THE MARYLAND DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMEN

SOCIAL & ECONOMIC IMPACT SUMMARY REPORT 2019

Economic Impact Secretary's Message

The Maryland Department of Housing and Community Development invests in Maryland's future. We offer solutions for renters looking to purchase their own home, small businesses that are looking to expand, energy efficiency programs that help protect our environment, and even homeless services.

Our community development programs enhance existing neighborhood resources, support economic development, provide public services and infrastructure, and improve the quality of life for residents. Through these programs, we help the state of Maryland meet their challenging redevelopment goals.
