IMPORTANT: The redemption of the Bonds shall be conditioned upon the receipt by the Trustee, on behalf of the Administration, on or prior to the Redemption Date of amounts sufficient to pay the principal of and interest on the Bonds to be redeemed. If such moneys are not received by the Trustee on or before the Redemption Date, this notice shall be of no force and effect and the Trustee shall not be required to redeem the Bonds on the Redemption Date. In such event, the Bonds shall remain outstanding and shall continue to bear interest in accordance with the terms and provisions of the Bonds and the Resolution.

The provisions of the current tax laws require bondholders to submit their Taxpayer Identification Number, (either their social security or employer identification number, as appropriate) with each bond presented for payment (whether by purchase or redemption). Failure to comply will subject the payment of any principal portion to the withholding of the applicable percentage of such principal portion, in accordance with the current tax laws. To avoid being subject to such withholding, bondholders should submit an IRS Form W-9 at the time the bonds are presented for payment. Form W-9 is available from your local bank or broker and at the IRS website.
