Re: CDA Memo – In-Place Rehabilitation Guidelines - Effective 8/8/24

The Department has established the new criteria for proposed projects that involve the rehabilitation of occupied housing. Based on feedback we received from industry stakeholders, these guidelines have been revised since publishing Notice 24-5 on May 14, 2024, which initially addressed these criteria.

For full details, please view [CDA Memo – In-Place Rehabilitation Policy](#) on our website.
