account under the Indenture in accordance with such investment agreement and if such investment agreement constitutes a Qualified Investment, such moneys shall be invested in accordance with such requirements; and provided, further, that amounts in the Credit Facility Account of the Revenue Fund shall be held uninvested or shall be invested only in Government Obligations or in Qualified Investments of the type described in subparagraph (g) of the definition thereof, which, in any case, shall mature or be subject to tender or redemption at par on or prior to the earlier of: (i) 30 days from the date of investment or (ii) the date such moneys are required to be applied pursuant to the Indenture. Except as otherwise provided in the preceding sentence, in the absence of the written direction of the Issuer, the Trustee shall invest amounts on deposit in the funds and accounts established under the Indenture in investments described in subparagraph (g) of the definition of Qualified Investments. Such investments may be made through the investment or securities department of the Trustee. All such Qualified Investments purchased with money in any fund or account under the Indenture shall mature, or shall be subject to redemption or withdrawal without discount or penalty at the option of the Trustee, prior to the next succeeding Interest Payment Date.

Amounts on deposit in the Principal Reserve Fund shall be invested and reinvested by the Trustee as provided in the Reimbursement Agreement.

Qualified Investments representing an investment of moneys attributable to any fund or account shall be deemed at all times to be a part of said fund or account, and, except as otherwise may be provided expressly in the Indenture, the interest thereon and any profit arising on the sale thereof shall be credited to the General Account of the Revenue Fund, and any loss resulting on the sale thereof shall be charged against the General Account of the Revenue Fund. Such investments shall be sold at the best price obtainable (at least par) whenever it shall be necessary so to do in order to provide moneys to make any transfer, withdrawal, payment or disbursement from such fund or account. In the case of any required transfer of moneys to another such fund or account, such investments may be transferred to that fund or account in lieu of the required moneys if permitted by the Indenture as an investment of moneys in that fund or account.

The Trustee will not be liable or responsible for any loss resulting from any investment made in accordance with the Indenture.

In computing for any purpose under the Indenture the amount in any fund or account on any date, obligations so purchased will be valued at Fair Market Value.

Rebate Fund

There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Indenture and the Tax Certificate. Subject to the payment provisions described below, all amounts on deposit at any time in the Rebate Fund shall be held by the Trustee in trust, to the extent required to satisfy the rebate requirement (as set forth in the Tax Certificate) and as calculated by the Rebate Analyst, for payment to the United States of America, and neither the Borrower, the Issuer, Freddie Mac nor the Borrower of any Bonds shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by the Indenture and by the Tax Certificate.

Costs of Issuance Fund

The Trustee will use moneys on deposit in the Costs of Issuance Fund to pay the costs of issuance on the Delivery Date or as soon as practicable thereafter upon delivery to the Trustee of appropriate invoices for such expenses and a requisition in the form attached to the Indenture. Amounts remaining on deposit in the Costs of Issuance Fund six months after the Delivery Date will be transferred to the Borrower to the extent such remaining amounts represent moneys contributed by the Borrower. Upon such final disbursement, the Trustee will close the Costs of Issuance Fund.

Moneys Held in Trust

All moneys held by the Trustee, as such, at any time pursuant to the terms of the Indenture shall be and thereby are assigned, transferred and set over unto the Trustee in trust for the purposes and under the terms and conditions of the Indenture.

Amounts Remaining in Funds

After full payment of the Bonds (or provision for payment thereof having been made in accordance with the Indenture) and full payment of the fees, charges and expenses of the Issuer and the Trustee and other amounts required to be paid under the Indenture or under the any Bond Mortgage Loan Document, including but not limited to the Credit Facility and the Reimbursement Agreement, any amounts remaining in any fund or account under the Indenture other than the Rebate Fund shall be paid to the Borrower; provided however, that if a default shall have occurred and remain uncured under any Bond

Mortgage Loan Document of which the Trustee shall have received written notice from the Credit Facility Provider or the Servicer, then any such amounts remaining in any fund or account under the Indenture shall be paid to the Credit Facility Provider in accordance with the Reimbursement Agreement.

Events of Default; Acceleration; Remedies

Each of the following constitutes an “event of default” with respect to the Bonds (an “Event of Default”) under the Indenture:

(a) failure to pay the principal or Purchase Price of, premium, if any, or interest on any Bond (other than Purchased Bonds) when due, whether on an Interest Payment Date, at the stated maturity thereof, by proceedings for redemption thereof, by acceleration or otherwise;

(b) failure by the Credit Facility Provider to make when due a required payment under the Credit Facility (a “Paragraph (b) Event of Default”); or

(c) failure to observe or perform any of the covenants, agreements or conditions on the part of the Issuer set forth in the Indenture (other than those regarding the payment of principal, interest, premium or Purchase Price) or in the Bonds and the continuance thereof for a period of thirty (30) days (or such longer period, if any, as is specified in the Indenture for particular defaults) after written notice thereof (which notice shall be effective only with the written consent of the Credit Facility Provider if no Event of Default has occurred and is then continuing) to the Issuer from the Trustee or the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding at such time specifying such default and requiring the same to be remedied; provided that if such default cannot be cured within such thirty (30) day period through the exercise of diligence and the Issuer commences the required cure within such thirty (30) day period and continues the cure with diligence and the Issuer reasonably anticipates that the default could be cured within sixty (60) days, the Issuer shall have sixty (60) following receipt of such notice to effect the cure.

The Trustee and the Issuer agree that, notwithstanding the provisions in the Indenture, no default under the terms of the Indenture will be construed as resulting in a default under the Bond Mortgage Note, the Bond Mortgage or any other Bond Mortgage Loan Documents unless such event also constitutes an Event of Default thereunder.

Upon the occurrence of an Event of Default as provided in (a) above, the Trustee shall, but so long as no Paragraph (b) Event of Default has occurred and is then continuing, only upon receipt from the Credit Facility Provider of a notice directing such acceleration (which notice may be given in the sole discretion of the Credit Facility Provider), by notice in writing delivered to the Issuer, declare the principal of all Bonds then Outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable, and interest on the Bonds shall cease to accrue.

Upon the occurrence of an Event of Default as provided in (c) above, the Trustee may, but so long as no Paragraph (b) Event of Default has occurred and is then continuing, only upon receipt of the written consent of the Credit Facility Provider (which consent may be given in the sole discretion of the Credit Facility Provider), by notice in writing delivered to the Issuer, declare the principal of all Bonds then Outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable, and interest on the Bonds shall cease to accrue. Upon the occurrence of a Paragraph (b) Event of Default, the Trustee may, and upon the written request of the Holders of more than 51 percent of the aggregate principal amount of the Bonds

then Outstanding and receipt of indemnity satisfactory to it shall, by notice in writing delivered to the Issuer, declare the principal of all Bonds then Outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable and interest on the Bonds shall cease to accrue upon such declaration. The payment on the Bonds resulting from a declaration of acceleration on the Bonds as the result of an Event of Default occurring in paragraphs (a) or (c) listed above under “Events of Default; Acceleration; Remedies” shall be made from the Credit Facility.

If at any time after the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the money due shall have been obtained or entered, the Issuer, the Borrower or the Credit Facility Provider, as applicable, shall pay to or deposit with the Trustee a sum sufficient to pay all principal of the Bonds then due (other than solely by reason of such declaration) and all unpaid installments of interest (if any) upon all the Bonds then due, with interest at the rate borne by the Bonds on such overdue principal and (to the extent legally enforceable) on such overdue installments of interest, and the reasonable fees and expenses of the Trustee and the Issuer shall have been made good or cured or adequate provision will have been made therefor, and all outstanding amounts then due and unpaid under the Reimbursement Agreement (including with respect to Freddie Mac all outstanding Freddie Mac Reimbursement Amounts and all Freddie Mac Credit Enhancement Fees) shall have been paid in full, and all other defaults under the Indenture have been made good or cured or waived in writing by the Credit Facility Provider (or, if a Paragraph (b) Event of Default has occurred and is then continuing, by the holders of more than 51 percent of the aggregate principal amount of the Bonds then Outstanding), then and in every case, the Trustee on behalf of the Holders of all the Outstanding Bonds shall rescind and annul such declaration and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent default, nor shall it impair or exhaust any right or power consequent thereon.

Upon the occurrence and during the continuance of an Event of Default, the Trustee in its own name and as trustee of an express trust, on behalf and for the benefit and protection of the Holders of all Bonds with respect to which such an Event of Default has occurred and of the Credit Facility Provider (if no Paragraph (b) Event of Default has occurred and is continuing), may also proceed to protect and enforce any rights of the Trustee and, to the full extent that the Holders of such Bonds themselves might do, the rights of such Bondholders under the laws of the State or under the Indenture by such of the following remedies as the Trustee shall deem most effectual to protect and enforce such rights; provided that, so long as no Paragraph (b) Event of Default has occurred and is then continuing, the Trustee may undertake any such remedy only upon the receipt of the prior written consent of the Credit Facility Provider (which consent may be given in the sole discretion of the Credit Facility Provider):

- (a) by mandamus or other suit, action or proceeding at law or in equity, to enforce the payment of the principal of, premium, if any, or interest on the Bonds then Outstanding and to require the Issuer or the Credit Facility Provider to carry out any covenants or agreements with or for the benefit of the Bondholders and to perform its duties under the Act, the Financing Agreement, the Tax Regulatory Agreement or the Credit Facility (as applicable) to the extent permitted under the applicable provisions thereof;

- (b) by pursuing any available remedies under the Financing Agreement the Tax Regulatory Agreement or the Credit Facility;

- (c) by realizing or causing to be realized through sale or otherwise upon the security pledged under the Indenture; and

(d) by action or suit in equity, to enjoin any acts or things that may be unlawful or in violation of the rights of the Holders of Bonds and to execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Trustee in order to have the respective claims of the Bondholders against the Issuer allowed in any bankruptcy or other proceeding.

No remedy by the terms of the Indenture conferred upon or reserved to the Trustee or to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee, the Credit Facility Provider or the Bondholders under the Indenture, the Financing Agreement, the Tax Regulatory Agreement, the Credit Facility or the Reimbursement Agreement, as applicable, or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. No waiver of any Event of Default under the Indenture, whether by the Trustee, the Credit Facility Provider or the Bondholders, shall extend to or shall affect any subsequent default or event of default or shall impair any rights or remedies consequent thereto. In all events, the rights of the Trustee to exercise remedies under the Indenture upon the occurrence of an Event of Default shall be subject to the provisions of the Intercreditor Agreement.

Rights and Remedies of Bondholders

If a Paragraph (b) Event of Default has occurred and is then continuing, and if requested in writing so to do by the Holders of more than 51 percent of the aggregate principal amount of the Bonds then Outstanding with respect to which there is a default, and if indemnified to its satisfaction, the Trustee shall exercise one or more of the rights and powers conferred by the Indenture as the Trustee, being advised by counsel, shall deem to be in the best interests of the affected Bondholders. If a Paragraph (b) Event of Default has occurred and is continuing, the Holders of more than 51 percent of the aggregate principal amount of the Bonds then Outstanding with respect to which an Event of Default has occurred shall have the right at any time, subject to the conditions described in the next succeeding paragraph, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Indenture, or for the appointment of a receiver or any other proceedings thereunder, in accordance with the provisions of law and of the Indenture.

No Holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of the Indenture or for the execution of any trust under the Indenture or for the appointment of a receiver or any other remedy thereunder, unless (a) a default shall have occurred of which the Trustee shall have been notified as provided therein; (b) such default shall have become a Paragraph (b) Event of Default; (c) the Holders of more than 51 percent of the aggregate principal amount of the Bonds then Outstanding with respect to which there is such an Event of Default shall have made written request to the Trustee and shall have offered the Trustee reasonable opportunity either to proceed to exercise the powers granted in the Indenture or to institute such action, suit or proceeding in its own name; (d) such owners shall have offered to the Trustee indemnity as provided in the Indenture; and (e) the Trustee shall within 60 days thereafter fail or refuse to exercise such powers or to institute such action, suit or proceeding, it being understood and intended that no one or more owners of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of the Indenture or the rights of any other owners of Bonds or to obtain priority or preference over any other Holders or to enforce any right under the Indenture, except in the manner provided in the Indenture with respect to the equal and ratable benefit of all owners of Bonds with respect to which there is a default. Nothing contained in the Indenture shall, however, affect or impair the right of any Bondholder to enforce the

payment of the principal of, the premium, if any, and interest on any Bond at the maturity thereof or the obligation to cause to be paid the principal of, premium, if any, and interest on the Bonds to the respective Holders thereof at the time, in the place, from the sources and in the manner expressed in said Bonds.

Rights of the Credit Facility Provider

If an Event of Default as described under paragraph (a) or (c) under “Events of Default; Acceleration; Remedies” above has occurred and so long as no Paragraph (b) Event of Default has occurred and is continuing, upon receipt of the written direction of the Credit Facility Provider (which direction may be given in the sole discretion of the Credit Facility Provider), the Trustee shall be obligated to exercise any right or power conferred by the remedial provisions of the Indenture in the manner set forth in such written direction of the Credit Facility Provider. If such written direction expressly states that the Trustee may exercise one or more of the rights and powers conferred in the Indenture as the Trustee, being advised by counsel, shall deem to be in the interest of the Bondholders and the Credit Facility Provider, the Trustee shall exercise one or more of such rights and powers as the Trustee shall deem to be in the best interests of the Bondholders and the Credit Facility Provider; provided, however, that in any event, so long as no Paragraph (b) Event of Default has occurred and is continuing, the Trustee may not undertake any action to realize, through sale or otherwise, upon the Bond Mortgage Loan without the express written direction of the Credit Facility Provider. So long as no Paragraph (b) Event of Default has occurred and is continuing, in the case of an Event of Default under paragraphs (a) or (c) under “Events of Default; Acceleration; Remedies” above, the Credit Facility Provider shall have the right, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Indenture, or for the appointment of a receiver or any other proceeding under the Indenture, in accordance with the provisions of law and of the Indenture.

Supplemental Indentures

Without the consent of, or notice to, any of the Bondholders, but with the prior written consent of the Credit Facility Provider, the Issuer and the Trustee may enter into supplemental indentures for any one or more of the following purposes:

- (i) to cure any formal defect, omission, inconsistency or ambiguity in the Indenture in a manner not materially adverse to the Holder of any Bond to be Outstanding after the effective date of the change;
- (ii) to grant to or confer upon the Trustee for the benefit of the Holders of the Bonds any additional rights, remedies, powers or authority that may lawfully be granted or conferred and that are not contrary to or inconsistent with the Indenture or the rights of the Trustee under the Indenture as theretofore in effect;
- (iii) to subject to the lien and pledge of the Indenture additional revenues, properties or collateral;
- (iv) to modify, amend or supplement the Indenture or any indenture supplemental to the Indenture in such manner as to permit the qualification of the Indenture and thereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect or to permit the qualification of the Bonds for sale under any state blue sky laws;
- (v) to make such additions, deletions or modifications as may be necessary, in the opinion of Bond Counsel delivered to the Issuer, the Trustee and the Credit Facility Provider, necessary to

maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds;

(vi) to modify, amend or supplement the Indenture as required by the Rating Agency to obtain or maintain a rating or ratings for the Bonds, except no change may be made that will adversely affect the interests of the Holders of the Bonds to be Outstanding after the effective date of the change;

(vii) during a Variable Period, to modify, amend or supplement the Indenture in any other respect, if notice of the proposed supplemental indenture is given to Bondholders (in the same manner as notices of redemption are given) at least thirty (30) days before the effective date thereof and, on or before such effective date, the Bondholders have the right to demand purchase of their Bonds pursuant to the Indenture;

(viii) to modify, alter, amend or supplement the Indenture in connection with the delivery of any Alternate Credit Facility or upon the occurrence of any Reset Adjustment Date, Variable Rate Adjustment Date or Fixed Rate Adjustment Date;

(ix) to implement or modify any secondary market disclosure requirements; and

(x) to modify, amend or supplement the Indenture in any other respect which is not materially adverse to the Holders of the Bonds to be Outstanding after the effective date of the change and which does not involve a change which would require Bondholder approval under the Indenture.

With the prior written consent of the Credit Facility Provider, the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, to consent to and approve the execution by the Issuer and the Trustee of such indenture or indentures supplemental to the Indenture as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Indenture; provided, however, that nothing in the section of the Indenture summarized under this heading shall permit, or be construed as permitting, (a) an extension of the time for payment of or reduction in the Purchase Price, or an extension of the time for payment of, or an extension of the stated maturity or reduction in the principal amount or reduction in the rate of interest on or extension of the time of payment, of interest on, or reduction of any premium payable on the redemption of, any Bonds, or a reduction in the Borrower's obligation on the Bond Mortgage Note, without the consent of the Holders of all of the Bonds then Outstanding, (b) the creation of any lien prior to or on a parity with the lien of the Indenture, (c) a reduction in the aforesaid percentage of the principal amount of Bonds which is required in connection with the giving of consent to any such supplemental indenture, without the consent of the Holders of all of the Bonds then Outstanding, (d) the modification of the rights, duties or immunities of the Trustee, without the written consent of the Trustee, (e) a privilege or priority of any Bond over any other Bonds or (f) any action that results in the interest on the Bonds becoming included in gross income for federal income tax purposes.

Anything in the Indenture to the contrary notwithstanding, unless the Borrower shall then be in default of any of its obligations under the Financing Agreement, the Reimbursement Agreement, the Tax Regulatory Agreement, the Bond Mortgage Note, the Bond Mortgage or the Reimbursement Mortgage, a supplemental indenture which affects any rights of the Borrower shall not become effective unless and until the Borrower shall have expressly consented in writing to the execution and delivery of such supplemental indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such supplemental indenture to be mailed by certified or registered mail to the Borrower

or the Borrower's attorney at least fifteen (15) days prior to the proposed date of execution and delivery of any supplemental indenture.

Notwithstanding any other provision of the Indenture, the Issuer and the Trustee may consent to any supplemental indenture upon receipt of the consent of the Credit Facility Provider, the Holders of all Bonds then Outstanding and, as applicable, the Borrower.

Satisfaction and Discharge of Indenture

If the Issuer shall pay or cause to be paid to the Holders of the Bonds the principal, interest and premium, if any, to become due thereon at the times and in the manner stipulated, in any one or more of the following ways:

(a) by the payment of the principal of (including redemption premium, if any) and interest on all Bonds outstanding; or

(b) by (i) the deposit or credit to the account of the Trustee, in trust, of money or securities in the necessary amount (as provided in the Indenture) to pay the principal, redemption price or Purchase Price and interest to the date established for purchase or redemption (calculated at the Maximum Rate to the extent the Bonds then bear interest at a Variable Rate for any period for which the Variable Rate on such Bonds has not yet been established) whether by redemption, purchase or otherwise, (ii) if the Bonds then bear interest at the Variable Rate, the delivery to the Trustee of a written confirmation by the Rating Agency of the rating then existing on the Bonds as of the date of such deposit or credit; and (iii) receipt by the Issuer and the Trustee of an opinion of Bond Counsel to the effect that such deposit will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes; or

(c) by the delivery to the Trustee, for cancellation by it, of all Bonds Outstanding;

and shall have paid all amounts due and owing to the Credit Facility Provider under the Indenture and under the Credit Facility and the Reimbursement Agreement, including but not limited to the Freddie Mac Reimbursement Amount and the Freddie Mac Credit Enhancement Fee, and shall have paid all fees and expenses of the Trustee, the Servicer, the Tender Agent, the Remarketing Agent and each Paying Agent, and if the Issuer shall keep, perform and observe all and singular the covenants and promises in the Bonds and in the Indenture expressed as to be kept, performed and observed by it or on its part, then these presents and the estates and rights granted by the Indenture shall cease, determine and be void, and thereupon the Trustee shall cancel and discharge the lien of the Indenture and execute and deliver to the Issuer such instruments in writing as shall be requisite to satisfy the lien of the Indenture, and reconvey to the Issuer the estate conveyed by the Indenture, and assign and deliver to the Issuer any interest in property at the time subject to the lien of the Indenture which may then be in its possession, except amounts held by the Trustee for the payment of principal of, interest and premium, if any, on the Bonds, the payment of any amounts owed to the United States pursuant to the Indenture or the payment of any amounts payable to the Credit Facility Provider.

Any Outstanding Bond shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in the Indenture if, under circumstances which do not cause interest on the Bonds to become includable in the Holders' gross income for purposes of federal income taxation, the following conditions shall have been fulfilled: (a) in case such Bond is to be redeemed on any date prior to its maturity, the Trustee shall have given to the Bondholder irrevocable notice of redemption of such Bond on said date; (b) there shall be on deposit with the Trustee, pursuant to the Indenture, either money or direct obligations of the United States of America in an amount, together

with anticipated earnings thereon (but not including any reinvestment of such earnings), which will be sufficient to pay, when due, the principal or redemption price, if applicable, and interest due and to become due on such Bond on the redemption date or maturity date thereof, as the case may be; (c) in the case of Bonds which do not mature or will not be redeemed within 60 days of such deposit, the Trustee shall have received a verification report of a firm of certified public accountants reasonably acceptable to the Trustee as to the adequacy of the amounts so deposited to fully pay the Bonds deemed to be paid; and (d) the Trustee shall have received an opinion of nationally recognized bankruptcy counsel, if required by subpart (e) of the definition of “Eligible Funds,” to the effect that such money constitutes Eligible Funds.

SUMMARY OF THE FINANCING AGREEMENT

The following is a brief summary of certain provisions of the Financing Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Financing Agreement, copies of which are on file with the Trustee.

In connection with the issuance of the Bonds, the Issuer, the Trustee and the Borrower will enter into the Financing Agreement. Pursuant to the terms of the Financing Agreement, the Issuer will agree to issue Bonds to fund the Bond Mortgage Loan by the Issuer to the Borrower, and the Borrower will agree, among other things, to make all payments under the Financing Agreement when due and to abide by the provisions of the Financing Agreement.

Terms of the Bond Mortgage Loan; Assignment

The Bond Mortgage Loan shall (a) be evidenced by the Bond Mortgage Note; (b) be initially secured by the Credit Facility; (c) be in the principal amount of \$16,000,000; (d) bear interest as provided in the Bond Mortgage Note; (e) provide for monthly payments into the Principal Reserve Fund in accordance with the Principal Reserve Schedule; and (f) be subject to optional and mandatory prepayment at the times, in the manner and on the terms, and have such other terms and provisions, as provided in the Financing Agreement and in the Bond Mortgage Note.

The Servicer shall service the Bond Mortgage Loan pursuant to the Commitment and the Guide. The Issuer, the Trustee and the Borrower acknowledge and agree that (a) selection or removal of any Servicer is in the sole and absolute discretion of the Credit Facility Provider; (b) neither the Issuer nor the Trustee shall terminate or attempt to terminate any Servicer as the servicer for the Bond Mortgage Loan or appoint or attempt to appoint a substitute servicer for the Bond Mortgage Loan; (c) the Commitment and the Guide are both subject to amendment without the consent of the Trustee, the Issuer or the Borrower; and (d) none of the Trustee, the Issuer or the Borrower shall have any rights under, or be a third party beneficiary of, the Guide. So long as no Wrongful Dishonor has occurred and is continuing, the Servicer shall have the right to collect all payments made by the Borrower in connection with the Bond Mortgage Loan and to receive copies of all reports and notices provided for by the Bond Financing Documents.

Bond Mortgage Loan Payments; Independent Obligation of Borrower

The Borrower agrees to repay the Bond Mortgage Loan at the times and in the amounts necessary to enable the Trustee, on behalf of the Issuer, to pay all amounts payable with respect to the Bonds, when due, whether at maturity or upon redemption (with premium, if applicable), acceleration, tender, purchase or otherwise. The obligation of the Borrower to make the payments set forth in the Financing Agreement will be an independent and separate obligation of the Borrower from its obligation to make payments under the Bond Mortgage Note, provided that in all events payments made by the Borrower under and pursuant to the Bond Mortgage Note will be credited against the Borrower's obligations under the

Financing Agreement. If for any reason the Bond Mortgage Note or any provision of the Bond Mortgage Note is held invalid or unenforceable against the Borrower by any court of competent jurisdiction, the Bond Mortgage Note or such provision of the Bond Mortgage Note will be deemed to be the obligation of the Borrower pursuant to the Financing Agreement to the full extent permitted by law and such holding will not invalidate or render unenforceable any of the provisions of the Financing Agreement and will not serve to discharge any of the Borrower's payment obligations under the Financing Agreement or eliminate the credit against such obligations to the extent of payments made under the Bond Mortgage Note.

The obligations of the Borrower to repay the Bond Mortgage Loan, to perform all of its obligations under the Bond Mortgage Loan Documents, to provide indemnification pursuant to the Financing Agreement, to pay costs, expenses and charges pursuant to the Financing Agreement and to make any and all other payments required by the Financing Agreement, the Indenture or any other documents contemplated by the Financing Agreement or by the Bond Mortgage Loan Documents will, subject to the limitations set forth in the Financing Agreement, be absolute and unconditional and will not be subject to diminution by setoff, recoupment, counterclaim, abatement or otherwise.

With certain exceptions, the obligations of the Borrower are non-recourse.

Payment of Certain Fees and Expenses Under the Bond Mortgage Note

The payments to be made by the Borrower under the Bond Mortgage Note include certain moneys to be paid in respect of, among others, the Bond Fee Component, the Ordinary Servicing Fees and Expenses, the Freddie Mac Credit Enhancement Fee, the Principal Reserve Schedule payments and amounts required to be deposited in the Custodial Escrow Account pursuant to the Bond Mortgage Loan Documents. To the extent that any portion of the Bond Fee Component, Ordinary Servicing Fees and Expenses, Freddie Mac Credit Enhancement Fee, Principal Reserve Schedule payments and amounts required to be deposited in the Custodial Escrow Account remain due and owing at any time, such amounts remaining due and owing will be payable from moneys on deposit in the Administration Fund as provided in the Indenture or from other moneys of the Borrower, to the extent that moneys in the Administration Fund are insufficient for such purposes. All other fees and expenses will be payable from moneys of the Borrower as provided in the Financing Agreement.

Prepayment of the Bond Mortgage Loan

(a) The Borrower shall have the option to prepay the Bond Mortgage Loan in full or in part prior to the payment and discharge of all the outstanding Bonds in accordance with the provisions of the Indenture, the Financing Agreement and the Bond Mortgage Note, provided however that an optional prepayment may be made only with the prior written consent of (i) the Credit Facility Provider and, within the ten year period beginning on the Closing Date, the Issuer, and (ii) in connection with the payment of any amount due described below. If the Borrower intends to use the proceeds of another first priority mortgage loan (any such potential loan, the "New Loan") to prepay the Bond Mortgage Loan within the ten year period beginning on the Closing Date, the Borrower must first offer the Issuer an opportunity to provide such new financing on the same material terms and conditions as will be provided by the New Loan. In such event, Borrower will submit to the Issuer in writing a letter summarizing the material terms and conditions of such New Loan (the "New Loan Terms Letter"). If the Issuer rejects or fails to respond to the New Loan Terms Letter within 10 days, the Issuer shall be deemed to have consented to the New Loan. If the Issuer accepts the terms and conditions set

forth in the New Loan Terms Letter, Borrower and the Issuer shall proceed in good faith to consummate a first priority mortgage loan upon such terms and conditions, it being understood and agreed that neither party shall be under any obligation to close such transaction.

The Borrower shall be required to prepay the Bond Mortgage Loan in each case that Bonds are required to be redeemed in accordance with the terms and conditions set forth in the Indenture.

In connection with any prepayment, whether optional or mandatory, in addition to all other payments required under the Bond Mortgage Note, the Borrower shall pay, or cause to be paid to the Servicer or other party as directed by the Credit Facility Provider (or, if no Credit Facility is then in effect, to the Trustee), an amount sufficient to pay the redemption price of the Bonds to be redeemed, including principal, interest and premium (if any), such premium to be paid in Eligible Funds not consisting of funds drawn under the Credit Facility, and further including any interest to accrue with respect to the Bond Mortgage Loan and such Bonds between the prepayment date and the redemption date, together with a sum sufficient to pay all fees, costs and expenses in connection with such redemption and, in the case of redemption in whole, to pay all other amounts payable under the Financing Agreement, the Indenture and the Reimbursement Agreement.

Borrower's Obligations Upon Redemption or Tender

In the event of any redemption, the Borrower will timely pay, or cause to be paid through the Servicer, to the Trustee an amount equal to the principal amount of such Bonds or portions thereof called for redemption, together with interest accrued to the redemption date and premium, if any, such premium to be paid in Eligible Funds not consisting of funds drawn under the Credit Facility. The Borrower will timely pay all fees, costs and expenses associated with any redemption of Bonds. In the event that on any optional tender date or mandatory tender date under and as provided in the Indenture, Bonds are tendered and not remarketed by the Remarketing Agent, and remarketing proceeds are not available for the purpose of paying the purchase price of such Bonds, the Borrower will cause to be paid, under and subject to the terms of the Credit Facility and the Reimbursement Agreement to the Trustee by the applicable times provided in the Indenture an amount equal to the principal amount of such Bonds tendered and not remarketed, together with interest accrued to the mandatory tender date or optional tender date, as the case may be. The Borrower acknowledges that Purchased Bonds will be purchased by the Trustee for and on behalf of, and registered in the name of, the Borrower and will be pledged to the Credit Facility Provider pursuant to the Pledge Agreement.

Tax Compliance

In the Financing Agreement, the Borrower has covenanted that it will not use the proceeds of the Bonds, the earnings thereon and any other moneys on deposit in any fund or account maintained in respect of the Bonds (whether such moneys were derived from the proceeds of the sale of the Bonds or from other sources) in a manner which would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

Events of Default and Remedies

The following shall be "Events of Default" under the Financing Agreement and the terms "Event of Default" or "default" shall mean, whenever they are used in the Financing Agreement, one or all of the following events:

(a) Any representation or warranty made by the Borrower in the Bond Financing Documents or any certificate, statement, data or information furnished by the Borrower in connection therewith or included by the Borrower in its application to the Issuer for assistance proves at any time to have been incorrect when made in any material respect;

(b) failure by the Borrower to pay any amounts due under the Financing Agreement, the Bond Mortgage Note or the Bond Mortgage at the times and in the amounts required by the Financing Agreement, the Bond Mortgage Note or the Bond Mortgage, subject to any applicable grace cure period;

(c) failure by the Borrower to observe and perform any of its other covenants, conditions or agreements contained in the Financing Agreement, other than as referred to in clause (a) above, for a period of 30 days after written notice specifying such failure and requesting that it be remedied is given by the Issuer or the Trustee to the Borrower; provided, however, that if the failure shall be such that it can be corrected but not within such period, the Issuer and the Trustee will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Borrower within such period and diligently pursued until the failure is corrected; or

(d) the occurrence of a default under the Reimbursement Agreement shall at the discretion of the Credit Facility Provider constitute an Event of Default under the Financing Agreement. The occurrence of an Event of Default under the Financing Agreement shall in the discretion of the Credit Facility Provider constitute a default under the Bond Mortgage Loan Documents and the Reimbursement Agreement.

Nothing contained in the Financing Agreement is intended to amend or modify any of the provisions of the Bond Financing Documents or to bind the Issuer, the Trustee, the Servicer or Credit Facility Provider to any notice and cure periods other than as expressly set forth in the Bond Financing Documents.

Remedies on Default

Subject to certain rights of the Credit Facility Provider described in the Financing Agreement and the provisions of the Intercreditor Agreement, whenever any Event of Default under the Financing Agreement shall have occurred and be continuing, any one or more of the following remedial steps may be taken:

(a) The Issuer shall cooperate with the Trustee as the Trustee acts pursuant to the provisions of the Indenture relating to remedies to the extent permitted by law.

(b) In the event any of the Bonds shall at the time be Outstanding and not paid and discharged in accordance with the provisions of the Indenture, the Issuer or the Trustee may have access to and inspect, examine and make copies of the books and records and any and all accounts, data and income tax and other tax returns of the Borrower.

(c) The Issuer or the Trustee may, without being required to give any notice (other than to the Issuer or the Trustee, as applicable), except as provided in the Financing Agreement, pursue all remedies of a creditor under the laws of the State, as supplemented and amended, or any other applicable laws.

(d) The Issuer or Trustee may take whatever action at law or in equity may appear necessary or desirable to collect the payments then due and thereafter to become due under the Financing Agreement, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under the Financing Agreement.

Any amounts collected pursuant to the Financing Agreement and any other amounts which would be applicable to payment of principal of and interest and any premium on the Bonds collected pursuant to action taken after default shall be applied in accordance with the provisions of the Indenture.

The provisions of the Financing Agreement are subject to the further limitation that if, after any Event of Default all amounts which would then be payable thereunder by the Borrower if such Event of Default had not occurred and was not continuing shall have been paid by or on behalf of the Borrower, the Borrower shall have also performed all other obligations in respect of which it is then in default thereunder, and shall have paid the reasonable charges and expenses of the Issuer, the Trustee, the Servicer and the Credit Facility Provider, including reasonable attorneys' fees paid or incurred in connection with such default, and shall have paid all amounts owed to the Credit Facility Provider, including, but not limited to, any Freddie Mac Reimbursement Amounts and Freddie Mac Credit Enhancement Fees, and if there shall then be no default existing under the Indenture, then and in every such case such Event of Default under the Financing Agreement shall be waived and annulled, but no such waiver or annulment shall affect any subsequent or other Event of Default or impair any right consequent thereon.

SUMMARY OF THE TAX REGULATORY AGREEMENT

The following is a brief summary of certain provisions of the Tax Regulatory Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the full text of the Tax Regulatory Agreement, a copy of which is on file with the Trustee.

The following terms have the meanings provided below:

“AMGI” means the area median gross income for the area in which the Project is located, as determined from time to time by the Secretary of the United States Department of Housing and Urban Development in a manner consistent with determinations of lower income families and area median gross income under Section 8 of the United States Housing Act of 1937, as amended (or if such program is terminated, under such program as in effect immediately before such termination).

“Elderly Households” means households in which at least one member is age 62 or older.

“Elderly Occupancy Requirement” means the requirement of the Issuer that 260 units in the Project be occupied by Elderly Households.

“Lower-Income Tenant Occupancy Requirement” means the requirement of the Code that 40% of the units in the Project be occupied by Lower-Income Tenants as provided in the Tax Regulatory Agreement.

“Lower-Income Tenants” means individuals whose income is 60% or less of AMGI, as adjusted for family size. In no event, however, shall occupants of a dwelling unit be considered to be Lower-Income Tenants if all the occupants are students (as defined in Section 151(c)(4) of the Code), no one of whom is entitled to file a joint federal income tax return.

“Qualified Project Period” has the meaning used in Section 142(d)(2)(A) of the Code and generally means the period beginning on the first date (on or after the closing date of the Bond Mortgage Loan) on which 10% of the residential units in the Project are occupied and ending on the latest of the following dates: (1) the date which is 15 years after the first date (on or after the closing date of the Bond Mortgage Loan) on which 50% of the residential units in the Project are occupied; (2) the first date (on or after the Closing Date of the Bond Mortgage Loan) on which no tax-exempt private activity bond issued with respect to the Project is outstanding; or (3) the first date (on or after the closing date of the Bond Mortgage Loan) on which all assistance provided with respect to the Project under Section 8 has terminated.

“Qualified Residential Rental Project” means a project that satisfies the requirements of a “qualified residential rental project” as set forth in Section 142(d) of the Code.

The Borrower represents, covenants, and agrees in the Tax Regulatory Agreement that each of the Lower-Income Tenant Occupancy Requirement and the Elderly Occupancy Requirement shall be met throughout the period beginning on the date of the Tax Regulatory Agreement and ending on the latest to occur of (i) the expiration of the Qualified Project Period, (ii) the date that is forty (40) years from the date of the Tax Regulatory Agreement or (iii) the first date on which the Bond Mortgage Loan is no longer outstanding. For the purpose of satisfying the Lower-Income Tenant Occupancy Requirement:

(i) a residential unit in the Project shall be treated as “occupied” if it was previously rented to and occupied by a Lower-Income Tenant and is being held vacant and available for rental to a Lower-Income Tenant. When such a unit is reoccupied (other than for a temporary period of not more than 31 days), the character of the unit shall be redetermined; and

(ii) the determination of income will be made both prior to occupancy and on a continuing basis.

Increases in a Lower-Income Tenant’s income up to 140% of the applicable limit (adjusted for family size) will not result in disqualification so long as the next unit of comparable or smaller size in the Project which becomes vacant shall be rented to a Lower Income Tenant. In the event that a Lower-Income Tenant’s income increases to a level more than 140% of the then applicable limit (or if a Lower-Income Tenant’s family size decreases so that a lower maximum income applies to the Lower-Income Tenant), that Lower-Income Tenant may no longer be counted among the 40% of units that satisfy the Lower-Income Tenant Occupancy Requirement.

The Borrower covenants in the Tax Regulatory Agreement that all of the proceeds of the Bond Mortgage Loan will be used to finance buildings and equipment that qualify as a Qualified Residential Rental Project. The Administration understands and agrees that the Regulated Units may be located in one or more of the buildings comprising the Project and that the Administration will not require that each building contain one or more Regulated Units. All of the dwelling units in the Project (except the one staff unit) shall be rented or available for rental on a continuous basis to the general public.

SUMMARY OF CERTAIN PROVISIONS OF THE INTERCREDITOR AGREEMENT

The Issuer, the Trustee and Freddie Mac have agreed upon their respective rights arising from an Event of Default under any Bond Financing Document in the Intercreditor Agreement. The following is a brief summary of certain provisions of the Intercreditor Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the full text of the Intercreditor Agreement, a copy of which is on file with the Trustee.

Under the terms of the Intercreditor Agreement, the Issuer, the Trustee and Freddie Mac have agreed, among other things, that, until either (a) Freddie Mac fails to honor a draw properly presented in accordance with the terms of the Credit Enhancement Agreement or (b) the Credit Enhancement Agreement terminates in accordance with its terms, certain of the rights and remedies of the Issuer, the Trustee and Freddie Mac, under certain of the Bond Financing Documents, including (without limitation) the rights and remedies of the Trustee, as beneficiary of the Bond Mortgage under its terms, may be exercised only with the prior written consent of Freddie Mac, in its sole discretion, including (without limitation) the right to waive certain terms and conditions of certain of the Bond Financing Documents pertaining to the Borrower.

Notwithstanding anything to the contrary contained in the Financing Agreement and pursuant to the Intercreditor Agreement, as long as Freddie Mac is not in default of its obligations under the Credit Enhancement Agreement, neither the Issuer, the Trustee nor any other person shall, upon the occurrence of an Event of Default under the Financing Agreement or any event of default under the Bond Financing Documents, take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Bond Mortgage Loan, except at the direction of Freddie Mac; provided that this prohibition shall not be construed to limit the rights of the Issuer or the Trustee to specifically enforce the Tax Regulatory Agreement in order to provide for operation of the Project in accordance with the Code and the Act; and provided further that this prohibition shall not be construed to limit the indemnification rights of the Issuer, the Trustee, the Servicer, Freddie Mac or any other indemnified party under the Financing Agreement to enforce its rights against the Borrower under the Financing Agreement by mandamus or other suit, action or proceeding at law or in equity where such suit, action or proceeding does not seek any remedies under or with respect to the Bond Mortgage or cause acceleration of the Bond Mortgage Loan.

UNDERWRITING

The Bonds are being purchased on a negotiated basis by RBC Capital Markets Corporation (the “Underwriter”). The Underwriter has agreed to purchase the Bonds at a price equal to the principal amount thereof. The Underwriter will receive a fee of \$55,460.44 relating to its purchase of the Bonds. The Bond Purchase Agreement among the Administration, the Borrower and the Underwriter, dated on or about December 17, 2008 (the “Bond Purchase Agreement”), provides that the Underwriter will purchase all but not less than all of the Bonds. The Underwriter’s obligation to make such purchase is subject to certain terms and conditions set forth in the Bond Purchase Agreement, the approval of certain legal matters by counsel and certain other conditions. The initial public offering prices of the Bonds may be changed, from time to time, by the Underwriter. The Underwriter may offer and sell any of the Bonds to certain dealers (including dealers depositing such Bonds into investment trusts) and certain dealer banks and banks acting as agents at prices lower than the public offering prices stated on the cover page hereof.

FINANCIAL ADVISOR

Caine Mitter & Associates Incorporated (the “Financial Advisor”) has served as financial advisor to the Issuer in connection with the sale of the Bonds.

CONTINUING DISCLOSURE

So long as the Bonds bear interest at the Variable Rate or do not otherwise become subject to the Rule (as defined below), the Bonds are exempt from continuing disclosure pursuant to Rule 15c2-12 promulgated and amended by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the “Rule”). In the event of conversion of the Bonds to a Reset Rate, conversion to the Fixed Rate, or the Bonds otherwise becoming subject to the Rule, the Borrower has

agreed to execute and deliver to the Trustee a Continuing Disclosure Agreement upon the date of such conversion.

The Borrower will undertake all responsibility for any future continuing disclosure to Bondholders, and the Issuer will have no liability to the Holders of the Bonds or any other person with respect to such disclosure. Failure of the Borrower to comply with any Continuing Disclosure Agreement is not considered an Event of Default under the Indenture or the Financing Agreement; however, the Trustee, at the written request of the Holders of at least 25 percent in aggregate principal amount of Outstanding Bonds or the Credit Facility Provider, shall, but only to the extent funds or other indemnity in an amount satisfactory to the Trustee is furnished to it to hold the Trustee harmless from any loss, cost, expense or liability, including, without limitation, fees and expenses of its attorneys and additional fees of the Trustee, but only to the extent indemnified to its satisfaction, or any Holder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Borrower to comply with its obligations under the Financing Agreement with respect to continuing disclosure.

TAX MATTERS

Opinion of Bond Counsel

In the opinion of Kutak Rock LLP, Bond Counsel to the Administration, under existing laws, regulations, rulings and court decisions and assuming the accuracy of certain representations and continuing compliance with certain covenants described herein, (i) interest on the Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Code, except that no opinion is expressed as to such exclusion of interest on any Bond for any period during which the Bond is held by a person who is a “substantial user” of the facilities financed with the proceeds of the Bonds or a “related person” within the meaning of Section 147(a) of the Code. Bond Counsel is further of the opinion that interest on the Bonds is not a specific preference item or included in adjusted current earnings for purposes of the federal alternative minimum tax.

In rendering its opinion, Bond Counsel to the Administration has relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Administration and the Borrower in connection with the Bonds, and Bond Counsel to the Administration has assumed compliance by the Administration and the Borrower with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the Bonds from gross income under Section 103 of the Code.

In addition, in the opinion of Bond Counsel, under existing statutes, the Bonds, their transfer, the interest payable thereon, and any income derived therefrom, including any profit realized on the sale or exchange thereof, is exempt from taxation of every kind and nature whatsoever by the State of Maryland, except that no opinion is expressed with respect to any exemption from Maryland estate or inheritance taxes. See “Miscellaneous” below for a discussion of certain litigation that may relate to this Maryland tax exemption.

Bond Counsel to the Administration expresses no opinion regarding any other Federal or state tax consequences with respect to the Bonds, and renders its opinion under existing statutes and court decisions as of the issue date, and assumes no obligation to update its opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation, or otherwise. Bond Counsel expresses no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for Federal income tax purposes of interest on the Bonds, or under state and local tax law.

New 2008 Housing Legislation and Administration Program Requirements

The Housing and Economic Recovery Act of 2008 (the “2008 Housing Act”) amends various provisions of the 1986 Code pertaining to housing bonds. The 2008 Housing Act is generally effective for bonds issued after the date the President approved the 2008 Housing Act (July 30, 2008, the “Date of Enactment”).

The 2008 Housing Act provides that housing bonds issued after the Date of Enactment are exempt from alternative minimum tax (“AMT”), provided they do not refund outstanding bonds issued prior to the Date of Enactment. The AMT exemption under the 2008 Housing Act applies both to the AMT provisions relating to “tax preference items” and also to the provisions imposing AMT on 75% of the amount by which the “adjusted current earnings” of a corporate taxpayer exceeds its alternative minimum taxable income. The exemption from corporate AMT is unique to the new exemption as distinguished from the pre-existing exemption applicable to bonds issued to refund, directly or indirectly, prior bonds issued before 1986.

Certain Ongoing Federal Tax Requirements and Covenants

The Code establishes certain ongoing requirements that must be met subsequent to the issuance and delivery of the Bonds in order that interest on the Bonds will be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to use and expenditure of gross proceeds of the Bonds, yield and other restrictions on investments of gross proceeds, and the arbitrage rebate requirement that certain excess earnings on gross proceeds be rebated to the Federal Government. Noncompliance with such requirements may cause interest on the Bonds to become included in gross income for Federal income tax purposes retroactive to their issue date, irrespective of the date on which such noncompliance occurs or is discovered. The Administration has covenanted that it shall do and perform all acts necessary or desirable to assure the exclusion of interest on the Bonds from gross income under Section 103 of the Code. The Administration will deliver its Tax Certificate concurrently with the issuance of the Bonds which will contain provisions relating to compliance with the requirements of the Code. The Administration also has or will require the Borrower to make certain covenants in the Bond Mortgage Loan documents relating to compliance with the requirements of the Code. No assurance can be given, however, that in the event of a breach of any such covenant, the remedies available to the Administration or the owners of the Bonds can be enforced judicially in a manner to assure compliance with the Code and to prevent the loss of the exclusion from gross income of the interest on the Bonds for Federal income tax purposes.

Low Income Set-Aside Requirements under the Code

The Bonds are subject to the low income set-aside and other requirements for qualified residential rental projects under the Code which are described briefly in this subsection. The Code requires that at least 95 percent of the net proceeds of exempt facility bonds under Section 142(a)(7) (after reduction for amounts applied to fund a reasonably required reserve fund) be used to provide “qualified residential rental projects.” The Code defines a residential rental project as a project containing units with separate and complete facilities for living, sleeping, eating, cooking, and sanitation that are available to the general public and are to be used on other than a transient basis. Section 142(d) of the Code requires that either (i) at least 20% of the completed units in a project to be financed with the proceeds of the Bonds be continuously occupied during the “qualified project period” by individuals and families whose annual adjusted income does not exceed 50% of the area median income (with adjustments for family size), or (ii) at least 40% of the completed units in a project to be financed with the proceeds of the Bonds be continuously occupied during the qualified project period by individuals and families whose annual adjusted income does not exceed 60% of the area median income (with adjustments for family size). The

Administration will make elections on the applicable low income set-aside requirements with respect to the Project prior to the Delivery Date. In addition, all of the units in the Project must be rented or available for rental on a continuous basis throughout the applicable qualified project period. The Code defines the “qualified project period” as the period beginning on the first day upon which 10% of the units in a project are occupied and ending on the latest of (i) the date that is 15 years after the date upon which 50% of the residential units in such project are occupied, (ii) the first day on which no tax-exempt private activity bond issued with respect to the Project is outstanding, or (iii) the date upon which any assistance provided with respect to the Project under Section 8 of the United States Housing Act of 1937, as amended, terminates. A unit generally will meet the continuing low income set aside requirement so long as the tenant’s income does not increase to more than 140% of the applicable income limitation. Generally, upon an increase of a tenant’s income over 140% of the applicable income limitation, the next available unit of comparable or smaller size in the Project must be rented to a tenant whose income does not exceed the applicable income limitation. The Code requires annual certifications to be made to the Secretary of the Treasury regarding compliance with the applicable income limitations.

Certain Collateral Federal Tax Consequences

The following is a brief discussion of certain collateral Federal income tax matters with respect to the Bonds. It does not purport to address all aspects of Federal taxation that may be relevant to a particular owner of a Bond. Prospective investors, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the Federal tax consequences of owning and disposing of the Bonds.

Prospective owners of the Bonds should be aware that the ownership of such obligations may result in collateral Federal income tax consequences to various categories of persons, such as corporations (including S Corporations and foreign corporations), financial institutions, property and casualty and life insurance companies, individual recipients of Social Security or railroad retirement benefits, individuals otherwise eligible for the earned income tax credit, and taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is excluded from gross income for Federal income tax purposes. The extent of these collateral tax consequences will depend upon such owner’s particular tax status and other items of income or deduction, and Bond Counsel has expressed no opinion regarding any such consequences. Purchasers of the Bonds should consult their tax advisors as to the tax consequences of purchasing or owning the Bonds. Interest on the Bonds may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by Section 884 of the Code.

Bond Premium

In general, if an owner acquires a Bond for a purchase price (excluding accrued interest) or otherwise at a tax basis that reflects a premium over the sum of all amounts payable on the Bond after the acquisition date (excluding certain “qualified stated interest” that is unconditionally payable at least annually at prescribed rates), that premium constitutes “bond premium” on that Bond (a “Premium Bond”). In general, under Section 171 of the Code, an owner of a Premium Bond must amortize the bond premium over the remaining term of the Premium Bond, based on the owner’s yield over the remaining term of the Premium Bond, determined based on constant yield principles (in certain cases involving a Premium Bond callable prior to its stated maturity date, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on such bond). An owner of a Premium Bond must amortize the bond premium by offsetting the qualified stated interest allocable to each interest accrual period under the owner’s regular method of accounting against the bond premium allocable to that period. In the case of a tax-exempt Premium Bond, if the bond premium allocable to an accrual period exceeds the qualified stated interest allocable to that accrual period, the

excess is a nondeductible loss. Under certain circumstances, the owner of a Premium Bond may realize a taxable gain upon disposition of the Premium Bond even though it is sold or redeemed for an amount less than or equal to the owner's original acquisition cost.

Owners of any Premium Bonds should consult their own tax advisors regarding the treatment of bond premium for Federal income tax purposes, including various special rules relating thereto, and state and local tax consequences, in connection with the acquisition, ownership, amortization of bond premium on, sale, exchange, or other disposition of Premium Bonds.

Information Reporting and Backup Withholding

Information reporting requirements will apply to interest on tax-exempt obligations, including the Bonds. In general, such requirements are satisfied if the interest recipient completes, and provides the payor with, a Form W-9, "Request for Taxpayer Identification Number and Certification", or unless the recipient is one of a limited class of exempt recipients, including corporations. A recipient not otherwise exempt from information reporting who fails to satisfy the information reporting requirements will be subject to "backup withholding", which means that the payor is required to deduct and withhold a tax from the interest payment, calculated in the manner set forth in the Code. For the foregoing purpose, a "payor" generally refers to the person or entity from whom a recipient receives its payments of interest or who collects such payments on behalf of the recipient.

If an owner purchasing a Bond through a brokerage account has executed a Form W-9 in connection with the establishment of such account, as generally can be expected, no backup withholding should occur. In any event, backup withholding does not affect the excludability of the interest on the Bonds from gross income for Federal income tax purposes. Any amounts withheld pursuant to backup withholding would be allowed as a refund or a credit against the owner's Federal income tax once the required information is furnished to the Internal Revenue Service.

Miscellaneous

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to above or adversely affect the market value of the Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to Bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Bonds or the market value thereof would be impacted thereby. Purchasers of the Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Bonds and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

RATINGS

Moody's (the "Rating Agency") has assigned the ratings to the Bonds as shown on the cover page of this Official Statement. The ratings reflect only the view of the Rating Agency, and an explanation of the significance of such ratings may be obtained directly from the Rating Agency. There is no assurance that the current ratings will continue for any given period of time or that the current ratings will not be

revised downward or withdrawn entirely if, in the judgment of the Rating Agency, circumstances so warrant. Any such downward revision or withdrawal of the rating the Bonds may have an adverse effect on the market price of the Bonds.

CERTAIN LEGAL MATTERS

Certain legal matters relating to the authorization and validity of the Bonds will be subject to the approving opinion of Kutak Rock LLP, as Bond Counsel, which will be furnished at the expense of the Borrower upon delivery of the Bonds (the “Bond Opinion”). The Bond Opinion will be limited to matters relating to authorization and validity of the Bonds and to the tax-exempt status of the Bonds as described herein under the caption “TAX MATTERS.” Bond Counsel has not been engaged to investigate the financial resources of the Borrower, the Servicer, Freddie Mac or any other source of payment of the Bonds, and the Bond Opinion will make no statement as to such matters.

Certain legal matters will be passed upon for Freddie Mac by its Legal Department and by its special counsel, Ballard Spahr Andrews & Ingersoll, LLP, Washington, D.C. Certain legal matters will be passed upon for the Underwriter by its counsel, Hawkins Delafield & Wood LLP, Washington, D.C. Payment of the fees of certain counsel to the transaction is contingent upon the execution and delivery of the Bonds as described herein.

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions on the legal issues explicitly addressed therein. By rendering the legal opinion, the opinion giver does not become an insurer or guarantor of an expression of professional judgment of the transaction opined upon, or of the future performance of parties to such transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

NO LITIGATION

The Borrower

There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before any court, public board or body, pending or, to the knowledge of the Borrower, threatened against the Borrower or the Project in any way contesting or affecting the rehabilitation of the Project or the transactions contemplated by or under the Bond Financing Documents and the Bond Mortgage Loan Documents.

The Issuer

There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before any court, public board or body, pending or, to the knowledge of the Issuer, threatened against the Issuer restraining or enjoining the execution or delivery of the Bonds, or in any way contesting or affecting the validity thereof or the validity or enforceability of the Issuer’s obligations under the Bond Financing Documents.

ENFORCEABILITY OF REMEDIES

The remedies available to the Trustee and the owners of the Bonds upon an Event of Default under the Indenture, the Financing Agreement, the Tax Regulatory Agreement, the Credit Enhancement Agreement or any other document described herein are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing law and judicial decisions, the remedies provided may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified to the extent that the enforceability

of certain legal rights related to the Bonds is subject to limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by equitable remedies and proceedings generally.

Ladies and Gentlemen:

We have acted as Bond Counsel to the Community Development Administration (the “Administration”), an agency in the Division of Development Finance of the Department of Housing and Community Development (the “Department”), a principal department of the government of the State of Maryland (the “State”), in connection with the issuance and sale of \$16,000,000 aggregate principal amount of its Variable Rate Demand Multifamily Development Revenue Bonds (Kirkwood House Apartments), Series 2008 G (the “Bonds”).

The Bonds are being issued under and pursuant to Sections 4-101 through 4-255 of the Housing and Community Development Article of the Annotated Code of Maryland, as amended (previously Sections 2-201 through 2-208 of Article 83B of the Annotated Code of Maryland) (the “Act”) and in accordance with the terms and provisions of a Trust Indenture dated as of December 1, 2008 (the “Indenture”), by and between the Administration and Manufacturers and Traders Trust Company, as Trustee. The Director of the Administration determined, pursuant to Section 4-245(a) of the Act, that the issuance of the Bonds is necessary to achieve one or more purposes of the Administration, and such determination was approved by the Secretary of Housing and Community Development. Capitalized terms used in this opinion and not otherwise defined in this opinion shall have the meanings set forth in the Indenture or the Act.

Applicable Federal tax law establishes certain requirements which must be met subsequent to the delivery of the Bonds in order to assure that interest on the Bonds will be and will remain excludable from gross income for Federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”). The Administration has covenanted in the Indenture to at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest on the Bonds will be and will remain excludable from gross income for Federal income tax purposes. The Administration has also delivered a certificate dated the date of this opinion containing representations, provisions, and procedures relating to compliance with the requirements of the Code. Noncompliance by the Administration or the Borrower with such provisions and procedures may require the inclusion of interest on the Bonds in gross income for Federal income tax purposes retroactive to the date of issuance, regardless of when such noncompliance occurs or is discovered. In rendering this

opinion, we have assumed compliance by the Administration with the aforementioned covenant and representations, provisions, and procedures set forth in the aforementioned certificate.

Based upon the foregoing, we are of the opinion that:

- (1) Under the Constitution and laws of the State, the Act is valid and the Administration has been duly created and validly exists as an agency in the Division of Development Finance of the Department with such political and corporate powers as set forth in the Act and with good, right and lawful authority, among other things, to issue the Bonds to provide funds to refinance the acquisition and rehabilitation of the Project and to perform its obligations under the terms and conditions of the Indenture.
- (2) The Indenture has been duly authorized, executed and delivered by the Administration and, assuming due authorization, execution and delivery by the Trustee, constitutes the valid and legally binding limited obligation of the Administration enforceable against the Administration in accordance with its terms.
- (3) The Bonds are valid and legally binding limited obligations of the Administration, payable solely from the Trust Estate pledged therefor under the Indenture. The Indenture creates the valid pledge of and the valid lien which it purports to create upon the Trust Estate, subject only to the provisions of the Indenture permitting the use and payment thereof for or to the purposes and on the terms and conditions set forth in the Indenture.
- (4) Under existing law, interest on the Bonds is excludable from gross income for Federal income tax purposes pursuant to Section 103 of the Code, except that no opinion is expressed as to such exclusion of interest on any Bond for any period during which such Bond is held by a person who is a “substantial user” of the facilities financed with the proceeds of the Bonds or a “related person” within the meaning of Section 147(a) of the Code. Furthermore, interest on the Bonds is not a specific preference item or included in adjusted current earnings for purposes of the federal alternative minimum tax.
- (5) Under existing statutes, the Bonds, their transfer, the interest payable thereon, and any income derived therefrom, including any profit realized on the sale or exchange thereof, are exempt from taxation of every kind and nature whatsoever by the State of Maryland, except, that no opinion is expressed with respect to any exemption from Maryland estate or inheritance taxes.

The foregoing opinion is qualified only to the extent that the enforceability of the Bonds and the Indenture may be limited by bankruptcy, moratorium, insolvency, or other laws affecting creditors’ rights or remedies generally and is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

We express no opinion regarding any other Federal or state tax consequences with respect to the Bonds. We render our opinion under existing statutes and court decisions as of the issue date, and we assume no obligation to update this opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation, or otherwise. We express no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for Federal income tax purposes of interest on the Bonds, or under state and local tax law.

Very truly yours,

The obligation of Freddie Mac to make such payment is subject to the condition precedent that Freddie Mac (A) shall have timely received from the Trustee or the Tender Agent, as the case may be, and the Remarketing Agent, all notices required to be delivered to Freddie Mac pursuant to Section 10.03 of the Indenture, and (B) shall have received not later than 11:00 a.m., Washington D.C. time, on the Settlement Date, (1) a Draw Request, and (2) an e-mail from the Trustee to the Freddie Mac Trustee E-mail Account notifying Freddie Mac that the Draw Request on such date is made pursuant to the Liquidity Commitment. Such Draw Request shall be made using the Wire Request System until Freddie Mac provides the Trustee with written or electronic notice to the contrary. If, for any reason, the Trustee is unable to deliver such Draw Request electronically using the Wire Request System, the Trustee shall immediately notify Freddie Mac via both the Freddie Mac Trustee Hotline and the Freddie Mac Trustee E-mail Account, and shall deliver such Draw Request, instead, in the form of Exhibit A-2 by facsimile or electronic transmission, immediately confirmed by overnight delivery service, to Freddie Mac at (571) 382-4798, if by facsimile transmission, or the Freddie Mac Trustee E-mail Account, if by electronic transmission (or to such other facsimile number or e-mail address or using such other means of electronic or telephonic communication as Freddie Mac shall designate in writing). In no event shall the amount payable pursuant to this Section 3.1(b) exceed the Available Amount, nor shall any amounts payable hereunder be used to purchase Purchased Bonds.

(ii) Any amount provided by Freddie Mac on a Settlement Date which is not used for such purpose or set aside for any undelivered Bonds shall be repaid immediately by the Trustee to Freddie Mac in immediately available funds.

(iii) The Trustee shall receive and hold all funds provided by Freddie Mac under this Agreement on account of the Purchase Price of Bonds in trust for the benefit of Freddie Mac and shall not disburse such funds to the Tender Agent until the tendered Bonds have been received by the Tender Agent. The Trustee shall, on the Settlement Date, on behalf of the Borrower, cause Purchased Bonds to be registered in the name of the Custodian, until remarketed or redeemed, subject to the security interest provided for in Section 3.1(b)(v) of this Agreement and the Pledge Agreement.

(iv) The obligation of Freddie Mac to pay the Purchase Price of tendered Bonds shall be reinstated (a) automatically, when and to the extent that (1) Freddie Mac has received reimbursement in immediately available funds for the amount provided pursuant to this Agreement to pay all or a portion of the Purchase Price of tendered Bonds or has received written confirmation from the Tender Agent that the Tender Agent has received immediately available funds which it will immediately remit to Freddie Mac as reimbursement for the amount provided to pay all or a portion of the Purchase Price of tendered Bonds, and (2) the Tender Agent has delivered to Freddie

Mac, by facsimile at (571) 382-4798 or electronic transmission via the Freddie Mac Trustee E-mail Account or to such other facsimile number, e-mail address, office or Freddie Mac employee as Freddie Mac shall designate by written notice to the Tender Agent (with confirmation of the facsimile or electronic transmission by (A) telephone call to the Freddie Mac Trustee Hotline or to such other number, office or Freddie Mac employee as Freddie Mac shall designate by written notice to the Tender Agent and (B) concurrently mailed original by first class mail, postage fully prepaid, to Multifamily Loan Accounting or to such other office or Freddie Mac employee as Freddie Mac shall designate by written notice to the Tender Agent), a certificate in the form attached to this Agreement as **Exhibit B**, appropriately completed and executed by an officer of the Tender Agent or (b) at such time as and to the extent that Freddie Mac, in its discretion, advises the Trustee in writing that such reinstatement shall occur, it being understood that Freddie Mac shall have no obligation to grant any such reinstatement except as provided in clause (a).

(v) Pursuant to the Pledge Agreement, Freddie Mac shall have a security interest (but no beneficial ownership interest) in Purchased Bonds and in the proceeds of Purchased Bonds including any proceeds upon a remarketing of Purchased Bonds.

(vi) If, following an optional or mandatory tender of Bonds in accordance with Section 10.01 or Section 10.02 of the Indenture, the tendered Bonds have not been remarketed, but have been purchased by the Trustee on behalf of the Borrower with funds provided by Freddie Mac to the Trustee under Section 3.1(b) of this Agreement and such Purchased Bonds have not been remarketed as of the ninetieth (90th) day following the date of such purchase, Freddie Mac shall have the right, at any time following such ninetieth (90th) day and provided that (a) the Bonds have not then been remarketed and (b) Freddie Mac has not then been reimbursed in full for the amounts advanced under this Agreement or, without regard to such reimbursement, Freddie Mac has not then been paid in full all fees and other amounts due to Freddie Mac, all in accordance with the Reimbursement Agreement, to (1) declare an Event of Default under (and as defined in) the Reimbursement Agreement or (2) terminate this Agreement and direct the Trustee to redeem the Bonds in accordance with Section 3.01(b)(ii) of the Indenture. In any of such events Freddie Mac shall pay the redemption price of all Bonds (other than Purchased Bonds) Outstanding.

(c) Payments required to be made pursuant to this Agreement shall be made from any source legally available to Freddie Mac, other than funds of the Borrower or the Issuer.

(d) Amounts held in the Revenue Fund, the Redemption Fund and the Bond Fund established under the Indenture (representing Freddie Mac Credit Enhancement Payments, investment earnings thereon and other amounts permitted under the Indenture to be deposited in said Funds) shall be invested and reinvested by the Trustee, with the prior written consent of Freddie Mac, in accordance with the provisions of Section 4.08 of the Indenture. In the absence of Freddie Mac's prior written consent, the Trustee shall invest such amounts in Qualified Investments of the type described in clause (a), (b) or (g) of the definition of such term contained in the Indenture, which Qualified Investments

in all events shall mature or be redeemable at par on the earlier of (a) six months from the date of investment (or such shorter period as may be required by the Indenture) or (b) the date such moneys are needed for the purposes for which they are held. Notwithstanding the foregoing or anything else contained in this Agreement or in the Indenture, Freddie Mac shall have no obligation to the Issuer, the Trustee or any holder of any Bond with respect to the failure to receive any payment under any investment made by the Trustee or any investment loss with respect to any such investment (irrespective of whether or not Freddie Mac shall have consented to such investment).

(e) This Agreement shall become effective upon its execution and delivery by Freddie Mac and the Trustee and shall cease to be in effect on the Termination Date. On the Liquidity Commitment Termination Date following the payment of any amounts due hereunder, (a) all obligations of Freddie Mac under Section 3.1(b) shall terminate and (b) all provisions of this Agreement relating to Freddie Mac's Liquidity Commitment shall cease to be applicable.

The Trustee hereby expressly acknowledges and agrees that Freddie Mac shall have no liability to the Trustee or to the Bondholders for any failure to make full and timely payment of principal or interest on the Bonds resulting from a deficiency of moneys therefor under the Indenture if the Trustee shall not have delivered, in the manner and at the time required by this Agreement, a Notice under Section 3.1 hereof or any other notice required in this Agreement as a condition precedent to payment thereunder by Freddie Mac.

Section 3.2 Right of Freddie Mac to Cause Redemption, Mandatory Tender or Acceleration of Bonds.

(a) Subject to the provisions of the Indenture, Freddie Mac shall have the right to direct the Trustee to provide notice of redemption, purchase in lieu of redemption or mandatory tender of the Bonds to the extent and upon the terms described in the Indenture, provided that Freddie Mac agrees to honor a Notice given in accordance with this Agreement to pay to the Trustee the full redemption price or Purchase Price of the Bonds upon the redemption, purchase in lieu of redemption or mandatory tender thereof.

(b) If Freddie Mac pays the Purchase Price of tendered Bonds in accordance with Section 3.06 of the Indenture, subsequent to its date of purchase Freddie Mac or an entity designated by Freddie Mac in accordance with Section 3.06 of the Indenture, as the case may be, may on any day elect:

(i) to present all or a portion of such Bonds to the Trustee for cancellation pursuant to Section 3.07 of the Indenture;

(ii) to direct the Trustee to redeem all or a portion of such Bonds pursuant to Section 3.01(a)(ii) of the Indenture from the sources identified in that Section, in which case all or such portion of such Bonds shall be redeemed pursuant to Section 3.01(a)(ii) of the Indenture; or

(iii) upon fifteen days' prior notice to the Trustee and the Issuer, to deliver to the Trustee a written undertaking by Freddie Mac confirming its continuing obligations

under this Agreement upon a remarketing of such Bonds pursuant to Section 10.10(d) of the Indenture.

(c) Freddie Mac shall have the right to cause an acceleration of the Bonds pursuant to Section 6.02 of the Indenture provided the conditions set forth therein have been satisfied. In such event, Freddie Mac shall pay to the Trustee the entire principal amount of the Bonds, minus the principal amount of any Purchased Bonds, together with accrued interest thereon to the date of acceleration of the Bonds and may direct the cancellation of any such Purchased Bonds.

(d) Upon the payment by Freddie Mac of the redemption price or Purchase Price of the Bonds as provided in Sections 3.2(a), (b) or (c) all payment obligations of Freddie Mac under Section 3.1 with respect to such Bonds to the extent of such payment shall thereupon terminate, other than payment obligations becoming due and owing prior to the date of such payment.

Section 3.3 *Nature of the Trustee's Rights.* The right of the Trustee to receive payments from Freddie Mac pursuant to Sections 3.1 and 3.2 shall not be diminished by any rights of set-off, recoupment or counterclaim Freddie Mac might otherwise have against the Issuer, the Trustee, the Borrower or any other person. Notwithstanding the foregoing, this Section 3.3 shall not be construed: to release the Trustee or the Issuer from any of their respective obligations hereunder or under the Indenture; except as provided in this Section, to prevent or restrict Freddie Mac from asserting any rights which it may have against the Issuer, the Trustee or the Borrower under this Agreement, the Indenture, the Intercreditor Agreement, the Bond Mortgage Loan or any provisions of law; or to prevent or restrict Freddie Mac, at its own cost and expense, from prosecuting or defending any action or proceeding by or against the Issuer, the Trustee or the Borrower or taking any other actions to protect or secure its rights; provided, however that any recovery against the Issuer is limited to amounts held under the Indenture.

Section 3.4 *Adjustments to Required Bond Mortgage Payments and Guaranteed Payments.* In connection with any partial principal prepayments of amounts owing under the Bond Mortgage Note, the Interest Component of the Required Bond Mortgage Payment shall be adjusted only upon the redemption of Bonds in the amount of such principal prepayment.

ARTICLE IV

FREDDIE MAC REIMBURSEMENTS

Section 4.1 *Reimbursements.*

(a) For each Freddie Mac Credit Enhancement Payment made by Freddie Mac, Freddie Mac shall be entitled to receive reimbursement under the Reimbursement Agreement in the amount of the Freddie Mac Reimbursement Amount. If the Trustee shall have received a Freddie Mac Credit Enhancement Payment from Freddie Mac with respect to any particular Guaranteed Payment and the Trustee shall have received or shall thereafter receive from the Borrower all or any portion of such Guaranteed Payment or any other amount in lieu of such Guaranteed Payment, the Trustee shall promptly reimburse to Freddie Mac, from any such amounts received from the Borrower, the Freddie Mac Credit Enhancement Payment paid by Freddie Mac as provided in the Indenture.

(b) The Trustee shall maintain records of all Freddie Mac Credit Enhancement Payments received from Freddie Mac hereunder. The Trustee shall, upon receipt of a written request of Freddie Mac, cooperate with Freddie Mac and the Servicer in connection with the reconciliation of the Trustee's records maintained pursuant to this Subsection and any similar records maintained by Freddie Mac or the Servicer.

ARTICLE V

COVENANTS

Section 5.1 *Annual Reports.* Freddie Mac registered its common stock with the U.S. Securities and Exchange Commission (the "SEC") under the Securities Exchange Act of 1934 (the "**Exchange Act**"), effective July 18, 2008. As a result, Freddie Mac files annual, quarterly and current reports, proxy statements and other information with the SEC. Any document that Freddie Mac files with the SEC may be read and copied at the SEC's public reference room at 100 F Street, N.E., Washington, D.C. 20549. These SEC filings are also available to the public from the SEC's web site at <http://www.sec.gov>.

Section 5.2 *Notice of Certain Events.* The Trustee shall promptly give notice by facsimile or electronic transmission to Freddie Mac at (571) 382-4798, if by facsimile transmission, or the Freddie Mac Trustee E-mail Account, if by electronic transmission, of (i) the occurrence of any Event of Default under the Indenture or any event which, with the passage of time or service of notice, or both, would constitute an Event of Default thereunder of which the Trustee has actual knowledge, specifying the action taken or proposed to be taken with respect to such event, (ii) all notices required under Article X of the Indenture to be provided to Freddie Mac in connection with the remarketing of Bonds and (iii) each proposed redemption of Bonds and the amount thereof, in writing, not later than 20 days (or as soon as practicable after receiving notice or other information that such a redemption is expected to occur, if such proposed redemption is to be effected with less than 20 days' prior notice in accordance with the Indenture) prior to such redemption, other than scheduled mandatory sinking fund redemptions.

Section 5.3 *Amendment of Documents.* So long as no Event of Default hereunder shall have occurred and be continuing, the Trustee will not amend or modify, or consent to any amendment or modification of any Bond Financing Document without the prior written consent of Freddie Mac.

Section 5.4 *Replacement of Servicer.* The Trustee acknowledges that, under certain circumstances set forth in the Guide, Freddie Mac shall have the right to terminate the Servicer's servicing of the Bond Mortgage Loan and to transfer the servicing of the Bond Mortgage Loan to a successor servicer in accordance with the Guide. Freddie Mac will promptly notify the Trustee upon termination of the Servicer and the appointment of a successor servicer.

Section 5.5 *Wiring Information.* All payments under this Agreement may be made by means of wire transfer of funds to the Trustee to the following account or such other account as the Trustee may specify in writing from time to time:

ARTICLE VI

DEFAULT AND REMEDIES

Section 6.1 *Events of Default.* Any one or more of the following acts or occurrences shall constitute an Event of Default hereunder:

(a) Failure by Freddie Mac to pay any amounts due under Section 3.1 or 3.2 when due; or

(b) Failure by Freddie Mac to perform or observe any of its covenants, agreements or obligations hereunder, except a failure described in (a) above, if the same shall remain uncured for a period of 45 days after written notice of such failure shall have been given by the Trustee to Freddie Mac; provided, however, that if such default is curable but requires acts to be done or conditions to be remedied which, by their nature, cannot be done or remedied within such 45-day period, no Event of Default shall be deemed to have occurred if Freddie Mac shall commence such acts or remedies within such 45-day period and thereafter, in the opinion of the Trustee, diligently pursue the same to completion; or

(c) any governmental authority shall require Freddie Mac to suspend its operations for more than three (3) Business Days (unless such requirement is applicable to corporate instrumentalities or financial institutions generally in the United States), or require the sale or transfer of all or substantially all of the assets of Freddie Mac.

Section 6.2 *Remedies of Trustee.* Upon the occurrence and continuance of any Event of Default by Freddie Mac hereunder, unless such Event of Default has been cured, the Trustee may take any one or more of the following steps, at its option:

(1) by action at law or in equity, require Freddie Mac to perform its covenants and obligations hereunder, or enjoin any acts which may be unlawful or in violation of the rights of the Trustee; and

(2) take whatever other action at law or in equity may appear necessary or desirable to enforce any monetary obligation of Freddie Mac hereunder, or to enforce any other obligations, covenant or agreement of Freddie Mac hereunder.

The above provisions are subject to the condition that if, after any Event of Default hereunder, all amounts which would then be payable hereunder by Freddie Mac if such Event of Default had not occurred and were not continuing, shall have been paid by or on behalf of Freddie Mac, and Freddie Mac shall have also performed all other obligations in respect of which it is then in default hereunder to the satisfaction of the Trustee, then such Event of Default

may be waived and annulled, but no such waiver or annulment shall extend to or affect any subsequent Event of Default or impair any consequent right or remedy.

Section 6.3 *Remedies Not Exclusive.* No remedy conferred in this Agreement or reserved to the Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 6.4 *Restoration of Rights and Remedies.* If the Trustee shall have instituted any proceeding to enforce any right or remedy under this Agreement and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the party instituting such proceeding, then and in every such case Freddie Mac, and the Trustee shall, subject to any determination in such proceeding, be restored to their former positions hereunder and thereafter all rights and remedies of the Trustee shall continue as though no such proceeding had been instituted.

ARTICLE VII

MISCELLANEOUS PROVISIONS

Section 7.1 *Interest of Bondholders.* The payments to be made by Freddie Mac hereunder are to be pledged to secure payment of the Purchase Price, principal or redemption price of and interest on the Bonds; provided that in no event shall Freddie Mac be obligated to pay the Purchase Price, principal or redemption price of and interest on Purchased Bonds.

Section 7.2 *Amendment.* This Agreement shall be amended only by an instrument in writing executed on behalf of the parties by their duly authorized representatives.

Section 7.3 *No Individual Liability.* No covenant or agreement contained in this Agreement shall be deemed to be the covenant or agreement of any member of the Board of Directors of Freddie Mac or any officer, agent, employee or representative of Freddie Mac, or the Trustee, in his or her individual capacity and none of such persons shall be subject to any personal liability or accountability by reason of the execution of this Agreement, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty, or otherwise.

Section 7.4 *Notices.* All notices, certificates and other written communications shall be sufficiently given and shall be deemed to be given (unless another form of notice shall be specifically set forth in this Agreement) on the Business Day following the date on which the same shall have been delivered to a national overnight delivery service (receipt of which to be evidenced by a signed receipt for overnight delivery service) with arrangements made for payment of all charges for next business day delivery, addressed as follows (provided that any of such addresses may be changed at any time upon written notice of such change sent, as provided in this Section, to the other party):

Section 7.9 Assignment. Except as provided in Section 7.8 hereof, this Agreement and the rights of the Trustee created hereby may not be assigned or transferred by the Trustee.

Section 7.10 Acceptance. The Trustee accepts the duties imposed upon it by this Agreement and agrees to perform those duties but only upon and subject to the following express terms and conditions:

(a) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Agreement and no implied covenants or obligations shall be read into this Agreement against the Trustee;

(b) as to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceedings, the Trustee shall be entitled to rely in good faith upon a certificate purportedly signed by an authorized signatory of Freddie Mac as sufficient evidence of the facts contained in such certificate;

(c) the permissive right of the Trustee to do things enumerated in this Agreement shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful misconduct;

(d) none of the provisions contained in this Agreement shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Agreement except for any liability of the Trustee arising from its own negligence or willful misconduct;

(e) the Trustee is entering into this Agreement solely in its capacity as Trustee under the Indenture and not in its individual or corporate capacity; and

(f) all of the provisions of the Indenture related to the duties, obligations, standard of care, protections and immunities from liability afforded the Trustee under the Indenture shall apply to the Trustee under this Agreement.
